Whereas, The Director of the Department of Public Works, in letters addressed to the Mayor and the City Controller under date of December 20, 1950, has stated that an emergency has arisen in the Mechanical Division, Bureau of Water, Department of Public Works, requiring the transfer of the sum of \$9,000.00 to Code Account No. 1756, Wages, Regular Employees, Mechanical Division, Bureau of Water, Department of Public Works, to meet the payroll for the last period of this fiscal year and that this transfer is necessary because the appropriation for holidays, overtime, sick leave and vacations in this division were inadequate, and such appears as good and sufficient reason to impel the certification of an emergency under the circumstances; and

Now, Therefore, we DAVID L. LAWRENCE, Mayor of the City of Pittsburgh, and EDWARD R. FREY, Controller of the City of Pittsburgh, do hereby certify to Council of the City of Pittsburgh the existence of an emergency requiring the transfer of the sum of \$9,000.00 to Code Account No. 1756, Wages, Regular Employees, Mechanical Division, Bureau of Water, Department of Public Works, for the reason above set forth.

DAVID L. LAWRENCE,

Mayor.

EDWARD R. FREY,
City Controller.

Dated: Dec. 26, 1950.

Which was read, received and filed.

Mr. Duff moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

APPENDIX

No. 1

AN ORDINANCE—Authorizing the issuance of a warrant in favor of Duquesne Light Company in the sum of \$60,480.40 in payment for street lighting service furnished during the month of December 1949 for the benefit of the City without previous authority of law.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor be and he is hereby authorized and directed to issue, and the City Controller to countersign, a warrant in favor of Duquesne Light Company in the sum of \$60,480.40 in payment for street lighting service furnished, during the month of December 1949, for the benefit of the City without previous authority of law, and charge same to Code Account No. 1506, Street Lighting, Department of Public Works.

Section 2. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Passed January 23, 1950.

Approved January 27, 1950.

No. 4

AN ORDINANCE—Approving the proposal for the redevelopment of Project Area 1-B and Project Area 1-C, in Redevelopment Area No. 1, in the first and second wards of Pittsburgh, and approving the redevelopment contract included therewith.

Whereas, The Urban Redevelopment Authority of Pittsburgh, pursuant to the Urban Redevelopment Law (Act of May 24, 1945, P. L. 991), submitted to this Council for its approval a certain Proposal for the redevelopment of Project Area 1-B and Project Area 1-C in Redevelopment Area No. 1, in the First

and Second Wards of Pittsburgh (hereinafter called the "Redevelopment Proposal") included with which Redevelopment Proposal is a proposed redevelopment contract with The Equitable Life Assurance Society of the United States, the Redeveloper selected (such redevelopment contract being hereinafter called the "Redevelopment Contract"); and

Whereas, Council fixed January 3, 1950 as the time for a public hearing on said Redevelopment Proposal; and

Whereas, Due notice of the time, place and purpose of such public hearing was published as required by said Urban Redevelopment Law; and

Whereas, Said Redevelopment Proposal with such maps, plans, contracts or other documents as form part thereof, including the redevelopment contract in substantially the form to be executed by the Authority and the Redeveloper, together with the recommendation of approval by the Planning Commission of the City of Pittsburgh and supporting data, were available for public inspection for at least ten days prior to said public hearing, and said Redevelopment Proposal, including the Redevelopment Contract, remain on file open for public inspection at the office of the City Clerk, 510 City-County Building, Pittsburgh; and

Whereas, Council held a public hearing on said Redevelopment Proposal on January 3, 1950 at which hearing Council afforded an opportunity to all persons or agencies interested to be heard and received, made known and considered recommendations in writing with reference to said Redevelopment Proposal; and

Whereas, Council is satisfied that adequate provisions will be made to rehouse displaced families without undue hardship; and

Whereas, Council is of the opinion that the said Redevelopment Proposal and Redevelopment Contract included therewith are in the best interests of the residents of the City of Pittsburgh and desires to approve the same;

Now, therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That pursuant to the provisions of the Urban Redevelopment Law, Act of May 24, 1945, P. L. 991, the Redevelopment Proposal and the Redevelopment Contract included therewith for the redevelopment of Project Area 1-B and Project Area 1-C in Redevelopment Area No. 1 in the First and Second Wards of Pittsburgh which have been submitted to Council, be and are hereby approved, as submitted, by the Council of the City of Pittsburgh.

Section 2. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Passed January 23, 1950.

Approved January 27, 1950.

No. 5

AN ORDINANCE—Authorizing the Mayor and the Director of Public Works for and on behalf of the City of Pittsburgh to enter into a contract with the Urban Redevelopment Authority of Pittsburgh in furtherance of the redevelopment of Project Areas 1-B and 1-C in Redevelopment Area No. 1 in the First and Second Wards of the City of Pittsburgh; providing for the vacation of certain streets in said area, the conveyance of the City's title to certain streets to the Urban Redevelopment Authority, the widening of Stanwix street and the establishing of a set back line on Ferry street as shown on plan of Redevelopment Area No. 1, the relocation and reconstruction of a portion of Liberty avenue, the relocation and reconstruction of sewers and water mains in the said project areas and the considerations for the City of Pittsburgh and setting forth the terms of the contract.

Whereas, the Urban Redevelopment Authority of Pittsburgh (hereinafter referred to as the "Authority") has secured a private redeveloper, The Equitable Life Assurance Society of the United States, (hereinafter referred to as the "Redeveloper") for Project Areas 1-B and 1-C of the redevelopment area in the First and Second Wards of the City of Pittsburgh, as shown on the Plan prepared by the Planning Commission of the City of Pittsburgh, designated as Plan of Redevelopment Area No. 1, which area has been certified to the Authority as subject to redevelopment in accordance with the provisions of the Urban Redevelopment Law; and

Whereas, by Ordinance No. ----- of 19--, Council has approved the Proposal for the redevelopment of Project Areas 1-B and 1-C in Redevelopment Area No. 1 in the First and Second Wards of the City of Pittsburgh; and

Whereas, the City of Pittsburgh is empowered by the terms of the Redevelopment Cooperation Law, Act of May 24th, 1945, P. L. 982 to vacate streets, sell and convey its property and to do any and all things necessary or convenient to aid and cooperate in a redevelopment undertaking by the Authority; and

Whereas, in furtherance of the redevelopment of the area above referred to, it becomes necessary to vacate certain streets and alleys, to widen Stanwix street and to establish a set back line on Ferry street, and also to readjust and relocate existing municipal facilities.

Now, therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That, subject to the provisions of Section 2 of this Ordinance the Mayor and the Director of the Department of Public Works be, and hereby they are, authorized and directed to enter into a contract, in a form to be approved by the City Solicitor, for and on behalf of the City of Pittsburgh with the Urban Redevel-

opment Authority of Pittsburgh containing in substance the following terms:

A. The City of Pittsburgh agrees for the considerations to be received by the City as hereinafter set forth:

(1) To vacate all streets and alleys in the Redevelopment Project Area 1-B as shown on the Plan of Redevelopment Area No. 1, to be vacated in whole or in part, it being understood that such vacation shall not occur until title to the contiguous property is in the Authority or the Redeveloper and provided that the Authority or the Redeveloper agree to claim no damages from the City by reason of such vacation, that Liberty avenue will not be vacated until the proposed relocation of Liberty avenue is fully completed, and that the time of vacation of the other streets is to be decided by agreement between the Redeveloper, the Authority, and the City of Pittsburgh;

(2) To convey to the Authority all right, title and interest which the City has in said streets and alleys so vacated;

(3) To cause a portion of Liberty avenue to be relocated substantially as shown on Plan of Redevelopment Area No. 1, grades therefor to be established, and the same to be reconstructed without cost to the Redeveloper;

(4) To widen, relocate, establish and adjust grades for, construct or reconstruct Stanwix street and establish a set back line on Ferry street as shown on Plan of Redevelopment Area No. 1;

(5) To locate, relocate, construct and reconstruct all sewer mains and water mains maintained by the City within the Project Area, or outside the area to the extent made necessary by the construction to be undertaken by the Redeveloper in the area, without any cost to the Authority or the Redeveloper, it being understood, however, that the cost of the sewer laterals and the

water service lines to the Redeveloper's buildings is to be borne by the Redeveloper; and

(6) To adopt such ordinances, to execute such agreements and do such other acts as may be necessary to carry into effect the terms of the said contract.

B. The Authority agrees to enter into a redevelopment contract whereby the Redeveloper will:

(1) Undertake to grant to the City of Pittsburgh free of charge the necessary rights of way, if any, for location, construction and maintenance of sewers and water lines necessary to serve the project and adjacent areas, at locations which will not interfere with the locations of the buildings now or later to be constructed,

(2) Undertake to dedicate for street purposes to the City of Pittsburgh, a strip of ground twenty (20) feet wide on the westwardly side of Stanwix street, extending from Liberty avenue to the property owned by Stanwix Parking Inc.;

(3) Undertake to dedicate for street purposes to the City of Pittsburgh so much of its property now or hereafter owned by the Redeveloper for the relocation of Liberty avenue as shown on the Plan of Redevelopment Area No. 1; and

(4) Undertake to dedicate for street purposes to the City of Pittsburgh a strip of ground approximately ten (10) feet wide for the widening of Ferry street on its westerly side extending the full length of said street, to insure the said street a width of eighty (80) feet; provided, however, that this provision (4) shall apply only with respect to land and shall not operate as a waiver of damages by the Redeveloper in the event that it becomes necessary to alter or demolish any building for the purpose of street widening.

Section 2. That the contract described in Section 1 above shall not be executed on behalf of the City

of Pittsburgh until after the Redevel-
oper shall have executed the rede-
velopment contract and shall have
delivered the same to the Authority
for execution.

Section 3. That upon the execution
and delivery of the contract described
in Section 1 of this Ordinance, the
proper officers and departments of the
City are directed to prepare necessary
ordinances, plans, and specifications
and do such other acts, as may be
necessary to carry into effect the City's
obligations, pursuant to the terms of
said contract.

BY AND BETWEEN the UNITED
STATES OF AMERICA, acting through
the Public Health Service of the Fed-
eral Security Agency,

AND

CITY OF PITTSBURGH, a municipal
corporation, acting through the Mayor
and the Director of the Department
of Public Health.

W I T N E S S E T H :

For the purpose of establishing a
model health department center for
the demonstration of public health
services essential for the prevention
and control of disease of public health
importance, methods of reduction of
social and economic effects of those
diseases, methods of bringing together
public and private health agencies and
public and private welfare agencies for
combined action towards solution of
health problems, methods of training
personnel for State and local health
work, and methods of collection and
analysis of pertinent data for con-
tinuous evaluation of health program
activities and for precise determina-
tion of local health problems, the Unit-
ed States of America, hereinafter
called the Government, acting by and
through the Public Health Service,
hereinafter called the Service, and the
City of Pittsburgh, Pennsylvania, here-
inafter called the City, hereby agree to
cooperate in the establishment, equip-
ment, maintenance and operation of a
model health department center, here-
inafter called the Center, in the said
City as follows:

I.

The Service will permit the use of
adequate and suitable building space,
not more than 50% of which shall be
used as office space for personnel em-
ployed directly by the City, at the
Public Health Service Marine Hospital,
located at 40th street and Penn avenue,
Pittsburgh, Pennsylvania, for the oper-
ation of the said Center;

II.

The City shall maintain, operate and
keep in repair all of the said build-

ings and the grounds forming a part thereof and shall furnish the necessary heat, power, water, repair, upkeep, janitor, gardener and other services required therefor, all without expense to the Government;

III.

The City shall not make any structural changes or permanent alterations in the said buildings or grounds without the advance written approval of the Government. All requests therefor shall be made to such office or unit of the Service as may from time to time be designated by the Service;

IV.

The City shall provide all equipment, materials and supplies, and all clerical and technical personnel, required for the establishment and operation of the said Center, and shall assume all responsibility for such operation, and hold the said Government harmless from and against any and all liability for damages of whatsoever kind or nature to any person or persons or property resulting from the operation, maintenance or condition of the said buildings or grounds and/or from the said establishment, operation or termination of the said Center;

V.

The Service shall make available to the City its technical knowledge and advice in the planning, establishment, and operation of the said Center, and shall assist the City as hereafter shall be arranged between the parties, in the utilization of the said Center for conducting demonstrations, pilot studies, investigations, research and training in public health work;

VI.

This cooperative arrangement shall be effective as of _____, 1950, and shall continue until notice in writing of intent to terminate the arrangement has been given by either party to the other. Upon such termination or as soon thereafter as is reasonable, the City shall return the said buildings and grounds to the

Service in the same condition as when received except for ordinary wear and tear, and except as may be otherwise agreed by the parties hereto pursuant to the provisions of subparagraph III above stated.

This Agreement is executed by the United States of America under authority of Sections 301, 311, 314(c) and 321(a) of the Public Health Service Act, as amended (42 U. S. C. 241, 243, 246(c) and 248(a), and by the City of Pittsburgh under authority of Ordinance No. _____, approved _____, 1950, and recorded in Ordinance Book _____, Page _____.

No. 30

AN ORDINANCE — Authorizing and directing the Mayor and the Director of the Department of Public Works, for and on behalf of the City of Pittsburgh, to enter into an agreement with the School District of Pittsburgh relating to the vacations of South Eighth street from Carson street East to Selby way, Sarah street from South Ninth street to South Seventh street and Mint way from South Ninth street to a property line 120 feet east of South Seventh street and the performance of certain work in connection therewith.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of the Department of Public

Works, for and on behalf of the City of Pittsburgh, are hereby authorized and directed to enter into an agreement with the School District of Pittsburgh relating to the vacations of South Eighth street from Carson street East to Selby way, Sarah street from South Ninth street to South Seventh street and Mint way from South Ninth street to a property line 120 feet east of South Seventh street and the performance of certain obligations of said School District in connection therewith; said Agreement to be in the following form:

THIS AGREEMENT

Made this _____ day of _____, 1950, between SCHOOL DISTRICT OF PITTSBURGH, a quasi municipal corporation of the Commonwealth of Pennsylvania, with its office in the City of Pittsburgh, County of Allegheny, in said Commonwealth, party of the first part, hereinafter called the "School District",

and

CITY OF PITTSBURGH, a municipal corporation of the Commonwealth of Pennsylvania, party of the second part, hereinafter called the "City", witnesseth:

1. The City, for the purpose of aiding the School District in the creation of a public playground, agrees to vacate parts of the following streets in the Seventeenth Ward; viz:—South Eighth street from Carson street East to Selby way, Sarah street from South Ninth street to South Seventh street, and Mint way from South Ninth street to the property of St. John's Church.

2. In consideration of such street vacations, the School District agrees:

(a) To remove all curb returns at the intersection of all vacated streets with existing streets, and to construct curbs and sidewalks at all such intersections in accordance with City Specifications and Standard Plans.

(b) To provide for the collection of all storm water draining from Mint way at the east end thereof at the property line 120 feet east of South Seventh street.

(c) To protect an existing 72-inch public sewer which crosses Mint way as vacated and the property of the School District, by constructing a reinforced concrete encasement over said sewer wherever structures may be erected above said sewer.

(d) To permit the City or its Contractor the right and privilege of entry upon said School District playground property at any time it may be deemed necessary or advisable to repair, encase with reinforced concrete, or reconstruct the said 72-inch public sewer wherever the same crosses under said property and where it has not previously been encased with reinforced concrete, and the School District hereby waives all claims for damages due to such entry upon its said property and any repair or reconstruction of said sewer.

(e) To furnish and install City type fire hydrants, gate valves and appurtenances for blow off purposes, where the abandonment of water lines on streets to be vacated, creates dead ends on active water mains.

(f) To perform all the above obligations under the supervision and subject to the approval of the Director of the Department of Public Works of the City.

(g) To pay or cause to be paid, to the Treasurer of the City all street vacation expenses incurred by the City, and should Viewers proceedings be involved, to pay any damage awards, court costs, advertising costs, hand bills, and all other expenses that may be incurred in such Viewers proceedings, the above charges to be forthwith paid upon the City Solicitor's certification to the City Treasurer of the amount of said charges.

3. This agreement is executed by the School District pursuant to a resolution of the Board of Public Education adopted at a regular meeting thereof held on the _____ day of _____, 1950, and the City of Pittsburgh, pursuant to Ordinance No. _____, approved _____, 1950, and recorded in Ordinance Book _____, Page _____.

No. 31

AN ORDINANCE—Granting unto the First Trinity Evangelical Lutheran Church the right to construct, maintain, and use a fence in the easterly sidewalk area of Morgan street in the Fifth Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the First Trinity Evangelical Lutheran Church, its successors or assigns, is hereby given the right and authority to construct, maintain, and use, at its own cost and expense, a fence in the easterly sidewalk area of Morgan street between the northerly line of Allequippa street and the southerly line of Berthoud street adjoining its cemetery property in the Fifth Ward, Pittsburgh, Pennsylvania.

The fence to be built by virtue of this Ordinance shall be of steel mesh, the center line of which shall be parallel with and distant ten feet westwardly from the easterly line of Morgan street.

The said fence shall be constructed to the provisions of this Ordinance and in accordance with the plan, identified as Accession No. B-643 on file in the office of the Division of Public Utilities, Bureau of Engineering, Department of Public Works, Pittsburgh, Pennsylvania.

Section 2. The said Grantee, prior to the beginning of the construction of the fence shall submit to the Director of the Department of Public Works of the City of Pittsburgh a complete set of plans in triplicate showing the location of said fence. Said plans and the construction of the said fence shall be subject to the approval and supervision of the said Director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets, and to the Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general Ordinance which may hereafter be passed relating to the same.

Section 4. The said Grantee shall bear the full cost and expense for the repaving and repair of the street pavement and sidewalk damaged, and the repair of sewers and other surface and sub-surface structures which may be in any way damaged or disturbed by

reason of the construction, maintenance and use of said fence. All of said work, including repairs of street and sidewalk, shall be done in a manner and at such times as said Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said fence upon giving to the said Grantee, at least six (6) months written notice from the proper officers of the City pursuant to a resolution or Ordinance of Council; and the said Grantee, its successor; or assigns, when so notified, shall at or before the expiration of the said six (6) months, remove the said fence at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Grantee, its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance and use of said fence, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said Grantee shall file with the proper officers of the City, its certificate of acceptance to be executed by the said Grantee.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 44

AN ORDINANCE—Authorizing and directing the Mayor and the Director of the Department of Public Works of the City of Pittsburgh, to enter into a General Agreement with the Trustee of Pittsburgh Railways Company in Reorganization Proceedings, providing for granting to the City of Pittsburgh, the right to attach street light fixtures on poles which the said Trustee of Pittsburgh Railways Company in Reorganization Proceedings owns or in which it has certain rights within the City and other provisions pertaining thereto.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of Public Works of the City of Pittsburgh be and they are hereby authorized and directed to enter into a General Agreement with Thomas Fitzgerald, Trustee of Pittsburgh Railways Company in Reorganization Proceedings, providing for, inter alia, Granting to the City of Pittsburgh the right to attach street light fixtures on poles which Thomas Fitzgerald, Trustee of Pittsburgh Railways Company in Reorganization Proceedings owns or on which they have certain rights within the City and containing substantially the following provisions:

(A) Wherever in the Agreement the terms "fixture(s)," "street light fixture(s)," "attachment(s)," or "street light attachment(s)" are used, these terms shall be interpreted to include all appurtenances thereto. Wherever the terms "cost(s)" or "expense" are used, the same shall include a proper allocation of overhead expense.

(B) Wherever in the Agreement the terms "Pittsburgh Railways Company" or "Railways Company" are used, these terms shall be interpreted to include

the Trustee or Trustees of Pittsburgh Railways Company in Reorganization Proceedings in the course of the duration of the said proceedings in the United States District Court for the Western District of Pennsylvania.

(C) Whenever the City desires to attach a street light fixture to any of said poles, it shall make written application to Railways Company for such privilege, using therefor an application form setting forth the location of the pole and the space to be occupied thereon by the fixture. If the attachment in the location and manner indicated is approved by Railways Company, it shall endorse the form so to indicate and return it to the City. If the proposed attachment is not approved or rearrangement of facilities or replacement or relocation of the pole is deemed necessary, the form shall be filled in so to indicate and returned. If such work of rearrangement, replacement or relocation is authorized by the City, it shall so indicate and return the form for endorsement. Upon completion of the form and any necessary work, the City shall have the right to make the attachment as provided in the Application-Permit and in accordance with and subject to the provisions of the Agreement. The City shall also give Railways Company written notice when any street light fixture is permanently removed from a pole, using therefor a notice of removal form.

(D) The City shall construct and maintain its street light fixtures on said poles in accordance with the requirements of Edison Electric Institute, Publication No. M12, or any revision thereof or substitute therefor, and in conformity with any rules, orders, or specifications that may be imposed by the Pennsylvania Public Utility Commission or other Governmental Agencies having jurisdiction. Conductors within internally wired fixtures shall meet the same voltage test requirements as established in Paragraph 11.06, Part 2, of said Publication No. M-12 for conductors connected to street light fixtures; provided that when City light wires will connect to Duquesne Light Company service on

the inside of iron poles, the size and insulation of the cable shall be sufficient to withstand short circuit voltage of 25,000 volts.

(E) (1) Whenever rearrangement or transfer of facilities, either those of Railways Company or other party or parties to whom Railways Company, or predecessors thereof, may have previously given permission to attach to said poles, is necessary in order to accommodate the street light fixture which the City proposes to install or relocate, the City shall be required to bear the expense of such rearrangements or transfers, including all expense incurred by Railways Company in making any other changes in its overhead system resulting therefrom.

(2) Whenever, in order to provide suitable space for a street light fixture which the City proposes to install, it is necessary to replace a pole in which Railways Company holds entire or partial equitable ownership, Railways Company shall erect or cause to be erected a new and adequate pole and the City shall pay the Railways Company for the sacrificed life of the existing pole and shall bear the entire cost of removal of the said pole and installation of the new pole, plus the entire cost and expense of rearrangement and transfer of all facilities in connection therewith, including all expense incurred by Railways Company in making any other changes in its overhead system resulting therefrom.

(3) Whenever, at the request of the City to provide for a street light fixture, it is necessary to change the location of a pole in which Railways Company holds entire or partial equitable ownership, the City shall bear the entire cost of such relocation, and shall bear the entire cost and expense of rearrangement and transfer of all facilities in connection therewith, including all expense incurred by the Railways Company in making any other changes in its overhead system resulting therefrom, provided, however, that Railways Company shall not be required to replace any pole in a location, which in its judgment, is not suitable for its facilities or operations.

(4) Whenever, in any case where the City maintains a street light fixture on a pole and Railways Company or any other party to whom Railways Company may give permission to attach to such pole desires to place additional facilities thereon, which facilities said pole is not adequate to support in addition to the fixture of the City, but would be adequate except for the presence of the fixture of the City, and said pole is replaced for said reason, the City shall pay the sacrificed life of the existing pole and shall bear the entire cost of removal of said pole and installation of a new and adequate pole, and the expense of rearrangement and transfer of all facilities on said pole, including all cost and expense incurred by the Railways Company in making any other changes in its overhead system resulting therefrom.

(5) Whenever, in any case where the City maintains a street light fixture on a pole, it becomes necessary, in the opinion of the Railways Company, to remove or replace said pole, change its location, or rearrange the facilities on it for any reason other than is covered above, the City shall remove, rearrange or transfer its attachments as required at its own expense.

(6) All parties whose facilities are required to be relocated, transferred, rearranged or altered in any manner under the provisions of this Agreement, or to whom the City may be liable under the provisions of Paragraph "G" of this Agreement, shall bill the City direct for all cost, expense or damage, etc., and the City shall pay the same direct to such parties and Railways Company shall have no responsibility whatsoever with respect to any such changes or the settlements or collection thereof.

(F) The City of Pittsburgh shall pay Railways Company in semi-annual installments for the use of each trolley pole as provided in this Agreement, at the rate of \$2.50 per pole per annum, provided, however, that upon the acceptance by the City of Pittsburgh of the sum of \$101,140.06, in full set-

tlement and discharge of all its claims against Pittsburgh Railways Company and Pittsburgh Motor Coach Company, in accordance with the terms of the combined plan and the reorganization of said companies, or of such other amount as shall be mutually agreed upon between the City of Pittsburgh and the Trustees of said companies, the within provision for the payment of \$2.50 per pole per annum shall be cancelled and no charge shall be made therefor.

(G) The City shall indemnify, protect and save harmless Railways Company from any loss or damage to its property and shall also indemnify, protect and save harmless Railways Company and any other party or parties to whom Railways Company, or predecessors thereof, may have given permission to attach to said poles from and against all claims, demands, suits and actions and all costs and expense in connection therewith, for damage to property or injuries to or death of persons, including claims under any Workmen's Compensation law or under any plan for Employees' disability and death benefits, which may arise or be caused by reason of the placement, maintenance, presence, use or removal of said street light attachments; and the City shall defend all such suits and actions which may be brought against the aforesaid parties or any of them, and to pay all costs and charges of said suits and actions, and all expenses thereof and all verdicts, judgments, recoveries and decrees therein.

(H) Nothing herein contained shall be construed as affecting any rights or privileges on said poles previously conferred by Railways Company, or predecessors thereof, on others not parties to this agreement, nor shall the right of Railways Company be restricted in the granting of such rights and privileges in the future.

(I) The City shall not assign or otherwise dispose of its rights or privileges under the agreement to any other party without the written consent of Railways Company.

(J) If the City shall at any time

fail to comply with any of the foregoing terms of the agreement, and such failure shall continue for sixty (60) days after written notice of such failure shall have been served upon it, then all rights of the City as to the pole or poles in regard to which such failure shall have occurred shall forthwith cease and Railways Company shall have the right to remove therefrom the fixtures of the City; without liability for damages to the City on account of said removal, and the City agrees to bear the entire cost of such removal; provided, however, that nothing herein shall be construed to prevent Railways Company from disconnecting, repairing or removing at any time after notice to the City and its failure to act, any fixture which it deems dangerous to the safety of its facilities or service. Any such disconnection, repair or removal shall be at the expense of the City.

(K) It is understood and agreed that the agreement is entered upon by the parties hereto subject to the approval of the United States District Court for the Western District of Pennsylvania and the requirements of Section 911 of the Public Utility Law and the City undertakes the filing requirements thereof, and that the Agreement shall become effective as soon after the date first above written as is possible under said requirements. The Agreement may be terminated by either party at the end of three (3) years after the date first above written, upon one (1) year's notice in writing to the other party, provided that if not so terminated it shall continue in force thereafter until terminated by either party at any time upon one (1) year's notice in writing to the other party as aforesaid; provided, however, that this agreement is subject to cancellation prior to or upon termination of the reorganization proceedings now pending in the United States District Court for the Western District of Pennsylvania at No. 20225 in Bankruptcy, if such cancellation is directed by Order of the Court.

Upon termination or cancellation as above provided, the City shall at its

own expense remove all its street light attachments from the poles of Railways Company. In the event of failure of the City to remove its street light attachments within thirty (30) days of such termination or cancellation, the Railways Company may remove same without liability for damages to the City on account of said removal and the City agrees to bear the entire cost of such removal.

The Railways Company reserves the right, at the end of three years from the date of this agreement, to revoke permission for the use of any of its railway pole or poles granted under this agreement, upon giving one (1) year's written notice to the City of intention to revoke such permission, and upon receipt of said notice, the City shall remove its street light attachments from said pole or poles within one (1) year thereafter; provided, however, that in event the Railways Company shall at any time during the life of this agreement cease to operate the railways facilities on which the City has its street light attachments, then the Railways Company may revoke permission for the use of such pole or poles granted under this agreement, upon giving thirty (30) days' written notice to the City of intention to revoke such permission, and upon receipt of said notice the City shall remove its street light attachments from such pole or poles within thirty (30) days thereafter, and, in default of said removal the Railways Company may remove the same without liability for damages to the City on account of said removal, and the City hereby agrees to bear the entire cost of such removal.

Section 2. Said Agreement shall be approved by the City Solicitor.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Authorizing application to the United States of America for an advance to provide for the advance planning of non-federal public works under the terms of Public Law No. 352, 81st Congress, approved October 13, 1949, and the execution of agreements with the authorized representatives of the Community Facilities Service.

Whereas, The Congress of the United States in Public Law No. 352, 81st Congress, approved October 13, 1949, has authorized the Community Facilities Service in the General Services Administration to advance funds, these advances of funds to non-federal public agencies to assist in the costs of the plan preparation of their public works; and,

Whereas, The City of Pittsburgh desires to take advantage of this opportunity to finance the preparation of necessary plans for public works; Now, Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Director of the Department of Public Works shall be and he is hereby authorized and directed to make application in behalf of the Department of Public Works of the City of Pittsburgh to the Community Facilities Service in the General Service Administration for advances under Public Law 352, 81st Congress, approved October 13, 1949, to defray the cost or assist in defraying the cost of engineering expenses in connection with the plan preparation of public works in the City of Pittsburgh, the total application for advances not to exceed the sum of \$500,000.00.

Section 2. Applications shall include but not be limited to the following:

Combined Automotive Repair Shop
and Warehouse

Sewerage System in the Lincoln
Place Drainage Basin

Negley Run Boulevard.

Section 3. That the Mayor and the Director of the Department of Public Works shall be and they are hereby authorized and directed to execute, and the City Controller to countersign, such agreements with the authorized officials of the Community Facilities Service in the General Service Administration as may be required under the said Public Law to obtain the advances provided that any agreement so entered into shall be in form approved by the said City Solicitor and shall clearly provide that the advances shall be repaid, without interest, only if and when the City begins the construction of the public works for which plans have been prepared and out of moneys then to be appropriated by the City Council, or if the Administrator of General Service shall determine that the City has not acted in good faith either in obtaining the advance or in failing to undertake or start the construction of such public works.

Section 4. That any Ordinance or

part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE — Taking over for maintenance Ohio River boulevard from Superior avenue to the McKees Rocks Bridge Traffic Circle, and from the Traffic Circle to the dividing line between the City of Pittsburgh and the Borough of Bellevue, and the Termon Avenue Approach from the Traffic Circle to California avenue, and taking over the Termon Avenue Approach as a City street.

Whereas, The City of Pittsburgh entered into an Agreement with the County of Allegheny dated October 11, 1949, by authority of Ordinance No. 363, approved August 1, 1949, pertaining in part to the Ohio River boulevard, the Termon Avenue Approach and the McKees Rocks Bridge Traffic Circle, and

Whereas, Said Agreement shall not become effective in any of its provisions until such time as the City of Pittsburgh has passed all the necessary and required ordinances under this Agreement and certified copies of the same shall have been filed with the County of Allegheny, and,

Whereas, By Agreement dated October 28, 1930, by authority of Ordinance No. 411, approved September 27, 1930, the City of Pittsburgh has already agreed with the County of Allegheny to maintain and keep in good repair California avenue, (inadvertantly called Ohio River boulevard in the said Agreement and said Ordinance) excepting curb and sidewalks, from a point 15 feet northwest of Atmore street to the westerly line of Superior avenue, any further agreement or ordinance concerning maintenance of

that portion of California avenue is deemed unnecessary; Now, Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That those two portions of Ohio River boulevard within the limits of the City of Pittsburgh, not including the McKees Rocks Bridge Traffic Circle, one portion extending from the westerly line of Superior avenue to the easterly intersection of the Traffic Circle near the intersection of Wortman and Florida streets, and the other portion extending from the westerly intersection of the Traffic Circle at the westerly line of Davis avenue to the dividing line between the City of Pittsburgh and the Borough of Bellevue, and the Termon Avenue Approach from the northerly intersection of the Traffic Circle, at Station 60+15.50 as shown on County Plans File No. 399, to California avenue, at Station 71+88.60 thereon, shall be and the same are hereby taken over for maintenance, the same consisting of maintaining and keeping in good repair the Ohio River boulevard and the Termon Avenue Approach, including lighting, bridge structures, overhead foot bridges, curbs, sidewalks, retaining walls, storm water drainage system and slopes.

The County of Allegheny shall be forever afterwards relieved of any responsibility whatsoever for the maintenance and repair of the Ohio River boulevard and of the Termon Avenue Approach and the City of Pittsburgh shall be forever afterwards relieved of any responsibility whatsoever for the maintenance and repair of the McKees Rocks Bridge Traffic Circle.

Section 2. The Termon Avenue Approach from the northerly intersection of the Traffic Circle at Station 60+15.50 to California avenue at Station 71+83.60 shall be and the same is hereby taken over as a street in the Public Street System of the City of Pittsburgh, subject to the vacation of the same by petition to the Court of Quarter Sessions by the County of Allegheny, and with the City of Pittsburgh joining in the prayer of said petition.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 50

AN ORDINANCE—Authorizing and directing the Mayor and the Director of the Department of Public Works to execute a contract with the United States of America, Veterans' Administration, relative to the construction of the Veterans' Administration General Medical and Surgical Hospital north of Pitt Stadium.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of the Department of Public Works are hereby authorized and directed, on behalf of the City of Pittsburgh, to execute an Agreement with the United States of America, Veterans' Administration, relative to the construction of the Veterans' Administration General Medical and Surgical Hospital north of Pitt Stadium, in substantially the following form:

A G R E E M E N T

This Agreement, entered into this _____ day of _____,

1950, between the City of Pittsburgh, a municipal corporation of the Commonwealth of Pennsylvania, acting by and through the Mayor and the Director, Department of Public Works, hereinafter referred to as the City, and the United States of America, acting by and through the Administrator of Veterans' Affairs, hereinafter referred to as the Government,

WITNESSETH

Whereas, Federal Board of Hospitalization Resolution No. 163, dated May 24, 1945, approved by The President on May 30, 1945, authorized the Government to acquire the necessary land in the City of Pittsburgh, State of Pennsylvania, and construct thereon a General Medical and Surgical Hospital, and

Whereas, the use of the land acquired and the construction and operation thereon of a General Medical and Surgical Hospital will require that the City—

- (a) Vacate those portions of Allequippa and Berthoud streets lying within the boundaries of the land;
- (b) Furnish water to the University of Pittsburgh to replace the existing source of water supply to the University which is to be eliminated in connection with the construction of the hospital;
- (c) Either abandon or remove, at its election, the existing 8" water line in Allequippa street, prior to the commencement of the proposed construction of the hospital;
- (d) Provide a 12" cast iron water line in Berthoud street, and extend said water line to the property line of the hospital site;
- (e) Provide a standby water service which will insure the hospital, when constructed, a water supply of, at least 2200 gallons per minute, said standby water service to be located by the

City in a place accessible for connection to the hospital water supply system; and

- (f) Assume, upon the relocation and reconstruction of University drive, by the Government, to standards not less than those of the City for City streets, the responsibility of removing snow and ice from and spreading sand, salt, granulated slag, cinders, or like material upon said relocated University drive.

Now, Therefore, in consideration of One Dollar (\$1.00), receipt of which is acknowledged, and other good and valuable considerations resulting to the City by reason of the location and the construction in the City of Pittsburgh of a General Medical and Surgical Hospital, it is mutually agreed between the City and the Government:

1. That immediately upon the execution of this Agreement the City will initiate appropriate legal proceedings to vacate those portions of Allequippa and Berthoud streets lying within the boundaries of the land acquired for the hospital site and will hold the Government harmless from any claim for damages by reason of said vacation proceedings and the vacation, as public streets, of said portions of Allequippa and Berthoud streets.

2. Within 90 days from the date of this Agreement, the City will notify the Assistant Administrator for Construction, Supply and Real Estate, Veterans' Administration whether it will abandon or relocate the 8" water line now located in Allequippa street.

3. During the calendar year of 1950 the City will complete the installation of a 12" cast iron water line from Morgan and Berthoud streets to the property line of the hospital site.

4. That upon the extension of said 12" water line to the property line, the Government will install at its expense water meter pit and

water meters. The type of water meters will be subject to the approval of the City which agrees to maintain, repair and replace said water meters after their installation. The City shall have a right of ingress and egress for the purpose of reading said water meters and maintaining, repairing and replacing same.

5. After the hospital is completed, and upon the filing by the Government with the Board of Water Assessors of the City, not later than the 31st day of December of each year, a certified written statement, of the daily number of persons within the hospital as patients, including those receiving hydro-therapy treatments in the outpatient clinic, and as attendants, nurses, doctors and others regularly employed for caring for such patients during the year, the City will furnish, free of charge, 250 gallons of water per day per person, as herein defined, and for the use of water above that amount will charge at the rate of 7 cents per thousand gallons. An additional charge will be made by the City for water meter service according to the rates therefor published by the City in accordance with the provisions of City Ordinance No. 114, approved March 7, 1926.

6. Within a minimum of nine months prior to the completion of construction of the General Medical and Surgical Hospital the Government will notify the Director of Public Works of the City of Pittsburgh of the tentative completion date of construction. Upon receipt of such notice the City will immediately commence installation of the standby water service to provide not less than 2200 gallons of water per minute and complete the installation thereof, including the bringing of the water line to the property line, 60 days prior to the tentative date of completion of construction of the hospital as stated in the notice to be given to the City as herein provided.

7. That the Government will in-

stall at its expense a meter pit and water meters at or near the point where the water line to provide standby service enters the Government property, the type of water meter to be installed to be subject to the approval of the City, and the City assume the responsibility for the maintenance, repair and replacement of said water meters to be installed by the Government, and shall have a right of ingress and egress to said water meters for the purpose of reading same and repairing, replacing and maintaining said water meters.

8. That should it become necessary in connection with the installation of said standby water service, the Government will grant to the City an easement along the entire easterly side of University drive as relocated and reconstructed, together with the necessary right of ingress and egress to repair, replace, and maintain said water line. The City agrees to hold the Government harmless from any claims or damages in connection with the installation of said water pipe line and/or the maintenance, repair and replacement thereof.

9. That the City will contract for the regrading, recurbing, repairing and reconstruction of that portion of Allequippa street between the intersection of Allequippa street and University drive, as relocated and reconstructed, to a point about 72 feet northwardly from the northerly property line of Breckenridge street, including the relocation of City owned utilities in that portion of Allequippa street herein described, to connect Allequippa street with University drive as relocated. Further, the City will contract for the regrading, recurbing, repaving and reconstruction of that portion of Breckenridge street beginning at the intersection of the westerly line of Allequippa street and the northerly line of Breckenridge street and running westwardly about 142 feet.

10. That upon request by the Government, the City will issue per-

mits to the Government, without charge, authorizing the Government to enter upon Levon way and Breckenridge street for the purpose of connecting with City owned sewers therein located, without cost to the Government, provided the Government will backfill and repave that portion of said streets which may be dug up to permit such sewer connections. Such backfilling and repaving of City streets in connection with the installation of and connection with City sewers to be accomplished in accordance with the regulations of the City of Pittsburgh relating thereto that are in effect at the time this Agreement is executed.

11. The City will, without cost to the Government, remove snow and/or ice from and spread sand, salt, granulated slag, cinders, ashes, or other like material upon University drive, as relocated by the Government, whenever said University drive becomes covered with snow and/or ice, but the City will not be responsible for and will not contribute to the cost of maintenance or the construction or reconstruction of said University drive.

12. The Government agrees that in the solicitation of bids for the construction of the hospital it will direct the attention of all prospective bidders to the authority of the City, through the Director, Department of Public Works, City of Pittsburgh, concerning the issuance of permits for the use of City streets as related to routes and load limit.

13. That any action modifying, altering, changing or otherwise affecting the terms of this Agreement, subsequent to the execution thereof shall be of no force and effect unless approved by both parties to the Agreement.

No Member of or Delegate to the Congress or Resident Commissioner shall be admitted to any share or part of this Agreement or to any benefit to arise therefrom. Nothing, however, herein contained shall be con-

strued to extend to any incorporated company if the Agreement be for the general benefit of such corporation or company.

The City warrants that it has not employed any person to solicit or secure this Agreement upon any agreement for commission, percentage, brokerage or contingent fee. Breach of this warranty shall not apply to commissions payable by the City upon licenses or sales secured or made through bona fide established commercial or selling agencies maintained by the City for the purpose of securing business.

Whereas, the use of the land acquired and the construction and operation thereon of a Neuropsychiatric Hospital will require that the City—

(a) Construct an improved access

roadway 25 feet in width, from Washington Boulevard to the Leech Farm Sanitarium provided that, in connection therewith, the Veterans Administration agrees to reimburse the City for the cost of that portion of said roadway lying within the boundaries of the hospital site, as hereinafter provided.

(b) Construct, without cost to the Veterans Administration, a 12" cast iron water line terminating at or adjacent to the boundary of the hospital site and the intersection of East Chester street and Undercliffe way.

(c) Construct, without cost to the Veterans Administration, a combined sewer from the westerly boundary of the hospital site to the trunk sewer on Washington boulevard.

(d) Accept all storm and sanitary effluent into the combined sewer to be constructed by the City.

(e) Will, upon request, grant the Government a permit for the installation and maintenance in Fishel street of hospital water service lines.

Now therefore, in consideration of One Dollar (\$1.00) paid to the City, receipt of which is acknowledged, and other good and valuable considerations resulting to the City by reason of the location and construction by the Government of a Neuropsychiatric Hospital in the City of Pittsburgh it is mutually agreed between the City and the Government, as follows:

1. The City will construct an improved access road of a minimum of 25 feet in width between curbs from Washington boulevard to the City of Pittsburgh owned and operated T. B. Hospital known as the Leech Farm Sanitarium. The cost of said road to be paid by the City except for that portion of said road which is located north of the north boundary line of the Leech Farm Sanitarium, said line having a bearing of North 77° 12' 40" West from the Northeast corner of the Leech Farm Sanitarium, being a common corner between the Leech Farm Sani-

tarium and the Veterans Administration hospital property. As to that portion of said road located within the excepted area, as herein described, the Government will pay the cost of constructing and paving, including the installation of sidewalks, street lighting, curbing and drainage. The computation of cost to be paid by the Government will be based upon a center line measurement. Further, The Government agrees to pay for such additional roadway, if any, within the Veterans Administration property which it may request the City to construct. The City agrees to maintain and repair all of said access road including that portion thereof for which the Government is paying the cost of constructing and paving as herein provided. In exchange for the assumption, by the City, of the maintenance and repair of that portion of the road the cost of constructing and paving of which the Government is to pay the cost, the Government will permit the use thereof for purposes of ingress and egress to the Leech Farm Sanitarium.

2. The Government agrees to grant, upon request of the City, without charge, any easement or easements which may be required by the City in connection with the construction of said access road from Washington boulevard. Provided, however, that the easement or easements so requested by the City will not, in the opinion of the Administrator of Veterans Affairs, interfere with the use and enjoyment by the Veterans Administration of the land acquired for the Neuropsychiatric Hospital site.

3. The City will construct, without cost to the Government, a 12" cast iron water line terminating at or adjacent to the boundary of the hospital site and the intersection of East Chester street and Undercliffe way. The Government, at its own expense, will install a meter pit and water meter or meters at or near the point where the 12" cast iron water line enters the Hospital site. The type of water meter to be in-

stalled will be subject to the approval of the City, which agrees to maintain, repair and replace said water meter. For the purpose of reading, repairing, maintaining, and replacing said water meter the City shall have a right of ingress and egress thereto.

4. The City will construct, repair, maintain, and replace, without cost to the Government, a combined sewer from the westerly boundary of the hospital site to the trunk sewer on Washington boulevard. The Government will be responsible for the cleaning, repairing, maintaining, and replacing "debris catchers" located on the hospital site.

5. That the Government may, without cost, connect with and empty into the combined sewer to be constructed by the City all storm and sanitary effluent.

6. The Government agrees to grant, upon request of the City, and without charge, an easement 15 feet in width for the installation, at City expense, of a combined sewer. The approximate location of said easement is to run from Undercliffe way through the hospital site to the access road referred to in paragraph 1 herein. Provided, however, that when the exact location of said easement is fixed, it will not, in the opinion of the Administrator of Veterans Affairs, interfere with the contemplated use of the hospital property and is advantageous to the United States.

7. The City agrees upon request by the Government to grant, without charge, permission to install in Fishel street an 8" and a 12" water line. The Government to pay the cost of such installations and maintain, repair and replace any water lines it may install in Fishel street.

8. The Government agrees to grant, upon request of the City, and without charge, an easement across the hospital property for the installation, maintenance, repair and replacement of an 8" water line to Leech Farm Sanitarium. Provided, however, that

in the opinion of the Administrator of Veterans Affairs the requested easement will not interfere with the use and enjoyment of the hospital property and is advantageous to the United States.

9. The Government agrees, upon request by the City to grant, without cost, an easement 40 feet in width plus slopes, cuts and fills necessary for the maintenance, repair, and upkeep of said connecting road, together with the right to construct surface and sub-surface drainage structures to connect Wiltzie street, extended, with the access road from Washington boulevard to Leech Farm, as hereinbefore mentioned. Provided, however, that in the opinion of the Administrator of Veterans Affairs the requested easement will not interfere with the use and enjoyment of the hospital property and is advantageous to the United States.

10. The City agrees to remove, without cost to the Government, snow and ice and spread sand, ashes, cinders, salt, granulated slag or like material upon the road to be constructed from Washington boulevard to the Leech Farm, including that portion of said road the cost of which is being paid by the Government, as hereinbefore provided, and from the road, if constructed, connecting Wiltzie street, extended, with said road to be constructed from Washington boulevard to Leech Farm, whenever said roads become covered with snow and/or ice.

11. After the hospital is completed, and upon the filing by the Government with the Board of Water Assessors of the City, not later than the 31st day of December of each year, a certified written statement of the daily number of persons within the hospital as patients, including those receiving hydro-therapy treatments in the outpatient clinic, and as attendants, nurses, doctors and others regularly employed for caring for such patients during the year, the City will furnish, free of charge, 250 gallons of water per day per person, as herein defined, and for the

use of water above that amount will charge at the rate of 7 cents per thousand gallons. An additional charge will be made by the City for water meter service according to the rates therefor published by the City in accordance with the provisions of City Ordinance No. 114, approved March 7, 1926.

12. In the event the Government, at its own expense, grades, paves, curbs and provides drainage on Campana street from Fishel street southwardly for a distance of 312 feet, in accordance with City Standards for City Streets and pursuant to the approval of the Director, Public Works Department, City of Pittsburgh, the City will maintain, repair and replace said paved area, including drains, and will hold the Government harmless from any claims from adjoining property owners by reason of said grading, paving, curbing and drainage. The City further agrees to remove snow and/or ice and spread cinders, ashes, salt, granulated slag or like material on the area paved when same becomes covered with snow and/or ice.

13. The Government agrees that in the solicitation of bids for the construction of the hospital it will direct the attention of all prospective bidders to the authority of the City, through the Director, Department of Public Works, City of Pittsburgh, concerning the issuance of permits for the use of City streets as related to routes and load limit.

14. That any action modifying, altering, changing or otherwise affecting the terms of this Agreement, subsequent, to the execution thereof shall be of no force and effect unless approved by both parties to the Agreement.

No Member of or Delegate to the Congress or Resident Commissioner shall be admitted to any share or part of this Agreement or to any benefit to arise therefrom. Nothing, however, herein contained shall be construed to extend to any incorporated company if the Agreement

be for the general benefit of such corporation or company.

The City warrants that it has not employed any person to solicit or secure this Agreement upon any agreement for commission, percentage, brokerage or contingent fee. Breach of this warranty shall not apply to commissions payable by the City upon licenses or sales secured or made through bona fide established commercial or selling agencies maintained by the City for the purpose of securing business.

No. 52

AN ORDINANCE—Granting unto the American Radiator and Standard Sanitary Corporation, its successors or assigns, the right and privilege to construct, maintain and use column and wall footings in the westerly sidewalk area of Lighthill street adjoining its property in the Twenty-first Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the American Radiator and Standard Sanitary Corporation, its successors or assigns, is hereby given the right and privilege to construct, maintain and use, at its own cost and expense, column and wall footings in the westerly sidewalk area of Lighthill street, adjoining its property in the Twenty-first Ward, Pittsburgh, Pennsylvania.

The column footings to be constructed by virtue of this Ordinance are to occupy portions of the westerly sidewalk area of Lighthill street bounded and described as follows:

Beginning at the southerly line of Ridge avenue and the westerly line of Lighthill street; thence along the westerly line of Lighthill street the following distances, having the following elevations and projections into Lighthill street:

The said column and wall footings in Lighthill street shall be constructed to the provisions of this Ordinance and in accordance with Plan, identified as Accession No. B-644, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said American Radiator and Standard Sanitary Corporation, its successors or assigns, prior to the beginning of the construction of said column and wall footings, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the locations for the construction of said column and wall footings, said plan and the construction of said column and wall footings shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and

subordinate to the rights of the City of Pittsburgh and its power over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the same.

Section 4. The said Grantee shall bear the full cost and expense for the repaving and repair of the streets or sidewalks above affected by this improvement, or the repair of any structure which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said column and wall footings; all of said work, including repairs of streets or sidewalks, shall be done in a manner and at such time as said Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said column and wall footings upon giving to the said American Radiator and Standard Sanitary Corporation, its successors or assigns, at least six (6) months' written notice from the proper officers of the City pursuant to a resolution or ordinance of Council; and the said American Radiator and Standard Sanitary Corporation, its successors or assigns, when so notified, shall at or before the expiration of the said six (6) months, remove the said column and wall footings, and restore the streets to proper condition, at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said American Radiator and Standard Sanitary Corporation, its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance and use of said column and wall footings, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said American Radiator and Standard Sanitary Corporation, its successors or assigns, shall file with the proper officers of the City, its certificate of acceptance to be executed by the said American Radiator and Standard Sanitary Corporation, its successors or assigns.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AGREEMENT

THIS AGREEMENT, dated for convenience of reference as of the first day of _____, 1949, by and among

CITY OF PITTSBURGH

(hereinafter sometimes called the "City"), a municipal corporation of the Commonwealth of Pennsylvania located within the County of Allegheny,

ALLEGHENY COUNTY SANITARY AUTHORITY

(hereinafter sometimes called the "Sanitary Authority"), a body corporate and politic of the Commonwealth of Pennsylvania duly created and existing under the provision of the Municipality Authority Act of 1945, as amended, and

TOWNSHIP OF _____

BOROUGH OF _____

(hereinafter sometimes called the "Township"), a political subdivision/ "Borough"), a municipal corporation of the Commonwealth of Pennsylvania also located within the County of Allegheny,

WITNESSETH:

Whereas, The City and the Borough (Township) have heretofore constructed certain sewers but do not have facilities for the treatment and disposal of sewage, and sewage entering their sewers is being discharged without treatment into the rivers and streams; and

Whereas, A number of municipalities adjacent to the City have connected their sewers with the City's sewerage system; and

Whereas, There are many industries in the Pittsburgh area which are discharging large quantities of industrial wastes without treatment either directly into such rivers and streams or indirectly through the sewers of the municipalities in which they are located; and

Whereas, Such discharge of untreated sewage and industrial wastes has polluted the rivers and streams, and such pollution has made the rivers and streams undesirable as sources of public water supply and unsafe for bathing, boating and other recreational purposes; is detrimental to business and commercial interests in the Pittsburgh area; and constitutes a serious menace to the health and safety of the inhabitants of the City, the Borough (Township) and such adjacent municipalities; and

Whereas, The Sanitary Water Board of the Commonwealth of Pennsylvania (hereinafter sometimes called the "State Board"), acting to abate stream pollution, pursuant to authority conferred upon it by the Act of the General Assembly of Pennsylvania approved June 22, 1937, P. L. 1987, as amended, ordered and directed all sewered municipalities in Allegheny County, including the City and the Borough (Township),

(a) to discontinue the discharge of untreated sewage into the waters of the Commonwealth, and

(b) to submit, either alone or joint-

ly with any other mutually interested municipality or municipalities, construction plans and specifications for the necessary sewers, pumping stations and treatment works to collect and convey its sewage to a suitable site or sites and provide treatment thereof; and

Whereas, Shortly thereafter, the Sanitary Authority was organized by the County Commissioners of Allegheny County to collect, transport, treat and dispose of the sewage and industrial wastes of all the municipalities in the County and thus enable them to comply with the order of the State Board; and

Whereas, The Sanitary Authority, after extensive studies and investigations, submitted a metropolitan project to serve, under a uniform schedule of rates, almost all of the sewered municipalities in Allegheny County and the Cities of New Kensington and Arnold in Westmoreland County, but such project was not accepted by the affected municipalities; and

Whereas, The Sanitary Authority thereupon prepared a number of zone projects to serve groups of such municipalities, among which projects were several centering about the City; and

Whereas, Of these projects, the City has accepted one capable of serving a potential area comprising not only the whole City but also all or portions of fifty-eight adjacent municipalities, including the Borough (Township); and

Whereas, The City has executed an agreement with the Sanitary Authority for the preparation of detailed construction plans and specifications for a Sewage Disposal System adequate to meet the present and foreseeable future needs of such potential area, and has agreed to advance to the Sanitary Authority, as a loan, the entire cost of such plans and specifications, estimated at Two Million (\$2,000,000) Dollars; and

Whereas, Plans and specifications for any sewage disposal system will be valueless unless substantially all the municipalities to be served, or their residents, became legally bound

to accept and pay for sewage collection and treatment service from the time the system goes into operation until such time as the bonds to be issued for constructing the system shall be fully retired by the revenues thereof; and

Whereas, The agreement between the City and the Sanitary Authority therefore provides that every drainage basin beyond the City within the potential service area shall be excluded unless substantially all the municipalities therein, or their residents, become so bound; and

Whereas, The City is willing to pay, or to require its residents to pay, after the Sewage Disposal System is constructed and goes into operation, the same rates for service therefrom as shall be charged and collected throughout the remainder of the System's entire service area; and

Whereas, Such uniform rates would result in much lower cost to the Borough (Township) and its residents than would result from the construction and operation of a sewage disposal system for the Borough (Township) alone; and

Whereas, The State Board has recently ordered the Borough (Township) to inform it that the Borough (Township) has executed an agreement with the Sanitary Authority to participate in the project accepted by the City, or to inform the State Board that it has engaged a consulting engineer to proceed in some other manner with the preparation of plans for treatment of the sewage of the Borough (Township); and

Whereas, The execution of the present Agreement by the Borough (Township) will benefit the Borough (Township) and its residents and will constitute compliance with the orders of the State Board.

Now, Therefore, in consideration of the premises and the undertakings of each party to the others, the parties hereto, each intending to legally bind itself, its successors and its assigns, covenant and agree as follows:

1. The City and the Sanitary Authority reaffirm their agreement of August 1, 1949, whereunder the City agrees to loan to the Sanitary Authority Two Million (\$2,000,000) Dollars for the preparation of detailed construction plans and specifications for a Sewage Disposal System adequate to serve a potential area comprising the City and all or portions of fifty-eight adjacent municipalities, including the Borough (Township). The City and the Sanitary Authority each covenants with the Borough (Township) to carry out its undertakings under said agreement of August 1, 1949.

2. The City has decided to include in the service area of the Sewage Disposal System only such drainage basins beyond the City as may be served without increasing the cost of service to the City and its residents. The City therefore reserves the right, by ordinance, to terminate and rescind this Agreement if in its opinion an insufficient number of municipalities in the same drainage basin or basins as the Borough (Township) have executed agreements similar to the present Agreement on or before November 1, 1949.

If the City shall duly enact such ordinance on or before December 31, 1949, this Agreement shall automatically terminate and become null and void on January 1, 1950, and neither the City nor the Sanitary Authority shall be liable to the Borough (Township) in any way for excluding the Borough (Township) from the service area of the Sewage Disposal System to be designed by the Sanitary Authority, or for the consequences of such exclusion. If no such ordinance shall be enacted by the City on or before December 31, 1949, this Agreement shall continue in full force and effect.

3. The City reserves the right, after the plans and specifications to be prepared by the Sanitary Authority shall have received the final approval of the State Board, to designate the agency which shall construct and operate the Sewage Disposal System. Such agency, hereinafter referred to as the "Sewage Agency," may be the City itself, the Sanitary Authority, a

municipal Authority to be organized by the City, or any other agency having legal authority to construct and operate the Sewage Disposal System.

The parties agree that the rights given under this Agreement to the Sewage Agency are primarily given to the Sanitary Authority, for the benefit of the City, and that the Sewage Agency designated by the City, if other than the Sanitary Authority, shall be the assignee of the Sanitary Authority's rights. The Sanitary Authority agrees that the designation by the City of a Sewage Agency other than the Sanitary Authority shall constitute an assignment, by the Sanitary Authority to the Sewage Agency so designated by the City, of the Sanitary Authority's rights as Sewage Agency under this Agreement. If the designated Sewage Agency is the City, such assignment shall become effective automatically; if it is neither the City nor the Sanitary Authority such assignment shall become effective upon formal acceptance of this Agreement by the designated Sewage Agency. The Sanitary Authority further covenants to execute promptly, upon request of the City, a formal assignment of such rights to such designated Sewage Agency, though such formal assignment is not necessary. The Borough (Township) recognizes that performance of the duties imposed by this Agreement on the Sewage Agency will be substantially the same whether done by the City itself, the Sanitary Authority, an authority to be organized for such purpose by the City, or any other lawful agency, inasmuch as the personnel of the Sewage Agency during the extended life of this Agreement cannot be foreseen and would in any event not be selected by the Borough (Township), and since the sewage service charges of the Sewage Agency, as more fully hereinafter set forth, must be uniform and are limited to yield only sufficient revenues to meet administrative and operating expenses and debt requirements. The Borough (Township) therefore hereby specifically assents to any such assignment, and covenants to perform all acts and discharge all duties and obligations required of the

Borough (Township) under this Agreement, whether the Sewage Agency be the Sanitary Authority or any other agency designated by the City.

The City covenants that within a reasonable time after receiving an order from the State Board to construct the Sewage Disposal System, following final approval of the plans and specifications therefor the City will by proper ordinance designate a suitable Sewage Agency to construct and operate the Sewage Disposal System in accordance with this Agreement. Paragraphs 4-18 of this Agreement shall not be carried into effect until the City shall, by formal ordinance duly enacted, designate such Sewage Agency.

4. The Sanitary Authority covenants with the City and Borough (Township), and the City similarly covenants with the Borough (Township), that if it is designated by the City to be the Sewage Agency, it will well and truly perform all the acts and discharge all the duties and obligations imposed upon the Sewage Agency by this Agreement; and that if it is not so designated, it will cooperate fully with the designated Sewage Agency and will assign to it, without charge, any rights and powers it may have in aid of the carrying out of the remaining provisions of this Agreement.

5. The City covenants with the Borough (Township) and the Sewage Agency that the rates and charges to be imposed and collected by the Sewage Agency, as hereinafter set forth, shall be uniform throughout the service area of the Sewage Disposal System and in particular shall be the same within the City as within the Borough (Township), and that all duties and obligations hereinafter imposed upon the Borough (Township) will likewise be assumed and borne by the City.

6. The Sewage Agency designated and qualified pursuant to the provisions of Paragraph 3 of this Agreement shall

(a) Promptly issue and sell revenue bonds, secured by its revenues

and receipts collected pursuant to this Agreement and to similar agreements with other municipalities and by all other revenues and receipts of the Sewage Disposal System, in sufficient amount to pay

(1) the cost of constructing the Sewage Disposal System and placing the same in operation,

(2) all loans and advances heretofore or hereafter made to the Sanitary Authority by the City and the Federal Works Administration,

(3) all obligations incurred by the Sanitary Authority and by the Sewage Agency which are repayable out of such bond proceeds, and

(4) all other lawful requirements of the Sewage Agency, including, but without limitation, the cost of all lands, property, rights, easements and franchises acquired, financing charges, the cost of legal services, administrative expenses and all other expenses necessary or incident to the construction of the Sewage Disposal System and to the financing thereof;

(b) upon receipt of the proceeds of such bonds, proceed promptly and with due diligence in the construction of the Sewage Disposal System, with the privilege of awarding all or portions of the actual construction work under separate contracts to the lowest responsible bidder for each contract;

(c) upon completion of the Sewage Disposal System, intercept all sewage and wastes of the Borough (Township) which are discharged from any municipal outfall sewer located along the interceptor sewers of the Sewage Disposal System (subject to the provisions of Paragraph 7 of this Agreement), transport such sewage and wastes to its treatment plant, provide such treatment and disposal thereof as may be required by law, and operate the Sewage Disposal System in an efficient and economical manner; and

(d) make such changes in and

additions to the Sewage Disposal System as may be necessary to enable the Borough (Township) to comply with any future lawful orders of the State Board or any other State or Federal Agency in respect of the treatment and disposal of the Borough's (Township's) municipal sewage and wastes which enter the Sewage Agency's interceptor sewers, and shall issue additional revenue bonds for such purpose or purposes; provided, however, that the Sewage Agency shall have the right to increase its sewage service charges to such extent as will yield the additional revenue needed to meet all bond requirements and operating and other expenses incurred by the Sewage Agency in the design, construction and operation of such added facilities.

If any portions of the Sewage Agency's interceptor sewers and appurtenances thereof are located in the Borough, (Township), the Sewage Agency shall have the right to enter upon and open such streets, public thoroughfares and vacant land owned by the Borough as may be necessary to install, construct, extend, replace, repair and maintain the same or any part thereof; provided, however, that all pavements and underground structures disturbed in the course of such work shall be restored to substantially their original condition. No Borough (Township) permit or license shall be required for any such work, and the Borough (Township) hereby waives all fees and charges in connection therewith.

It is understood and agreed that the Sewage Agency shall indemnify and save the Borough (Township) harmless from all costs and expenses (except those provided for in this Agreement), liability, claims and demands of any sort arising out of the construction, extension, replacement, operation, maintenance, repair or possession of the Sewage Disposal System by the Sewage Agency.

7. The Sewage Agency's interceptor sewers will be constructed approximately where shown on the map marked "Exhibit A" attached hereto

and made a part of this Agreement. The Borough (Township) understands and agrees that the Sewage Agency will accept for treatment and disposal only such sewage and wastes entering the Borough's (Township's) sewers as are discharged from municipal outfall sewers (belonging to the Borough (Township) or to any other municipality) located along such interceptor sewers, and that it shall be the obligation of the Borough (Township) to bring its sewage and wastes to a proper point of connection with such interceptor sewers, as hereinafter set forth. If the Borough (Township) is not wholly within the service area shown on Exhibit A attached hereto, the Sewage Agency shall not have any obligation to serve any portion of the Borough (Township) outside such area unless another agreement similar to the present Agreement shall be executed covering such outside territory, as provided in Paragraph 8 hereof. No sewer connection whereby sewage or wastes from any such outside territory may reach a Sewage Agency interceptor sewer shall be made or permitted by the Borough (Township) in the absence of such an agreement.

Provision will be made, in the plans and specifications to be prepared by the Sanitary Authority, for the connection with the Sewage Agency's interceptor sewers of all municipal outfall sewers now in place therealong, and only such outfall sewers now being used by the Borough (Township) as are located therealong will be connected with the Sewage Agency's interceptor sewers without cost to the Borough (Township).

All other outfall sewers now used by the Borough (Township) and every municipal outfall sewer hereafter constructed shall be brought to a point to be approved by the Sewage Agency (or, prior to the designation and qualification of the Sewage Agency, by the Sanitary Authority), in order that proper connection with the Sewage Disposal System may be made. Each such connection shall be made in such manner as the Sewage Agency shall direct, and at the expense of the municipality or municipalities using such outfall sewer.

8. The City and the Sanitary Authority reserve the right, prior to the designation of the Sewage Agency, and the City and the Sewage Agency shall have the right thereafter, subject to the approval of the State Board but without consulting or notifying the Borough, (Township), to permit municipalities which are partially or entirely outside such service area to pump or drain additional sewage or wastes from territory outside such service area into the Sewage Disposal System for treatment and disposal by the Sewage Agency; provided, however, that no such permission shall be given unless an agreement similar to the present Agreement shall be executed with the affected municipality or municipalities.

The City and the Sanitary Authority, or the City and the Sewage Agency, as the case may be, also reserve the similar right to enter into agreements with industrial firms within and without the service area for the treatment and disposal of their sewage and wastes which do not enter a municipal sewer; provided, however, that the service charges shall be at least as high as those imposed on the Borough (Township) and its water users by this Agreement.

9. The Borough (Township) covenants and agrees that the Sewage Agency shall be the sole and exclusive agency, during the entire life of this Agreement, to provide sewage treatment and disposal service to the Borough (Township) or to such portion thereof as is within the service area of the Sewage Disposal System and to all its water users therein who or which discharge sewage or wastes into the Borough's (Township's) sewerage system. The Borough (Township) hereby permits and authorizes the Sewage Agency to impose upon and collect from all such water users the sewage service charges hereinafter set forth, and covenants to perform all the acts, and discharge all the duties and obligations imposed upon it by this Agreement. The Borough (Township) further covenants that it will not itself engage in the business of providing sewage treatment and disposal

service to such water users, nor will it authorize or permit any other agency, public or private, to do so in competition with or in substitution for the Sewage Agency.

10. Beginning immediately after the Sewage Disposal System has been completed and put in operation, the Sewage Agency shall, for the services and facilities furnished or to be furnished by it, impose upon and collect from the owner, tenant or occupant of each lot or parcel of land within the Borough (Township) from which sewage or wastes enter a Borough (Township) sewer and thence reach the Sewage Disposal System (hereinafter sometimes called a "user" or "water user"), rates, fees or charges (hereinafter sometimes called "sewage service charges" or "charges"), which shall be based or computed upon the quantity of water used in or upon such lot or parcel as determined by gauging or metering or otherwise.

The Sewage Agency's schedule of sewage services charges shall be uniform throughout the entire service area of the Sewage Disposal System, and shall be so calculated as to yield in the aggregate during each month or quarter year the amount required in each such month or quarter year for paying all current administrative and operating expenses of the Sewage Agency and the interest on and the principal of all outstanding bonds and other obligations as the same become due and payable, and to create such reserves for such purposes as may be required by the resolution authorizing the issuance of its bonds or in the trust indenture securing the same. The schedule shall impose reasonable minimum charges, may include such block rates for metered water users and such charges for flat-rate water users as the Sewage Agency shall determine, and shall provide extra charges for commercial and industrial wastes which impose an extraordinary burden on the Sewage Disposal System. The schedule shall be adjusted from time to time in such manner as the Sewage Agency shall deem necessary or proper to insure the collection of adequate revenues to meet its financial requirements.

In case any water user is not the owner of the premises in or on which the water is used, the Sewage Agency may also impose such sewage service charges upon and demand payment thereof from the owner of such premises, so that if payment is not made promptly, a lien therefor against the premises served may be filed by the Borough (Township) as assignee of the Sewage Agency delinquent accounts, as provided in Paragraph 14 of this Agreement.

11. The Borough (Township) covenants that during such time as sewage service charges of the Sewage Agency are in effect the Borough (Township) will not impose upon any person, firm or corporation, or upon any property, any rental, rate or charge whatever for the use of or for the privilege of using any Borough (Township) sewer connected with the Sewage Disposal System, to the end that no person, firm or corporation shall be subject to both the Sewage Agency's sewage service charge, as herein provided, and a Borough (Township) sewer rental, rate or charge of any kind whatever excepting general real estate taxes, sewer connection and street opening permit or license fees, and special assessments imposed according to law upon property benefited by the construction of additional sewers, and excepting charges imposed on other municipalities for the joint use, maintenance or repair of a Borough (Township) sewer or sewers.

The provisions of this Paragraph shall not apply so long as the optional method of payment provided for in Paragraph 16 of this Agreement is in effect.

12. All bills for sewage service charges shall be computed on the basis of the quantity of water used, whether the water is furnished by the waterworks system of the Borough (Township) or secured from any other source.

The sewage service charge to be paid by each water user within the Borough (Township) shall be computed as follows:

(a) Metered water customers—by applying the Sewage Agency's schedule of charges then in effect to the quantity of water delivered to each water customer during the preceding quarter year or other meter period, as measured by the most recent water meter reading;

(b) Flat-rate water customers—by applying the percentage set forth in the Sewage Agency's schedule of charges then in effect to the flat-rate water bill;

(c) Users of water taken from a private water source or public stream—by applying the Sewage Agency's schedule of charges then in effect to the quantity of water used as estimated by the Sewage Agency; provided, however, that if any such water user shall at his or its own expense install and maintain in good operating condition a meter or other measuring device of a type approved by the Sewage Agency, the amount payable by such water user shall be based upon the quantity of water used as so measured.

If the Borough (Township) or other water supplying agency does not make available promptly to the Sewage Agency the necessary data for computing the sewage service charge of any water user, such water user shall be deemed to be a flat-rate water customer, and the sewage service charge for such water user shall be calculated in the same manner as for flat-rate water customers, based upon the estimated flat-rate water bill such customer would have to pay.

There shall be no free services rendered by the Sewage Disposal System, and the Borough (Township) (or any department, agency or instrumentality thereof) and all public corporations, all charitable or non-profit institutions and all school districts and other political sub-divisions shall pay for the use of the services and facilities thereof in accordance with the established schedule of sewage service charges.

If any substantial portion of the water used regularly on any lot or

parcel of land does not enter the Borough's (Township's) sewerage system, the owner, tenant or occupant of such lot or parcel may secure a reduction in the amount of the sewage service charges to be paid by him, subject to the established minimum charges, by installing at his own expense and subject to such regulations as may be prescribed by the Sewage Agency, a separate meter or other measuring device approved by the Sewage Agency for measuring the water so used, in which event the quantity of water so used shall thereafter be excluded in computing the sewage service charges to be paid by the owner, tenant or occupant of such lot or parcel.

In cases where the character of sewage or industrial wastes from any commercial, manufacturing or industrial plant, building or premises is such that it imposes a burden upon the Sewage Disposal System in addition to the burden imposed by the average sewage, such additional charge shall be made therefor as the Sewage Agency shall deem to be fair and equitable to meet the additional cost of collecting, transporting, treating and disposing of such sewage or wastes; or the Sewage Agency may, if it deems it advisable, require the owner, tenant or occupant of such commercial, manufacturing or industrial plant, building or premises to pre-treat such sewage or wastes in such manner as shall be specified by the Sewage Agency before discharging such sewage or wastes into the Borough's (Township's) sewerage system.

13. In order to enable the Sewage Agency to compute its sewage service charges based thereon, as provided in Paragraph 12 hereof, the Borough, (Township), if it operates its own waterworks system, shall furnish to the Sewage Agency, not later than the 15th day of the month following the month during which water bills are issued, a list or lists of all water meter readings and flat-rate water bills issued during the preceding calendar month together with the basis for each flat-rate water user's water bill, and shall include therein the meter readings of meters installed by water

users taking water from a private water source or public stream. The Sewage Agency will request similar information from the private water company, municipal authority or other agency supplying water to any water users within the Borough (Township). If by reason of failure to obtain such data promptly the Sewage Agency is compelled to treat any water user as though they were flat-rate water customers, as further provided above in the said Paragraph 12, and in so doing is obliged to survey the premises of each such water user for the purpose of determining his or its flat-rate water status, the cost incurred by the Sewage Agency in making such survey or surveys shall be repaid to it by the Borough. (Township). The Borough (Township) authorizes the Sewage Agency to make such survey or surveys, and it is agreed that every water user, in accepting the Sewage Agency's service, authorizes the Sewage Agency to enter upon his or its premises for such purpose.

The Sewage Agency will reimburse the Borough (Township) and other water supplying agencies, on or before April first of each year, for the reasonable added clerical expense incurred by each of them during the previous calendar year in preparing the lists of metered water data and of flat rate bills hereinabove referred to, but not for the cost of reading meters, except only the cost of reading such meters as may be installed by or for users of water who are not connected with their respective waterworks systems.

14. The schedule of sewage service charges to be imposed and collected during any year by the Sewage Agency shall be so calculated and adjusted as to provide revenues which will be sufficient to pay all current expenses and meet all obligations of the Sewage Agency during such year. It is understood by the Borough (Township) that not all bills for sewage service charges will be paid promptly, and that some of such bills in an indeterminate amount will become delinquent each year. In consideration of the services rendered by the Sewage Agency to the Borough (Township) under the provi-

sions of this Agreement, which will effect compliance by the Borough (Township) with the duty imposed upon it by law to cease the pollution of the waters of the Commonwealth, and in further consideration of the assignment to it of the delinquent accounts, as hereinafter provided, the Borough (Township) agrees to pay to the Sewage Agency, out of the Borough's (Township's) current revenues as hereinafter provided, the face amount of all delinquent accounts of the Sewage Agency.

If any water user shall fail to pay the sewage service charges of the Sewage Agency within sixty (60) days after the due date of the bill therefor, the account of such water user shall be deemed delinquent. The Sewage Agency shall prepare and submit to the Borough (Township), on or before January 1, April 1, July 1 and October 1 of each year, a list of all delinquent accounts, showing the face amount of each account, the penalty thereon, and the interest accrued. The Borough (Township) shall, within 60 days after the furnishing of such list, pay to the Sewage Agency the face amount of all such delinquent accounts. Upon receipt of such amount from the Borough (Township), the Sewage Agency shall promptly assign to the Borough (Township) all such accounts, for the sole use and benefit of the Borough (Township).

The Sewage Agency agrees that the Borough (Township) shall have the right to pursue and enforce any and all remedies now available or hereafter to become available to it, to compel payment by any delinquent water user of the sewage service charges, together with penalties, interest and costs, which may be due and owing by him or it.

15. The Borough (Township) agrees that if the schedule of sewage service charges in effect at any time does not, or in the opinion of the Sewage Agency may not, yield sufficient revenue to meet the Sewage Agency's financial requirements, or if the Sewage Agency finds that such schedule has proved to be inequitable, the Sewage Agency shall have the right at

any time and from time to time to revise and adjust its sewage service charges in such manner and to such extent as it may deem advisable.

At least sixty (60) days before any revised sewage service charges shall become effective, the Sewage Agency shall submit in writing to the Borough (Township) a statement setting forth the new schedule of sewage service charges and the reasons why it was found necessary or desirable to put them into effect. Such new schedule of charges shall go into effect at the time specified in said statement (not earlier, however, than sixty (60) days from the furnishing of such statement), unless suspended by a final decree of a court of competent jurisdiction.

16. The Borough (Township) shall have the option of paying the aggregate amount of all sewage service charges which, under Paragraphs 10-15 of this Agreement, would be payable by its water users, in consideration of the performance by the Sewage Agency of the Borough's (Township's) legal duty to cease the pollution of the waters of the Commonwealth. In such event, the individual charges of each water user shall be computed in the same manner as hereinbefore set forth, but instead of sending individual bills to all water users, all such individual bills shall be totaled and the aggregate amount thereof shall be billed quarterly to the Borough (Township). The Borough (Township) covenants that so long as such method of payment is in effect it will pay each such quarterly aggregate amount, out of the Borough's (Township's) current revenues as hereinafter provided, within sixty (60) days after the date of the bill therefor. The Sewage Agency will refund to the Borough (Township), on or before April first of each year, as a credit for the saving in billing expense, a sum equal to the average cost per customer incurred by the Sewage Agency during the preceding calendar year for billing and collecting its charges from individual water users in all other municipalities served by it, multiplied by the average number of individual water users in the Borough (Township).

Before the Sewage Disposal System is completed and put in operation, the Sewage Agency shall request the Borough (Township) in writing to indicate whether it desires to adopt the optional method of payment provided for in this Paragraph. Unless the Borough (Township) shall so indicate, by ordinance duly enacted not later than ninety (90) days after the date of the Sewage Agency's written request, and shall promptly send to the Sewage Agency a certified copy of such ordinance, the method of payment provided for in Paragraphs 10-15 of this Agreement shall become effective.

No change in the method of payment applicable to the Borough (Township) and its water users shall be made except at the request of the Borough, (Township), made by ordinance duly enacted, and with the approval of the Sewage Agency, formally given by ordinance or resolution.

17. If there exists any connection through which sewage or wastes emanating from any territory outside the corporate limits of the Borough (Township) enters the Borough's (Township's) sewerage system and thence reaches the Sewage Agency's interceptor sewer, and if the municipality having jurisdiction over such territory does not execute an agreement with the Sewage Agency similar to this Agreement, the Borough (Township) shall either promptly shut off or remove such connection or shall pay to the Sewage Agency, so long as such sewage continues to enter the Borough's (Township's) sewerage system, the estimated cost of collecting, transporting, treating and disposing of such sewage, such estimated cost to be approximately the same as if the water users within such territory were subject to the Sewage Agency's prevailing sewage service charges.

18. The Borough (Township) shall annually provide in its budget for obtaining the funds necessary to meet its obligations under this Agreement. On or before October 1 of each year the Sewage Agency shall supply to the Borough's (Township's) governing body a written estimate of the total amount of delinquent accounts, or (if the op-

tional method of payment is applicable to the Borough (Township) of the total aggregate amount of all sewage service charges, which the Borough (Township) will probably be required to pay to the Sewage Agency during the ensuing fiscal year; plus, in either case, the estimated amount (if any) due under Paragraph 17 of this Agreement. The Borough (Township) shall, by proper ordinance, promptly levy a special tax, or provide for obtaining revenues in any other lawful manner, or resort to any two or more methods of securing the funds required under this Agreement, in such manner as to assure that the Borough (Township) shall obtain or collect during the ensuing fiscal year a sum which, together with any unused moneys remaining from previous years, will be at least 120% of such estimated amount to become due under this Agreement during such year. The revenues collected from such tax levy or from any other source so designated by the Borough (Township), or from any combination thereof which the Borough (Township) may elect to employ, shall be deposited to the credit of a special fund to be designated "Sewage Agency Fund," the moneys in which shall be used by the Borough (Township) to meet its obligations under this Agreement and shall not be used for any other purpose whatever.

If the entire amount due the Sewage Agency under this Agreement for any year is not paid out of the current revenues of the Borough (Township) for such year the balance thereof shall be paid out of the current revenues of succeeding years.

19. The Sewage Agency shall have the right to promulgate, issue, publish and enforce rules and regulations governing its activities and carrying into effect the provisions of this Agreement. Such rules and regulations may include provisions prohibiting or regulating the discharge into the Borough's (Township's) sewerage system of oils, acids and other substances which may be harmful to the Sewage Agency's sewers, pumping stations or other structures or which may interfere with the sewage treatment processes at the Sewage Agency's plant.

The Borough (Township) may, at its own discretion and without let or hindrance from the Sewage Agency, permit the connection with any Borough (Township) sewer that discharges into a Sewage Agency interceptor sewer of any and all premises used wholly as private dwellings, but no permit shall be issued by the Borough (Township) for the connection with any such sewer of any premises used wholly or in part for commercial or industrial purposes unless the application for such permit shall first have been submitted to and been approved by the Sewage Agency.

The Borough (Township) recognizes that the carrying out by the Sewage Agency of its obligations under this Agreement will enable the Borough (Township) to perform the duty imposed upon it by law to provide for the proper treatment and disposal of its sewage, and the Borough (Township) therefore agrees to exercise for the benefit of the Sewage Agency all rights and powers which it may possess to carry into effect the purposes and intent of this Agreement. The Borough (Township) accordingly agrees, on request of the Sewage Agency, to enact an ordinance incorporating all or designated portions of the Sewage Agency's rules and regulations and providing appropriate penalties for the violation thereof, to amend such ordinance from time to time as requested by the Sewage Agency, and to enforce the provisions thereof fully and prosecute all violators thereof diligently.

20. This Agreement shall become effective immediately, and shall remain in full force and effect, subject to the provisions of Paragraphs 2 and 3 hereof, until the date of expiration of the legal existence of the Sewage Agency or until the expiration of one calendar year following the payment in full of all bonds, notes and other obligations of the Sewage Agency, original and refunding, issued by it to finance the construction, replacement, maintenance and operation of the Sewage Disposal System and additions thereto, whichever date shall be later.

No. 55

AN ORDINANCE—Authorizing and directing the Mayor and the Directors of the Departments of Parks and Recreation and Lands and Buildings to enter into an agreement for the purchase of certain property of the Peoples Natural Gas Company, located at William Penn Place and Sixth avenue, Second Ward, and to lease said

property to the Peoples Natural Gas Company and appropriating funds therefor.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Directors of the Department of Parks and Recreation and the Department of Lands and Buildings be and they are hereby authorized and directed on behalf of the City of Pittsburgh to execute and deliver an agreement of purchase with The Peoples Natural Gas Company, a corporation, for the purchase by the City of Pittsburgh, within ninety days from the date of said agreement, free and clear of all encumbrances, of The Peoples Natural Gas Company Building property fronting 110 feet on William Penn Place and 60 feet on Sixth avenue, Second Ward, Pittsburgh, for the sum of \$1,116,000.00 chargeable to and payable from Special and Trust Fund, Mellon Foundation Fund, M. F. F.

Section 2. The above referred to agreement shall provide for the proration of taxes as of the date of settlement and for the leasing by the City of Pittsburgh of the entire premises (including all right which the City of Pittsburgh may have or may later acquire in the surface of a 20-foot private alley adjoining The Peoples Natural Gas Company Building) by a lease containing the following provisions:

(a) The lease shall be for a term commencing at the date of the delivery of the deed to January 1, 1952, at a rental of \$2,750.00 per month; the total rental to January 1, 1952, to be retained by the City of Pittsburgh out of the purchase price; provided, however, the term of the lease may be reduced at the option of The People's Natural Gas Company with a proportionate refund of unused rental payments without interest. Be it further provided, if office space satisfactory to said company is not available on or before January 1, 1952, either in The Gateway Center Development or elsewhere, said term may be extended for an additional two (2) years to

January 1, 1954, at the same rental, payable monthly in advance, and with an option in The People's Natural Gas Company to terminate at any time during said extended term, but, if such space shall be available on or before January 1, 1952, no such extension shall be granted.

(b) The tenant shall be responsible directly for the operation and the maintenance of the building and shall pay the cost thereof, and the standard of maintenance shall be determined by it.

(c) Portions of the building, during its occupancy by the tenant, may be sublet by it—subject to the conditions of this lease.

(d) At the time of vacation, the tenant may remove and possess, at its option, the power plant and any other machinery or other equipment installed in the building.

(e) The tenant will carry public liability insurance covering itself and the City of Pittsburgh during its occupancy; but fire and other insurance, if any, shall be carried by the City.

(f) Such further provisions, not inconsistent with the above, as the City Solicitor shall deem advisable in the best interests of the City.

Section 3. That the Mayor and the Directors of the Department of Parks and Recreation and the Department of Lands and Buildings be and they are hereby authorized and directed on behalf of the City of Pittsburgh to execute and deliver a lease to The Peoples Natural Gas Company contemporaneously with the delivery of deed by The Peoples Natural Gas Company containing the provisions provided by Section 2 of this ordinance.

Section 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE — Regulating sick leaves and leaves of absence for employees of the City of Pittsburgh.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That any regular employee of the City of Pittsburgh employed on the basis of two hundred and forty or more days per year who is absent from his employment by reason of illness, upon proof by his affidavit and certificate of his attending physician that such absence is because of illness, shall be entitled in each calendar year to sick leave pay in an amount up to but not exceeding the amount of his pay for two full weeks;

provided that no employee shall be entitled to sick leave pay for the first two days of any period of absence.

Section 2. Employees of the City of Pittsburgh may accumulate unused sick leave for a period not exceeding three (3) years.

Section 3. In special cases and for adequate reasons, City Council may extend the sick leave with pay of any employee of the City of Pittsburgh upon the request and upon the recommendation of the Head of the Department in which such employee is employed.

Section 4. The falsification of any sick leave affidavit by any employee of the City of Pittsburgh shall con-

stitute grounds for dismissal of such employee.

Section 5. The Heads of the various departments of the City of Pittsburgh may grant leaves of absence without pay, but such leaves of absence shall in no event extend for a period of more than six months and shall be in conformity with the regulations of the Civil Service Commission.

Section 6. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Amending Zoning Ordinance No. 372, approved August 9, 1923, by adding a new Article IV-A and a new Section 27-A.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That Zoning Ordinance No. 372, approved August 9, 1923, be and the same is hereby amended by adding a new Article IV-A, which shall read as follows:

ARTICLE IV-A

USE DISTRICT EXCEPTION LARGE SCALE NEIGHBORHOOD HOUSING PROJECT.

Section 17-A. General Location and Use. In Any District, other than a Heavy Industrial District, a Large Scale Neighborhood Housing Project—com-

prised of any kind or class of dwellings, which may exceed the height limitations of the concerned district (See Section 27-A)—may be established or erected or enlarged, provided:

- (a) the project involves a total area of land of thirty-five (35) acres or more, of which not less than twelve (12) buildable acres is to be used for dwelling lots.
- (b) the project lots on the border of the project shall be improved only in conformity with the Residential Use, Height and Area regulations of the zoning district of the abutting property and/or opposite property.
- (c) the minimum distances between the main buildings of the project within the site area (tract)—exclusive of the lots on the borders thereof—shall be as follows:
 1. front-to-front, front-to-rear, or rear-to-rear,—two (2) times the height of the taller building but not less than seventy (70) feet.
 2. side-to-side,—one-half ($\frac{1}{2}$) the height of the taller building but not less than twenty (20) feet,
 3. front-to-side or rear-to-side,—one (1) times the height of the taller building but not less than fifty (50) feet,

and provided further, that the project location, site plan and plan of subdivision be approved by Ordinance of the City of Pittsburgh after recommendation by the City Planning Commission.

Section 17-B. City Planning Commission Power. In approving of the use of land and/or buildings under the provisions of this Article the City of Pittsburgh upon recommendation of the City Planning Commission shall have the authority to impose conditions as it deems necessary to protect the best interests of the surrounding property in the vicinity and to effect the comprehensive city plan.

Section 17-C. Procedure. The City Planning Commission—upon written application, for approval of use of property under the provisions of this

article, on forms furnished by said Commission—shall:

- (a) hold a public hearing in relation thereto, at which parties in interest and citizens shall have an opportunity to be heard; at least fifteen (15) days' notice of the time and place of such hearing shall be published in an official paper and in a local paper of general circulation and by at least ten (10) printed or typewritten hand bills posted in conspicuous places located around the border of the concerned property;
- (b) within forty (40) days after the date of the filing of the application, submit a report to Council recommending or refusing to recommend the issuance of a permit.

Section 17-D. Permit and Authorization Invalidation. Any permit issued after authorization under the provisions of this Article, shall be null and void if the concerned project is not substantially physically started, within six (6) months after the issuance thereof, and diligently pursued to completion; and further, if after a permit has been authorized it is not lifted from the office of the Superintendent of the Bureau of Building Inspection within sixty (60) days after that date, the authorization shall be null and void and no permit shall be issued thereunder.

Add a new Section, to read:

Section 27-A. In Any Height District the height limitation may be exceeded by buildings, on land concerned in an authorization of use granted under the provisions of Article IV-A of this ordinance.

No. 105

AN ORDINANCE—Authorizing the acceptance of payments in lieu of taxes from the Housing Authority of the City of Pittsburgh, and authorizing the Mayor and the Director of the Department of Public Works to enter into a cooperation agreement with the Housing Authority of the City of Pittsburgh.

Whereas, The Housing Authority of the City of Pittsburgh proposes to develop and administer low-rent housing projects within the territorial limits of the City of Pittsburgh, consisting of approximately 5,000 dwelling units at a cost of approximately \$50,000,000.00, and proposes in connection therewith the elimination of a substantially equal number of unsafe or insanitary dwelling units; and

Whereas, The development of the Projects will be financed in part by the issuance of 40-year bonds of the Authority, secured in part by the net revenues derived from the operation of the Projects, but not so secured as to confer the power of foreclosure or for-

feiture upon the holders of said bonds; and

Whereas, It is necessary to the public health, safety and welfare of the City that the present low-income occupants of unsafe or insanitary dwellings in the City be provided with safe and sanitary dwellings at rentals they can afford to pay; and

Whereas, The City will directly benefit from the construction of new, safe and sanitary dwellings for families of low income and from the elimination of unsafe or insanitary dwellings within the City;

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the City of Pittsburgh hereby determines that, for the purpose of aiding said Authority in its efforts to develop low-rent housing projects and to eliminate unsafe and insanitary dwellings in the City, the City shall cooperate with the Authority by furnishing municipal services and facilities for the Projects in consideration of the payment of certain sums by the Authority to the City in lieu of taxes, all as more fully provided in the form of agreement set forth in Section 2 hereof.

Section 2. That the City shall enter into a contract with the Authority in substantially the following form:

COOPERATION AGREEMENT

Between

THE CITY OF PITTSBURGH and
HOUSING AUTHORITY OF THE
CITY OF PITTSBURGH

This Agreement entered into this _____ day of _____
A. D., 19____, by and between HOUSING AUTHORITY OF THE CITY OF PITTSBURGH, (herein called the "Local Authority") and the CITY OF PITTSBURGH, (herein called the "City"), Witnesseth:

Whereas, The Local Authority has received from the Public Housing Administration (herein called the "PHA"), a Program Reservation for 5,000 units of low-rent housing to be developed and located within the corporate limits

of the City and may hereafter apply for additional Program Reservations; and

Whereas, The Local Authority proposes to enter into one or more contracts with the PHA for loans and annual contributions in connection with the development and administration of such low-rent housing, all pursuant to the United States Housing Act of 1937, as amended, (herein called the "Act"); and

Whereas, The City is desirous of assisting and cooperating with the Local Authority in such undertakings and of complying with the provisions of Sections 10 (a), 10 (h), and 15 (7) (b) of the Act, as well as all other applicable provisions thereof;

Now, Therefore, in consideration of the mutual covenants hereinafter set forth, the Local Authority and the City do agree:

1. Whenever used in this Agreement—

- (a) The term "Project" shall mean any low-rent housing hereafter developed as one operation by the Local Authority with financial assistance of the PHA and included within Program Reservation No. PA-1-A, issued by the PHA to the Local Authority on August 17, 1949, covering an aggregate of 5,000 units of low rent housing. A Project will generally be located on a single site but may be on scattered sites.
- (b) The term "Taxing Body" shall mean the State or any political subdivision or taxing unit thereof (including the City) in which a Project is situated and which would have authority to assess or levy real or personal property taxes or to certify such taxes to a taxing body or public officers to be levied for its use and benefit with respect to a Project if it were not exempt from taxation.
- (c) The term "Shelter Rent" shall mean the total of all charges to all tenants of a Project for dwelling rents and non-dwelling rents (excluding all other income of such Project), less the cost to the Local Authority of all dwelling and non-dwell-

ing utilities.

(d) The term "Slum" means any area where dwellings predominate which, by reason of dilapidation, overcrowding, faulty arrangement or design, lack of ventilation, light or sanitation facilities, or any combination of these factors, are detrimental to safety, health or morals.

2. The Local Authority shall endeavor to secure a contract or contracts with the PHA for loans and annual contributions, and undertake to develop and administer one or more Projects.

3. Under the constitution and statutes of the Commonwealth of Pennsylvania, all Projects are exempt from all real and personal property taxes and special assessments levied or imposed by any Taxing Body; and, with respect to any Project, so long as either (a) such Project is used for low-rent housing purposes, or (b) any contract between the Local Authority and the PHA for loans or annual contributions, or both, in connection with such Project shall remain in force and effect, or (c) any bonds issued in connection with such Project shall remain outstanding, whichever period is the longest, the City agrees that it will not levy or impose any real or personal property taxes or special assessment upon such Project or upon the Local Authority with respect thereto. During such period, the Local Authority shall make annual payments (herein called "Payments in Lieu of Taxes") in lieu of such taxes and special assessments and in payment for public services and facilities furnished for or with respect to such Project. Each such annual Payment in Lieu of Taxes shall be made after the end of the fiscal year established for such Project, and shall be in an amount equal to either—

(a) that proportion of ten percent (10%) of the aggregate Shelter Rent charged by the Local Authority in respect to such Project during such fiscal year which the real property taxes would have been paid to the City for such year if the Project were not exempt from taxation bears to the total real property taxes which would have been paid to all of the Taxing

Bodies for such year if the Project were not exempt from taxation; or

(b) the amount permitted to be paid by applicable state law in effect on the date of this Cooperation Agreement, whichever amount is the lower; provided, however, that upon failure of the Local Authority to make any such Payment in lieu of taxes, no lien against any Project or assets of the Local Authority shall attach.

Provided, further, that no payment for any year shall be made to the City in excess of the amount of the real property taxes which would have been paid to the City for such year if the Project were not exempt from taxation.

4. The City agrees that, subsequent to the date of initiation (as defined in the Act) of each Project and within five years after the completion thereof, or such further period as may be approved by the PHA, and in addition to the number of unsafe or insanitary dwelling units which the City is obligated to eliminate as a part of the low-rent housing project heretofore undertaken by the Local Authority and identified as Project Nos. PA-1-1, PA-1-2, PA-1-3, PA-1-4 and PA-1-5, there has been or will be elimination (as approved by the PHA) by demolition, condemnation, effective closing, or compulsory repair or improvement, of unsafe or insanitary dwelling units situated in the locality or metropolitan area of the City, substantially equal in number to the number of newly constructed dwelling units provided by such Project; provided, that, where more than one family is living in an unsafe or insanitary dwelling unit, the elimination of such unit shall count as the elimination of units equal to the number of families accommodated therein; and provided, further, that this Paragraph 4 shall not apply in the case of (a) any Project developed on the site of a Slum cleared subsequent to July 15, 1949, and that the dwelling units eliminated by the clearance of the site of such Project shall not be counted as elimination for any other Project or any other low-rent housing project, or (b) any Project located in a rural non-farm area.

5. During the period commencing with the date of the acquisition of any part of the site or sites of any Project and continuing so long as either (a) such Project is used for low-rent housing purposes, or (b) any contract between the Local Authority and the PHA for loans or annual contributions, or both, with respect to such Project shall remain in force and effect, or (c) any bonds issued in connection with such Project shall remain outstanding, whichever period is the longest, the City, without cost or charge to the Local Authority or the tenants of such Project (other than the Payments in Lieu of Taxes) shall—

- (a) furnish or cause to be furnished to the Local Authority and the tenants of such Project (i) the public services and facilities which are at the date hereof being furnished without cost or charge to other dwellings and inhabitants in the City, including but not limited to—fire, police, health protection, recreational facilities and services, water supply and distribution facilities, fire hydrant service, sewer service, maintenance and repair of public streets, roads, alleys, sidewalks, sewer and water systems within the project boundaries as well as those on the boundaries of the project or leading to the project; snow removal; garbage collection and disposal; street lighting on public streets and roads within such Project and on the boundaries thereof; and adequate sewer services for such Project; and (ii) also such additional public services and facilities as may from time to time hereafter be furnished without cost or charge to other dwellings and inhabitants in the City;
- (b) vacate such streets, roads, and alleys within the area of such Project as may be necessary in the development thereof, except such streets as the Superintendent of City Planning may recommend and the City of Pittsburgh may determine to be necessary for arterial traffic, and convey without charge to the Local Authority such interest as the City may have in such vacated areas; and, insofar as it is

lawfully able to do so without cost or expense to the Local Authority and/or to the City, cause to be removed from such vacated areas, insofar as it may be necessary, all public or private utility lines and equipment;

- (c) Insofar as the City may lawfully do so, grant such waivers of the building code of the City as are reasonable and necessary to promote economy and efficiency in the development and administration of such Project; and make such changes in any zoning of the site and surrounding territory of such Project as are reasonable and necessary for the development and protection thereof;
 - (d) accept grants of easements necessary for the development of such Project; and
 - (e) cooperate with the Local Authority by such other lawful action or ways as the City and the Local Authority may find necessary in connection with the development and administration of such Project.
6. In respect to any Project the City further agrees that within a reasonable time after receipt of a written request therefor from the Local Authority—
- (a) it will accept the dedication of all interior streets, roads, alleys, and adjacent sidewalks within the area of such Project after the Local Authority, at its own expense, has completed the grading, improvement, and paving thereof in accordance with the specifications acceptable to the City; and
 - (b) it will accept necessary dedications of land for, and will, without cost to the Authority, grade, improve, pave, curb and provide sidewalks for, all streets bounding such Project or necessary to provide adequate access thereto and widen, improve or change grade and paving of existing streets where necessary to provide adequate access thereto; and
 - (c) it will provide, or cause to be pro-

vided, without cost, to the Authority, water mains, and storm and sanitary sewer mains, or enlarge, extend or repair existing facilities leading to such Project and serving the bounding streets thereof so that the water mains, storm and sanitary sewer mains constructed within the Project boundaries can be connected thereto.

(d) It will convey, by warranty deed in fee simple to the Authority, any land specified in such Project which is owned by the City and within the site of the Project.

(e) It will test materials used in the construction of any housing projects in the laboratories of the Bureau of Tests of the Department of Public Works of the City. The Authority agrees to compensate the City for any additional expense to which the City may be put by reason of hiring additional employees and for materials, equipment and supplies used in said tests.

(f) It will cause the Director of its Department of Public Works to consult with and assist the Authority in preparing plans for the laying out, grading and paving of roadways and installing of curbs and gutters in the streets and ways within the Project boundaries and plans for the laying out and installing of sewer lines and water mains in the streets and ways within the Project boundaries.

7. Nothing in this Agreement shall be construed as limiting the power of the City to furnish aid and cooperation other than and in addition to the matter more particularly described in this Agreement.

8. If the City shall, within a reasonable time after written notice from the Authority, fail or refuse to furnish or cause to be furnished any of the services or facilities which it is obligated hereunder to furnish or cause to be furnished to the Local Authority or to any Project, then the Local Authority may proceed to obtain such services or facilities elsewhere, and deduct the cost therefor from any

Payments in Lieu of Taxes due or to become due to the City in respect to any Project or any other low-rent housing projects assisted or owned by the PHA.

9. No Cooperation Agreement heretofore entered into between the City and the Local Authority shall be construed to apply to any Project covered by this Agreement.

10. So long as any contract between the Local Authority and the PHA for loans (including preliminary loans) or annual contributions, or both, with respect to any Project shall remain in force and effect, or so long as any bonds issued in connection with such Project shall remain outstanding, this Agreement shall not be abrogated, changed or modified without the consent of the PHA. The privileges and obligations of the City hereunder shall remain in full force and effect with respect to each Project so long as the beneficial title to such Project is held by the Local Authority or some other public body or governmental agency, including the PHA, authorized by law to engage in the development or administration of low-rent housing projects. If at any time the beneficial title to, or possession of, any Project is held by such other public body or governmental agency, including the PHA, the provisions hereof shall inure to the benefit of and may be enforced by, such other public body or governmental agency, including the PHA.

In Witness Whereof, The City and the Local Authority have respectively caused this Agreement to be duly executed as of the day and year first above written.

No. 127

AN ORDINANCE—Providing for the licensing of mechanical devices for the playing of games and amusement, and providing penalties.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. No person, persons, firm or corporation shall set up, or establish, or cause to be set up or established, or shall exhibit, display, or maintain for the purposes of gaining advantage or profit within the City of Pittsburgh, any mechanical device, machine, or apparatus of any kind for the playing of games or otherwise used for the purpose of amusement, including mechanical devices, machine, or apparatus upon which or by which are played pinball, bowling, shuffleboard, baseball, football, racing and other similar games by the insertion therein of a coin or any other metal disc, slug or token whatsoever, unless or until such person, persons, firm or corporation shall have procured a license therefor as hereinafter set forth; provided, however, that this shall not apply, where the cost, price, or consideration for the playing of any one game shall be less than 5c.

Section 2. Any person, persons, firm or corporation desiring to procure a license, as herein required, shall apply therefor in writing to the City

Treasurer. Said application shall set forth the name or names, the residence or residences of the person, persons, firm or corporation, so applying, together with the present and previous occupation of the applicant or applicants and the length of residence at the present and at the previous place of residence; the name of the owner of the premises upon which the aforesaid machines are to be used and installed, and if the owner of the premises is not the applicant, then the applicant shall set forth the length of time for which the premises has been leased and whether applicant is a citizen of the United States. The application shall also set forth the manufacture and nature of the machine to be installed and used.

The information here required shall be furnished over the signature of the applicant or applicants and shall be made under oath or affirmation.

Section 3. No license shall be granted until the City Treasurer shall be satisfied that the information contained in said application is correct, and may within his discretion investigate the statements set forth in the application for the purpose of ascertaining their correctness, but no license shall in any event be granted to any person who is not a citizen of the United States.

Section 4. Nothing in this ordinance shall in any way be construed to authorize, license or permit any gambling devices whatsoever, or any mechanism that has been judicially determined to be a gambling device, or in any way contrary to law, or that may be contrary to any future laws of the Commonwealth of Pennsylvania.

Section 5. No license shall issue until an annual fee therefor shall have been paid to the City Treasurer in the sum of \$50.00 for each and every device, machine or apparatus so installed, set up, or used, under the terms of this Ordinance, in the City of Pittsburgh, which amount paid as aforesaid shall be a license fee until December 31st of each year. However, should any such device be installed after July 1st of any year, and ap-

plication therefor be made after said date, then in such event the license fee for that particular year shall be the sum of \$25.00 to December 31st.

Section 6. Upon the payment of the license fee provided by this Ordinance, the City Treasurer shall issue a disc, stamp or plate setting forth the number of the license for each machine so licensed, which said disc, stamp or plate shall be attached and fastened to the respective machine or device so that the same may be clearly observable and readable.

Section 7. Any person, persons, firm or corporation, violating any of the provisions of this Ordinance, shall be fined a sum not in excess of \$50.00 for each and every offense, and in default of the same shall be committed to the Allegheny County Jail for a period of not more than thirty (30) days, at the discretion of the committing magistrate. Each and every day that any machine or device, under the terms of this Ordinance, shall be operated and used in violation thereof, shall constitute a separate and distinct offense under this Ordinance and shall be subject to separate and distinct penalties thereunder.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

AN ORDINANCE—Authorizing and directing the Mayor and the Director of the Department of Public Works, for and in behalf of the City of Pittsburgh, to enter into an Agreement with the Duquesne Light Com-

pany, to provide for the vacation of a portion of Dalemount street, Twentieth Ward, in return for the dedication by the Duquesne Light Company to public use for street purposes of a tract of land connecting the westerly end of Tole street with the remaining southwesterly portion of Dalemount street.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of the Department of Public Works be and they are hereby authorized and directed, for and in behalf of the City of Pittsburgh, to enter into an Agreement with the Duquesne Light Company, to provide for the vacation of a portion of Dalemount street, Twentieth Ward, in return for the dedication by the Duquesne Light Company to public use for street purposes of a tract of land connecting the westerly end of Tole street with the remaining southwesterly portion of Dalemount street, in substantially the following form:

THIS AGREEMENT

Made and entered into this----- day of-----, 1950, by and between the City of Pittsburgh, a municipal corporation of the Commonwealth of Pennsylvania, situate in the County of Allegheny, hereinafter sometimes referred to as the "City," party of the first part,

AND

Duquesne Light Company, a corporation of the Commonwealth of Pennsylvania, having its principal office in the City of Pittsburgh, County of Allegheny and Commonwealth of Pennsylvania, hereinafter sometimes referred to as "Duquesne," party of the second part.

Whereas, Duquesne is acquiring or has acquired a certain tract of land containing approximately 4.1 acres of land fronting on Banksville road, between Wenzel and Bellingham avenues, in the Twentieth Ward of the City of Pittsburgh, through which a portion of Dalemount street, 33 feet wide, is presently open and in use, and also

through which presently extend a 48-inch storm sewer and a 15-inch sanitary sewer of the City of Pittsburgh; and,

Whereas, Duquesne proposes to acquire a tract of land containing approximately 6,490 square feet, situate at the westerly end of Tole street, adjoining the said recited tract of land; and,

Whereas, Duquesne desires that the City vacate a portion of Dalemount street and in exchange therefor is willing to dedicate to public use for street purposes a tract of land connecting the westerly end of Tole street with the remaining southwesterly portion of Dalemount street;

Now, Therefore, This Agreement Witnesseth: That the parties hereto, in consideration of the premises and the covenants and agreements hereinafter contained, hereby mutually covenant and agree as follows:

(1) Duquesne agrees, in connection with its operations on the said recited tract of land, to place a dirt fill on the said recited tract of land to provide a reasonable grade between the westerly end of Tole street and the remaining southwesterly portion of Dalemount street after having constructed a catch basin south of the proposed fill to connect into the existing storm sewer crossing the property near the location;

(2) Duquesne agrees to dedicate to public use to the City of Pittsburgh for street and highway purposes a strip of land, 33 feet in width, on a center line connecting with and extending westwardly and southwestwardly from the center line of Tole street to connect with the remaining portion of Dalemount street, 33 feet wide;

(3) Duquesne agrees to place a slag or red dog dressing on the newly dedicated street to conform to the finished surface of Tole street and the remaining portion of Dalemount street, in a manner satisfactory to the Director of the Department of Public Works of the City;

(4) Duquesne agrees to reinforce

the 48-inch storm sewer throughout such portion of the length thereof as may remain in under any building which Duquesne constructs upon the said recited tract of land under plans approved by and in a manner satisfactory to the Director of the Department of Public Works of the City.

(5) Duquesne agrees to reinforce the 15-inch sanitary sewer throughout such portion thereof as remains in under any building which Duquesne may construct upon the said recited tract of land under plans approved by and in a manner satisfactory to the Director of the Department of Public Works of the City;

(6) The City agrees to vacate that portion of Dalemount street on a center line beginning at a point southwestwardly from the southwestly line of Wenzel avenue a distance of 96.26 feet and extending thence southwestwardly 270 feet, and thence southwardly 140 feet;

(7) Duquesne agrees to bear the entire expense of the various items called for by paragraphs 1 through 6 hereinabove, and as to the portion of the expense involved in the vacation of the portion of Dalemount street agrees to reimburse the City for the expense incurred in connection therewith within ten (10) days after receipt of bill or bills therefor;

(8) Duquesne ratifies and confirms the right of the City for ingress, egress and regress along, over, under and across the hereinbefore recited tract of land, for the operation, maintenance, use, repair, replacement and final removal of both the 48-inch storm sewer and the 15-inch sanitary sewer.

(9) The Duquesne Light Company shall file a copy of this Agreement with the Pennsylvania Public Utility Commission promptly following the final execution hereof. The thirty-third (33) day after such filing shall be the effective date hereof unless prior to such date said Commission shall institute proceedings as provided by Section 911 of the Pennsylvania Public Utility Law; and, in

the event of the institution of such proceedings, then this Agreement shall become effective only after the approval thereof by said Commission.

(10) The parties hereto execute this Agreement intending to be bound hereby, and the same shall be binding upon and inure to the benefit of their respective successors and assigns.

This Agreement is executed by the City of Pittsburgh pursuant to Ordinance No. _____, approved the _____ day of _____, 1950, and recorded in Ordinance Book _____, Page _____.

In Witness Whereof, the parties hereto have hereunto affixed their common and corporate seals, duly attested by their proper officers, the day and year first above written.

tion peoples bonds in said amount to pay the cost of general public improvements as a partial exercise of the authority conferred by the electors at a Special Bond Election held the 9th day of September, 1947, and levying taxes for the payment of said bonds at maturity and for the payment of interest and State taxes thereon.

Whereas, The corporate authorities of the City of Pittsburgh by Ordinance No. 287, approved July 23, 1947, recorded in Ordinance Book Volume 54, Page 716, signified the desire that the indebtedness of the City of Pittsburgh be increased in the amount of Twenty-one Million Dollars (\$21,000,000.00) for the purpose of paying the costs, damages and expenses of making improvements generally in the City, and provided that the question of increasing the indebtedness in said amount for such purposes be submitted to a vote of the electors of said City at a Special Bond Election to be held on Tuesday, the 9th day of September, 1947; and

Whereas, After due legal notice said Special Election was held and conducted as required by law and a majority of the electors who voted at said Election, voted in favor of said increase of indebtedness and the vote was duly counted as required by law and the return certified to Council, which certified return has been placed of record upon the minutes of the Council and is also of record in the Office of the Clerk of Quarter Sessions Court of Allegheny County at No. 2 October, 1947; and

Whereas, The authority conferred by said Special Bond Election of September 9, 1947, has been partially exercised by the issuance of General Public Improvement Peoples Bonds of 1947, Series A, in the amount of Five Hundred Thousand Dollars (\$500,000.00), pursuant to Ordinance No. 453, approved November 13, 1947, by the issuance of General Public Improvement Peoples Bonds of 1948, Series A, in the amount of Four Million Dollars (\$4,000,000.00), pursuant to Ordinance No. 68, approved March 11, 1948, and by the issuance of General Public Improvement Peoples Bonds of 1949 Series

A in the amount of Four Million Six Hundred Thousand Dollars (\$4,600,000.00) pursuant to Ordinance No. 60, approved February 16, 1949; and

Whereas, Of the authority granted by said Special Bond Election of September 9, 1947, there now remains, after the partial exercise thereof, by the issues of 1947, 1948 and 1949 aforesaid, the unexercised authority to increase the indebtedness of the City of Pittsburgh by the issuance of additional Peoples Bonds up to the amount of Eleven Million Nine Hundred Thousand Dollars (\$11,900,000.00).

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That pursuant to the authority conferred by vote of the electors of the City of Pittsburgh at a Special Bond Election held the 9th day of September, 1947, General Obligation Peoples Bonds of the City of Pittsburgh be issued in the aggregate principal amount of Four Million Dollars (\$4,000,000.00) to provide funds to pay the cost of any or all of the following general public improvements: the construction, reconstruction, alteration, replacement, major repairs, and rehabilitation of municipal buildings, police and fire houses and other municipal facilities; the purchase and installation of a central fire alarm system, the purchase of new fire-fighting apparatus and the purchase, installation and replacement of traffic control equipment; the construction, reconstruction and resurfacing of streets generally, including the Negley Run Parkway; the construction and reconstruction of sewers and sewer pumping stations; the construction of concrete steps; the reconstruction and major repair of bridges; the construction and equipment of a central warehouse and garage; the construction and equipment of division headquarters for the Department of Public Works; the reconditioning and replacement of street signs and markers; and for the construction and reconstruction of water lines and additions to, rehabilitation of and equipping of pumping stations, filtration plants, reservoirs and water mains and other

improvements under the jurisdiction of the Bureau of Water; the alteration, rehabilitation and equipment of existing facilities and new construction and equipment in the Department of Parks and Recreation, including playgrounds, park buildings and facilities, swimming pools and the North Side Conservatory, including architectural and engineering expenses in connection with any of the foregoing purposes.

The estimated period of usefulness of the improvements for which the aforesaid general obligation peoples bonds are to be issued is hereby stated and determined to be twenty (20) years from the date of said bonds.

Section 2. Said bonds shall be in denominations of One Thousand Dollars (\$1,000.00) each, shall be dated as of the first day of May, 1950, and shall be payable in twenty (20) equal installments of Two Hundred Thousand Dollars each, one of which installments shall mature on the first day of May, of each of the years 1951 to 1970, inclusive. Said bonds shall bear interest at a rate not exceeding four per centum (4%) per annum, to be determined by acceptance of bids submitted in accordance with published advertisements as provided by law, payable semi-annually on the first day of May and November in each year during the term thereof, without deduction for any taxes which may be levied on said bonds, or on the debt secured thereby, by the Commonwealth of Pennsylvania, pursuant to any present or future law (except succession, estate, inheritance and gift taxes), the payment of which is hereby assumed by the City of Pittsburgh. The principal of and interest on said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder for registered bonds of the same maturity by surrendering such coupon bond or bonds with all coupons not yet due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be printed or engraved and to issue

the same in the name of the City of Pittsburgh. The cost of preparing and issuing these bonds shall be deemed to be one of the purposes for which the bonds are issued and the expenses thereof shall be paid out of the proceeds of the sale of these bonds upon invoices approved by the Finance Committee of Council.

Registered bonds shall be registered with the City Treasurer, and shall be reregistered only on the books of the City Treasurer. Both registered and coupon bonds shall be signed by the Mayor, countersigned by the City Controller, and sealed with the corporate seal of the City of Pittsburgh. In case of the absence or disability of any of such officials, the bonds shall be signed by the City official authorized by law or by resolution of Council to act in his place. Each of said bonds shall be known and designated as **GENERAL PUBLIC IMPROVEMENT PEOPLES BOND OF 1950 SERIES A.**

Section 3. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, to the highest responsible bidder therefor after public notice by advertisement as may be required by law.

Section 4. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax, commencing the first year after said bonded debt shall have been increased or incurred, namely, the year 1951, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax thereon which by the terms of said bonds is assumed by the City, and also an annual tax commencing in said year equal to five per centum (5%) of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and retirement of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of

the revenues of said City for the payment and redemption aforesaid. There is also hereby appropriated out of the general funds of the City a sum sufficient for the payment of the first installment of interest due under the terms of said bonds.

The aforesaid tax levy shall be expressed as an amount of money to be raised by taxation in each succeeding year, during the term of said bonds, for principal, interest and taxes thereon by a subsequent ordinance supplementing or amending this ordinance after the determination of the interest rate which shall be applicable thereto. Said ordinance or amendment to this ordinance shall also fix the interest rate on said bonds.

Section 5. That all bonds issued by the authority of this ordinance, and the Acts of Assembly authorizing the same, shall be general obligation bonds, shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof shall be free from taxation, as aforesaid, and for the payment of the principal of the said bonds and the interest thereon semi-annually as the same shall become payable, the full faith, honor, credit and property of the City are hereby irrevocably pledged.

Section 6. That the coupon and registered bonds issued in pursuance of this ordinance shall be in form approved by the City Solicitor and shall follow the provisions of this ordinance.

Section 7. Pending the execution and delivery of the definitive bonds to be issued under this Ordinance, the Mayor and the City Controller are authorized to have prepared, and to execute and deliver to the purchaser of the bonds hereby authorized, one or more temporary typewritten or printed bonds for the aggregate principal amount of the bonds authorized by this Ordinance, which temporary bonds shall be in such denomination and amount as the Mayor and the Controller may determine, and shall be substantially of the tenor of the registered bonds, to be issued hereunder, with appropriate omissions, insertions and variations as

may be required. Each of said temporary bonds shall bear on its face the words

TEMPORARY GENERAL PUBLIC
IMPROVEMENT PEOPLES BONDS OF
1950 SERIES A

and such temporary bonds shall be exchangeable at the office of the City Controller for a like principal amount of definitive bonds, when such definitive bonds are ready for delivery.

Section 8. The Mayor and the City Controller are hereby authorized and directed to prepare and file with the Clerk of the Court of Quarter Sessions of Allegheny County, Pennsylvania, under oath, a statement showing (a) the amount of existing gross liability of the City, the various allowable deductions which are claimed, and the net debt of the City; (b) the amount of the assessed valuation of all taxable property as last determined; (c) the amount of bonds to be issued hereunder, and (d) the form, number and date of maturity of said bonds in accordance with the provisions of the Act of Assembly of the Commonwealth of Pennsylvania, approved June 25, 1941, P. L. 159, known as the "Municipal Borrowing Law," and any amendments thereof or supplements thereto, and to do and perform all other acts required by said Act or by this Ordinance or any Amendments or supplements thereto in connection with the sale and issuance of said bonds.

Section 9. It is hereby declared that the existing net debt of the City of Pittsburgh and the debt to be incurred hereby do not in the aggregate exceed any constitutional or statutory limitation.

Section 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 159

AN ORDINANCE—Authorizing and directing an increase in the indebtedness of the City of Pittsburgh in the amount of Three Hundred Seventy Thousand Dollars (\$370,000.00), and providing for the issuance of general obligation bonds in said amount to provide funds for the purchase of furniture and motorized equipment and for the payment to the Commonwealth of Pennsylvania of a portion of the City's contribution to the cost of the Penn-Lincoln Limited Access Highway;

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That general obligation bonds of the City of Pittsburgh be issued in the aggregate principal amount of Three Hundred Seventy Thousand Dollars (\$370,000.00) to provide funds for the purchase of furniture and motorized equipment and for the payment to the Commonwealth of Pennsylvania of a portion of the City's contribution to the cost of the Penn-Lincoln Limited Access Highway.

The estimated period of usefulness of the property to be purchased and the Penn-Lincoln Parkway Improvement for which the aforesaid general obligation bonds are to be issued is hereby stated and determined to be not less than five (5) years from the date of said bonds.

Section 2. Said bonds shall be in denominations of One Thousand Dollars (\$1,000.00) each, shall be dated as of the first day of May, 1950, and shall be payable in five (5) equal installments of Seventy-Four Thousand Dollars (\$74,000.00) each, one of which installments shall mature on the first day of May of each of the years 1951 to 1955 inclusive. Said bonds shall bear interest at a rate not exceeding four per centum (4%) per annum, to be determined by acceptance of bids submitted in accordance with published advertisements as provided by law, payable semi-annually on the first days of May and November in each year during the term thereof, without deduction for any taxes which may

be levied on said bonds, or on the debt secured thereby, by the Commonwealth of Pennsylvania, pursuant to any present or future law (except succession, estate, inheritance and gift taxes), the payment of which is hereby assumed by the City of Pittsburgh. The principal of and interest on said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder for registered bonds of the same maturity by surrendering such coupon bond or bonds with all coupons not yet due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be printed or engraved and to issue the same in the name of the City of Pittsburgh. The cost of preparing and issuing these bonds shall be deemed to be one of the purposes for which the bonds are issued and the expenses thereof shall be paid out of the proceeds of the sale of these bonds upon invoices approved by the Finance Committee of Council.

Registered bonds shall be registered with the City Treasurer, and shall be reregistered only on the books of the City Treasurer. Both registered and coupon bonds shall be signed by the Mayor, countersigned by the City Controller, and sealed with the corporate seal of the City of Pittsburgh. In case of the absence or disability of any of such officials, the bonds shall be signed by the City official authorized by law or by resolution of Council to act in his place. Each of said bonds shall be known and designated as Equipment and Limited Access Highway Bond of 1950, SERIES A.

Section 3. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, to the highest responsible bidder therefore after public notice by advertisement as may be required by law.

Section 4. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and

assessed annually upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax, commencing the first year after said bonded debt shall have been increased or incurred, namely, the year 1951, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax thereon which by the terms of said bonds is assumed by the City, and also an annual tax commencing in said year equal to twenty per centum (20%) of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and retirement of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenues of said City for the payment and redemption aforesaid. There is also hereby appropriated out of the general funds of the City a sum sufficient for the payment of the first installment of interest due under the terms of said bonds.

The aforesaid tax levy shall be expressed as an amount of money to be raised by taxation in each succeeding year, during the term of said bonds, for principal, interest and taxes thereon by a subsequent ordinance supplementing or amending this ordinance after the determination of the interest rate which shall be applicable thereto. Said ordinance or amendment to this ordinance shall also fix the interest rate on said bonds.

Section 5. That all bonds issued by the authority of this ordinance, shall be general obligation bonds, shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof shall be free from taxation, as aforesaid, and, for the payment of the principal of the said bonds and the interest thereon semi-annually as the same shall become payable, the full faith, honor, credit and property of the City are hereby irrevocably pledged.

Section 6. That the coupon and registered bonds issued in pursuance of this ordinance shall be in form

approved by the City Solicitor and shall follow the provisions of this ordinance.

Section 7. Pending the execution and delivery of the definitive bonds to be issued under this Ordinance, the Mayor and the City Controller are authorized to have prepared, and to execute and deliver to the purchaser of the bonds hereby authorized, one or more temporary typewritten or printed bonds for the aggregate principal amount of the bonds authorized by this Ordinance, which temporary bonds shall be in such denomination and amount as the Mayor and the Controller may determine, and shall be substantially of the tenor of the registered bonds, to be issued hereunder, with appropriate omissions, insertions and variations as may be required. Each of said temporary bonds shall bear on its face the words TEMPORARY EQUIPMENT AND LIMITED ACCESS HIGHWAY BOND OF 1950, SERIES A and such temporary bonds shall be exchangeable at the office of the City Controller for a like principal amount of definitive bonds, when such definitive bonds are ready for delivery.

Section 8. The Mayor and the City Controller are hereby authorized and directed to prepare and file with the Clerk of the Court of Quarter Sessions of Allegheny County, Pennsylvania, under oath, a statement showing (a) the amount of existing gross liability of the City, the various allowable deductions which are claimed, and the net debt of the City; (b) the amount of the assessed valuation of all taxable property as last determined; (c) the amount of bonds to be issued hereunder, and (d) the form, number and date of maturity of said bonds in accordance with the provisions of the Act of Assembly of the Commonwealth of Pennsylvania, approved June 25, 1941, P. L. 159, known as the "Municipal Borrowing Law," and any amendments thereof or supplements thereto, and to do and perform all other acts required by said Act or by this Ordinance or any amendments or supplements thereto in connection with the sale and issuance of said bonds.

Section 9. It is hereby declared

that the existing net debt of the City of Pittsburgh and the debt to be incurred hereby do not in the aggregate exceed any constitutional or statutory limitation.

Section 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed, so far as the same affects this Ordinance.

AN ORDINANCE—Authorizing and directing an increase of the indebtedness of the City of Pittsburgh in the amount of \$150,000 and providing for the issuance and sale of Callable General Obligation Bonds of said City, in said amount, to provide funds to be loaned to the Public Parking Authority of Pittsburgh for the preparation of detailed plans and specifications for the construction of off-street parking facilities in the City of Pittsburgh; and levying taxes to provide for the redemption of said bonds at maturity and the payment of interest and state taxes thereon.

Whereas, The Public Parking Authority of Pittsburgh is a body politic and corporate, created and existing under Charter of the Commonwealth of Pennsylvania granted upon Application of the City of Pittsburgh, pursuant to the provisions of the "Parking Authority Law," approved the 5th day of June, 1947, to promote the public safety, convenience and welfare by the reduction of traffic congestion on the streets of the City of Pittsburgh; and

Whereas, It is the declared policy of the Commonwealth of Pennsylvania, as set forth in the "Parking Authority Law" of 1947, that the purposes for which the Public Parking Authority of Pittsburgh has been incorporated are public uses for which public money may be spent; and

Whereas, The Public Parking Authority of Pittsburgh is authorized by law to borrow money from the City of Pittsburgh;

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. Callable general obligation bonds of the City of Pittsburgh shall be issued in the aggregate principal amount of One Hundred Fifty Thousand (\$150,000.00) Dollars to provide funds to be loaned to the Public Parking Authority of Pittsburgh for the preparation by the Parking Authority of detailed plans and specifications for the construction of facilities for off-street parking in the City of Pittsburgh. The estimated period of usefulness of the property and improvements for which the aforesaid general obligation bonds are to be issued is hereby stated and determined to be not less than five (5) years from the date of said bonds.

Section 2. Said bonds shall be designated as

CALLABLE PUBLIC PARKING BONDS OF 1950, SERIES A

Said bonds shall be in denominations of One Thousand Dollars (\$1000.00) each, shall be dated as of the first day of May, 1950, and shall be payable in five equal installments of Thirty Thousand Dollars (\$30,000.00) each, one of which installments shall mature on the first day of May in each of the years 1951 to 1955, inclusive. Said bonds shall bear interest at a rate not exceeding four per centum (4%) per annum, to be determined by the acceptance of bids submitted in accordance with published advertisements as provided by law, payable semi-annually on the first day of May and November in each year during the term thereof, without deduction for any taxes which may be levied on said bonds, or on the debt secured thereby, by the Commonwealth of Pennsylvania, pursuant to any present or future law (except succession, estate, inheritance and gift taxes), the payment of which is hereby assumed by the City of Pittsburgh. The principal of and interest on said

bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder for registered bonds of the same maturity by surrendering such coupon bond or bonds, with all coupons not yet due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be printed or engraved and to issue the same in the name of the City of Pittsburgh, the expense thereof to be charged to the proceeds of the sale of said Bonds.

All of these bonds of this issue, whether coupon or registered, shall be subject to call for redemption and pre-payment on the first day of May, 1952, or at any interest-paying date thereafter, by paying the face amount of the bonds then outstanding and accrued interest thereon from the last previous interest-paying date; provided notice of such redemption be given by publication at least sixty (60) days prior to the first day of May, 1952, or at least sixty (60) days prior to any call date subsequent to the first day of May, 1952. Such notice shall designate the place where such bonds shall be presented for payment and shall be published in at least one newspaper of general circulation in the City of Pittsburgh, Pennsylvania, and in "The Bond Buyer," or in any financial paper of like nature having a general circulation.

Registered bonds shall be registered with the City Treasurer, and shall be re-registered only on the books of the City Treasurer. Both registered and coupon bonds shall be signed by the Mayor, countersigned by the City Controller, and sealed with the corporate seal of the City of Pittsburgh. In case of the absence or disability of any of such officials, the bonds shall be signed by the City official authorized by law or by resolution of Council to act in his place.

Section 3. Said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, to the highest responsible bidder

therefor after public notice by advertisement as may be required by law.

Section 4. Until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax commencing the first year after said bonded debt shall have been increased or incurred, namely, the year 1951, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax thereon which by the terms of said bonds is assumed by the City, and also an annual tax commencing in said year equal to twenty percentum (20%) of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and retirement of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenues of said City for the payment and redemption aforesaid. There is also hereby appropriated out of the general funds of the City a sum sufficient for the payment of the first installment of interest due under the terms of said bonds.

The aforesaid tax levy or levies shall be expressed as an amount of money to be raised by taxation in each succeeding year, during the term of said bonds, for principal, interest and taxes thereon, by a subsequent ordinance supplementing or amending this ordinance after the determination of the interest rate which shall be applicable thereto. Said ordinance or amendment to this ordinance shall also fix the interest rate on said bonds.

The full amount of the contemplated loan to the Public Parking Authority of Pittsburgh is hereby pledged to the redemption of these bonds and to the payment of interest and taxes thereon, and all sums received from the Public Parking Authority of Pittsburgh in repayment of said loan, or as interest thereon, shall be deposited in the Sinking Fund hereinbefore provided for the payment of principal and retirement of said bonds. The amount of any payment of principal or interest

received from the Public Parking Authority of Pittsburgh and deposited in the Sinking Fund in any one year may be deducted from the amount of the annual taxes hereby levied for the following or subsequent years for the redemption of said bonds and the payment of interest and taxes thereon.

Section 5. All bonds issued by the authority of this ordinance, and the Acts of Assembly authorizing the same, shall be general obligation bonds, shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof, shall be free from taxation, as aforesaid, and for the payment of the principal of the said bonds and the interest thereon semi-annually as the same shall become payable, the full faith, honor, credit and property of the City are hereby irrevocably pledged.

Section 6. The existing net debt of the City of Pittsburgh and the debt to be incurred hereby do not in the aggregate exceed the limitations of the Constitution of this Commonwealth and of the Municipal Borrowing Law of 1941, P. L. 159.

Section 7. The coupon and registered bonds issued in pursuance of this ordinance shall be in form approved by the City Solicitor, and shall follow the provisions of this Ordinance.

Section 8. Pending the execution and delivery of the definitive bonds to be issued under this Ordinance, the Mayor and the City Controller are authorized to have prepared, and to execute and deliver to the purchaser of the bonds hereby authorized, one or more temporary typewritten or printed bonds for the aggregate principal amount of the bonds authorized by this Ordinance, which temporary bonds shall be in such denomination and amount as the Mayor and the City Controller may determine, and shall be substantially of the tenor of the registered bonds to be issued hereunder, with appropriate omissions, insertions and variations as may be required. Each of said temporary bonds shall bear on its face the words

CALLABLE TEMPORARY PUBLIC
PARKING BOND OF 1950,
SERIES A

and such temporary bonds shall be exchangeable at the office of the City Controller for a like principal amount of definitive bonds, when such definitive bonds are ready for delivery.

Section 9. The Mayor and the City Controller are hereby authorized and directed to prepare and file with the Clerk of the Court of Quarter Sessions of Allegheny County, Pennsylvania, under oath, a statement showing (a) the amount of the existing gross liability of the City, the various allowable deductions which are claimed, and the net debt of the City; (b) the amount of the assessed valuation of all taxable property as last determined; (c) the amount of the bonds to be issued hereunder; and (d) the form, number and date of maturity of said bonds in accordance with the provisions of the Act of Assembly of the Commonwealth of Pennsylvania, approved June 25, 1941, P. L. 159, known as the "Municipal Borrowing Law," and any amendments thereof or supplements thereto, and to do and perform all other acts required by said Act or by this Ordinance or any amendments or supplements thereto in connection with the sale and issuance of said bonds.

Section 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 161

AN ORDINANCE—Authorizing the City of Pittsburgh to enter into an agreement with the Commonwealth of Pennsylvania for the reimprovement of Marshall avenue at Linwood avenue, State Highway Route, Section 10, prescribing the form of the agreement

and authorizing its execution.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of Public Works be and they are hereby authorized to enter into an agreement on behalf of the City of Pittsburgh with the Commonwealth of Pennsylvania in the following form:

This Agreement, made and entered into this.....day of..... 1950, by and between the Commonwealth of Pennsylvania, acting through the Secretary of Highways, hereinafter called the Commonwealth,

AND

the City of Pittsburgh, a municipal corporation of the Commonwealth of Pennsylvania, by David L. Lawrence, Mayor, and James S. Devlin, Director of Public Works, hereinafter referred to as the City.

W I T N E S S E T H :

Whereas, The Commonwealth, by its Secretary of Highways, is about to improve a portion of Marshall avenue, Route 246, Section 10, located in the City of Pittsburgh, County of Allegheny, Pennsylvania, extending from a point on Route 246, 240 feet southwest of Marshall avenue and Linwood avenue, at Station 166+20, to the intersection of Marshall avenue and Hawkins avenue at Station 170+47, a distance of four hundred and twenty-seven feet (427') for a width of forty feet (40'); and

Whereas, the City, concurrently with the improvement of said route by the Commonwealth, desires to make certain additional improvements for which it is responsible and for which it has requested the Commonwealth to advertise and for which it has agreed to contract;

Now, Therefore, This Agreement Witnesseth: that the parties hereto do agree as follows:

First—That the Commonwealth, pursuant to the provisions of the Act of June 1, 1933, P. L. 1410 and the Act

of May 31, 1911, P. L. 468, their supplements and amendments, shall advertise for bids and let a contract for the improvement of Route 246, Section 10, between Station 166+20 and Station 170+47, in the City of Pittsburgh, Allegheny County, Pennsylvania, and will, on behalf of the City, advertise for bids and let a contract to the successful bidder for the additional improvements hereinafter mentioned to be contracted for by the City. The Commonwealth's portion of said improvement is described as follows:

From a point on Route 246, 240 feet southwest of Marshall avenue and Linwood avenue at Station 166+20 to the intersection of Marshall avenue and Hawkins avenue at Station 170+47, a distance of four hundred and twenty-seven feet (427') for a width of Forty feet (40') between curbs, consisting of a nine inch plain cement concrete base course, special mix, with a two and one-half inch bituminous surface course, JA-1.

Second—The City will enter into an agreement with the successful bidder at the unit prices bid by said contractor for the following additional improvements, the same being described as follows:

From a point on Route 246, 240 feet southwest of Marshall avenue at Station 166+20 to the intersection of Marshall avenue and Hawkins avenue, at Station 170+47, a distance of four hundred and twenty-seven feet (427'), the City's portion of the improvement to consist of the following: curbs, sidewalks, grading and drainage back of face of curbs, furnishing and placing of inlet castings, grading and paving of intersecting street returns and all work connected with the lowering of the water line.

Third—The Commonwealth's estimated share of the work now proposed will amount to Twenty Thousand, One Hundred and Fifty Dollars (\$20,150.00), and the City's share covering the additional work mentioned herein is estimated to cost the sum of Ten Thousand, Eight Hundred and Fifty Dollars (\$10,850.00) based upon the preliminary estimate prepared by and

on file with the Department of Highways of the Commonwealth of Pennsylvania.

FOURTH—It is agreed by and between the parties hereto that contracts may be awarded for the work under this Agreement in excess of said estimated costs to the extent of twenty percent (20%).

Fifth—It is agreed by and between the parties hereto that work may be done and material furnished under this Agreement in excess of the contract quantities to the extent of fifteen percent (15%), and deductions for work not done and material not furnished shall be made in a similar manner from the contract quantities, but if additional work and material beyond fifteen percent (15%) of the contract shall be required, a further Agreement between the parties hereto shall be made before the work shall be done.

Sixth—All work done by virtue of this Agreement shall conform to and be governed by the plans and specifications prepared by and on file with the Department of Highways of the Commonwealth, said plans having been approved by the Secretary of Highways on June 1, 1949. All work shall be done under the supervision of the Secretary of Highways of the Commonwealth, or his duly authorized representative except as herein stipulated.

Seventh—The Commonwealth, at its own cost and expense, shall advertise for bids for the entire work. The City will, however, contract directly with the successful bidder for the City's share of said improvement. It is mutually agreed that the Commonwealth shall have full and complete charge of the work which under this Agreement is to be performed by the Commonwealth and shall furnish whatever engineering and inspection services are necessary to prosecute the same successfully. The City shall, at its own cost and expense, furnish whatever engineering or inspection services it may deem necessary properly to supervise that portion of the work which is to be paid for by the

City under the provisions of this Agreement.

Eighth—The City agrees to assume liability for all sums awarded for property taken, injured, or destroyed by reason of the change of the elevations of the sidewalks as instituted by the City for this improvement and the City further agrees to enact all necessary ordinances for the re-establishment of any grades of existing streets or highways and to establish and effect completely the said consent and approval of the City requisite for the widening of the roadway and re-improvement of said highway and approach streets in accordance with this Agreement.

Ninth—The City agrees to give all necessary notices to all parties concerned of the proposed improvement and to require all private parties, utility and public service companies to make all needed alterations, repairs, and connections to existing utilities, and to require said parties and companies to install any new utilities necessary.

Tenth—The City further agrees to be responsible for the preparation of plans for all water line work; said water line work to be incorporated as part of this improvement; the water line work to be done under the supervision and inspection of the City.

Eleventh—The Commonwealth agrees to pay for all grading, spoil, embankment, paving, and storm water connections, including inlet connections, required by the plans and specifications for the area between the curb lines.

Twelfth—The City shall have the right during construction to enter upon and carry out any and all additional work required to be done which has not been incorporated in the approved plans.

Thirteenth—The City further agrees to reimburse the Commonwealth for the additional inspectional costs up to the amount of liquidated damages assessed on the City's contract in the event such damages are assessed.

Fourteenth—After said improvement, the aforesaid section of highway shall be subject to the laws governing the tearing up or opening of State highways in cities of the Second Class, and the Commonwealth will not be required to maintain such part of said improvement for which the City will contract and pay under the terms of this agreement.

In Witness Whereof, the Secretary of Highways, for and on behalf of the Commonwealth of Pennsylvania, has hereunto affixed his hand and the seal of the Department of Highways, and the Mayor and the Director of the Department of Public Works, acting for and on behalf of the said City, have hereunto set their hands and affixed the official seal of the City, pursuant to Ordinance No. ----- approved -----19----

No. 174

AN ORDINANCE—Taking, appropriating and condemning by the City of Pittsburgh for public purposes certain property of Antonio Venturino and Modestina Venturino, his wife, and condemning an easement retained by Gregorio Asturi and Rose Asturi, his wife, over the same, said property being situate on Olivant street in the

Twelfth Ward of the City of Pittsburgh and authorizing the Director of Public Works of the City of Pittsburgh to take the necessary proceedings therefor.

Whereas, The City of Pittsburgh deems it proper and expedient to exercise the power of eminent domain vested in the said corporation for the acquisition by it of the real estate hereinafter mentioned and described, to be used for public purposes and for condemning an easement over the same, now Therefore:

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That certain property of Antonio Venturino and Modestina Venturino, his wife, situate on Olivant street in the Twelfth Ward of the City of Pittsburgh, as hereinafter described, shall be and the same is hereby taken, appropriated and condemned by the City of Pittsburgh for public purposes and an easement retained by Gregorio Asturi and Rose Asturi, his wife, over the same as hereinafter described, shall be and the same is hereby condemned. The property so acquired is bounded and described as follows:

Beginning on the northerly line of Olivant street distant South 53° 47' 10" East 50.0 feet from the easterly line of property of Duquesne Light Company, said place of beginning being at the easterly line of property now or late of Joseph Vozzo and Betty Vozzo, his wife; thence extending along the easterly line of the latter mentioned property, North 2° 55' 50" East 150.0 feet, to the northerly line of the same; thence along the northerly line of the same, North 53° 47' 10" West 50.0 feet to the easterly line of property of Duquesne Light Company; thence along the easterly line of Duquesne Light Company, North 2° 55' 50" East 398.88 feet, to the northeasterly corner of the last mentioned property at the southerly line of property of the City of Pittsburgh; thence along the southerly line of property of the City of Pittsburgh, South 69° 55' 10" East 180.15 feet to the dividing line between property acquired by Antonio Venturino

and Modestina Venturino, his wife, by deed dated July 1, 1947, and recorded in the Recorder's Office of Allegheny County in Deed Book Volume 2969, Page 112, and other property acquired by them by deed dated August 27, 1946, and recorded in Deed Book Volume 2903, Page 695; thence along the dividing line between the last mentioned properties, South 11° 57' 10" West 460.41 feet to an angle point; thence South 15° 34' 10" West 83.84 feet to an angle point; thence South 36° 12' 50" West 10.62 feet to the northerly line of Olivant street; thence along the northerly line of Olivant street, North 53° 47' 10" West 40.53 feet to the place of beginning.

The above mentioned easement as condemned was retained by Gregorio Asturi and Rose Asturi, his wife, previous owners, in deed conveying the above mentioned property to Antonio Venturino and Modestina Venturino, his wife, present owners, said deed being dated July 1, 1947, and recorded in Deed Book Volume 2969, Page 112.

The above described property is subject to certain rights and privileges granted by Gregorio Asturi and Rose Asturi, his wife, former owners, to Duquesne Light Company by deed dated September 16, 1943, and recorded in Deed Book, Volume 2770, Page 242, certain rights and privileges granted by Alois Wirth and Karolina Wirth, his wife, former owners to Bell Telephone Company, by deed dated March 21, 1917, and recorded in Deed Book, Volume 2309 Page 557, and to certain rights and privileges granted by Antonio Venturino and Modestina Venturino, his wife, to Duquesne Light Company by deed dated April 28, 1948, and recorded in Deed Book Volume 2987, Page 420.

The City of Pittsburgh does hereby elect and resolve to take, use, appropriate and condemn said real estate and property for the purposes aforesaid, the damages therefor not having been agreed upon between the said City and the said owners.

Section 2. The Director of the Department of Public Works of the City of Pittsburgh is hereby authorized and

directed to proceed in the name and on behalf of said City, and for the use of the same to have taken, appropriated, and condemned for public purposes in the manner prescribed by law, all the above described real estate and property situate in the Twelfth Ward of the City of Pittsburgh, belonging to Antonio Venturino and Modestina Venturino, his wife, and an easement over the same as retained by Gregorio Asturi and Rose Asturi, his wife.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 175

AN ORDINANCE—Granting unto the Blaw Knox Company, a New Jersey Corporation, its successors or assigns, the privilege to install, maintain and use a connection to the 60" City water main in Freeport road, near Woodland road, Blawnox Borough, Allegheny County, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Blaw Knox Company, a New Jersey corporation, its successors or assigns, are hereby given the privilege to install, maintain and use a connection to the 60" City water main in Freeport road, near Woodland road, Blawnox Borough, Allegheny County, Pennsylvania, subject to the following conditions:

1. The water taken pursuant to this ordinance shall be used for fire protection purposes only, and it shall not be wasted or used for any purposes other than the extinguishment of fire or for testing of the fire protective system which it serves.

2. There shall be no connection between the fire protective system using

said water and any other water supply system or any part thereof.

The City shall have the right to inspect the fire protective system of the company, at any time it may desire to determine if any connections exist between this system and any other water supply, to test for leaks on this fire protective system, to count the fire hydrants and sprinkler heads connected thereto or for any other examination of the system.

3. The water taken pursuant to this ordinance shall be metered near the point of connection to the City main. The connection, the meter and the meter vault shall each be in accordance with City standards and shall be subject to the inspection and approval of the Director of the Department of Public Works, City of Pittsburgh.

4. The Blaw Knox Company shall pay for all costs of installation and maintenance of the connection, the meter and the meter vault except that the meter shall be maintained by forces of the City of Pittsburgh.

5. The Blaw Knox Company shall save the City of Pittsburgh harmless against all claims, costs and damages arising out of the aforesaid installation and maintenance, and the approval by the Director of the Department of Public Works of the City of Pittsburgh of any plan, procedure, material, workmanship or other element of the work shall not operate to relieve the Blaw Knox Company of its sole responsibility in this matter.

6. The City of Pittsburgh does not guarantee continuity of service or adequate pressure or volume of water available.

7. Payments for water used, for meter maintenance, for fire hydrants and for sprinkler heads connected to the Blaw Knox Company fire protective system shall be in accordance with the following schedule:

No charge shall be made for water used during fires, nor for water used while making tests of the operation of the fire protective system to the

amount of 75,000 gallons in each quarter year. Any water used for test purposes in excess of the above quantity shall be paid for at the rates established from time to time for metered water used within the City of Pittsburgh plus 25% of such rates.

The meter maintenance charge shall be at the rate established from time to time for the same size of meter on a metered service within the City of Pittsburgh plus 25% of such rate.

Each fire hydrant shall be charged for at the rate of \$75.00 per year.

Automatic sprinkler heads shall be charged at the following rates per year:

For 1000 or less \$60.00

For each one additional 0.06

Payments shall be made quarterly to the City Treasurer and shall each be accompanied by an affidavit by a responsible officer of the company that all then existing fire hydrants and sprinkler heads are accounted for.

8. The City, on notice, will operate the valves at the connection to the 60" main as may be necessary for making the installation and employees or agents of the company shall not operate or attempt to operate these valves under any circumstances.

9. The company shall maintain its line and appurtenances, except the meter, in good operating condition and free from leaks and it shall promptly make any necessary repairs on notice from the City.

10. The company shall not in any way obstruct the openings to gate boxes or meter vault which shall always be accessible to City forces for examination, meter reading, meter maintenance or any other proper City purpose.

11. The Blaw Knox Company shall execute the standard application and contract for City water supply and shall be subject to all the provisions thereof.

Section 2. The said Blaw Knox Company, its successors or assigns,

prior to beginning work on the installation of the connection, the meter and meter vault, and the necessary piping shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans in triplicate showing the location of the intended work together with details thereof and the materials to be used, said plans, work and materials, being subject to the approval and supervision of the said Director.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of Blawnox Borough and its power over borough streets.

Section 4. The Blaw Knox Company shall obtain, as may be necessary, any permit required by Blawnox Borough for the work herein contemplated and shall bear all expense in connection with obtaining such permits and for complying with the conditions thereof.

Section 5. The privileges are granted by the ordinance subject to the stipulation that they shall continue only if such continuation is not unduly burdensome upon the City of Pittsburgh, of which condition the City shall be the sole judge and in which case they shall terminate at the expiration of six (6) months notification to the Company.

Section 6. The foregoing privileges are granted subject to the condition that this ordinance shall become null and void unless within 60 days after its enactment by Council and approval by the Mayor, the said Blaw Knox Company, its successors or assigns, shall file with the proper officers of the City its certificate of acceptance, to be executed by the said Blaw Knox Company, its successors or assigns.

Section 7. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 195

AN ORDINANCE—Granting unto the American Radiator and Standard Sanitary Corporation, its successors or assigns, the right to construct, maintain, and use, at its own cost and expense, a side track in Lighthill street in the Twenty-first Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the American Radiator and Standard Sanitary Corporation, its successors or assigns, are hereby given the right and authority, to construct, maintain, and use, at its own cost and expense, a side track in Lighthill street in the Twenty-first Ward, Pittsburgh, Pennsylvania, for the purpose of conveying materials to and

from its properties situated on the westerly side of Lighthill street. The center line of the proposed track shall be located as follows:

Beginning at a point 595 feet south of the southerly line of Ridge avenue and 9.37 feet east of the westerly line of Lighthill street, the point of switch in existing railroad track; thence in a northwesterly direction by a segment of a curve having a radius of 287.94 feet, for a distance of 54 feet to a point; thence north 28° 15' 39" west for a distance of 5 feet to a point; thence in a northwesterly direction by a segment of a curve having a radius of 193.19 feet, for a distance of 14.59 feet to a point; thence north 26° 34' 20" west for a distance of 3.5 feet to a point on the westerly line of Lighthill street.

The said track shall be constructed in accordance with the plans identified as Accession Nos. B-645 and B-646 on file in the Bureau of Highways & Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of construction of said side track, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing location, paving, sewerage, and all details for the construction of said side track and the said plan and construction of the side track shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which may hereafter be passed relating to the construction, maintenance and use of side tracks on City streets and compensation for same.

Section 4. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said side track upon giving a six

(6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the American Radiator and Standard Sanitary Corporation, its successors or assigns, to the effect, and the said Grantee shall, when so notified, at the expiration of the said six (6) months forthwith remove, at his own cost and expense, the said side track and replace the street to a condition as required by the said Director or as herein further stipulated.

The foregoing rights and privileges are granted subject to the following conditions, to-wit:

This Ordinance shall become null and void unless within sixty (60) days after its passage and approval, the American Radiator and Standard Sanitary Corporation, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions hereof, said certificate to be executed by the President and Secretary of the Corporation, with its corporate seal attached.

Section 5. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance and use of said side track, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 6. The said Grantee shall bear the full cost and expense of the repair of sewers, water lines, and other surface and sub-surface structures which may be in any way damaged or disturbed on account of the construction, maintenance, and use of said side track.

In the event that Lighthill street is paved, the said Grantee shall at its own cost and expense pave, with a type of pavement approved by the Director of the Department of Public Works, an area extending 5 feet in each direction from the center line of said track for that portion of the track contained within Lighthill street for the courses and distances described above. After this area has been paved

the said Grantee shall maintain the pavement in a manner appropriate to the adjoining street pavement and as required by the said Director.

Should the said track be abandoned or its use discontinued, the Grantee shall bear the full cost and expense of the repair and repaving of the same area of Lighthill street that was required to be paved by the said Grantee, and of the repair of any sub-structures thereunder as directed by said Director.

Section 7. The said Grantee, at its own cost and expense, shall furnish, install and maintain all warning signals ordered by the Pennsylvania Public Utility Commission.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

CF-5	87.54	7.75	3.29	879.57	881.23

The described column footings shall be constructed to the provisions of this Ordinance and in accordance with the Plan, identified as Accession No. B-647 on file in the office of the Bureau of Highways & Sewers, Department of Public Works.

Section 2. The said Kennilworth, Inc., its successors or assigns, prior to the beginning of the construction of said column footings shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the locations for the construction of said column footings, said plan and the construction of said column footings shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the same.

Section 4. The said Grantee shall bear the full cost and expense for the repaving and repair of the streets or sidewalks above affected by this improvement, or the repair of any structure which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said column footings; all of said work, including repairs of streets or sidewalks, shall be done in a manner and at such time as said Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh without liability, reserves the right to cause the removal of the said column footings upon giving to the said Kennilworth, Inc., its successors or assigns, at least six (6)

months' written notice from the proper officers of the City pursuant to a resolution or ordinance of Council; and the said Kennilworth, Inc., its successors or assigns, when so notified, shall at or before the expiration of the said six (6) months, remove the said column footings and restore the streets to proper condition, at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Kennilworth, Inc., its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance and use of said column footings, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said Kennilworth, Inc., its successors or assigns, shall file with the proper officers of the City, its certificate of acceptance to be executed by the said Kennilworth, Inc., its successors or assigns.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

This Agreement, dated for convenience of reference as of the first day of February, 1950, by and among

CITY OF PITTSBURGH

(hereinafter sometimes called the "City"), a municipal corporation of the Commonwealth of Pennsylvania located within the County of Allegheny,

ALLEGHENY COUNTY SANITARY AUTHORITY

(hereinafter sometimes called the "Sanitary Authority"), a body corporate and politic of the Commonwealth of Pennsylvania duly created and existing under the provisions of the Municipality Authorities Act of 1945, as amended, and

WESTINGHOUSE ELECTRIC CORPORATION

(hereinafter sometimes called the "Company"), a Pennsylvania corporation, having its principal place of business in the Borough of East Pittsburgh, Allegheny County, Pennsylvania,

WITNESSETH:

Whereas, The City and the Sanitary Authority have entered into an Agreement dated August 1, 1949, under which the Sanitary Authority is about to begin the preparation of detailed construction plans and specifications for a Sewage Disposal System to serve the City and numerous adjacent municipalities; and

Whereas, The Sewage Disposal project originally approved by the City was to serve the City and only 43 adjacent municipalities, and excluded the so-called Turtle Creek Valley; and

Whereas, The City later approved the enlargement of the project to serve the City and 58 adjacent municipalities, including all or portions of 15 additional municipalities located in the Turtle Creek Valley, upon recommendation of the Sanitary Authority, whose studies indicated that the inclusion of such additional municipalities would be financially justified in that the added revenue expected therefrom would at least equal the cost of serving them and would not increase the sewage service charges previously estimated for the smaller project; and

Whereas, The financial feasibility of including such municipalities of the Turtle Creek Valley was and is predicated in large part upon the expected revenues to be derived from serving the large industrial plants of the Company located therein; and

Whereas, Unless the Company binds itself to take sewage collection, treatment and disposal service exclusively from such projected Sewage Disposal System for the same long period of time as do the municipalities in the Turtle Creek Valley, the entire Turtle Creek Valley will have to be excluded from the service area of the Sewage Disposal System; and

Whereas, Long-term agreements by and among the City, the Sanitary Authority and each of the other municipalities to be included in the service area of the Sewage Disposal System have already been duly authorized and executed by numerous municipalities in the Turtle Creek Valley, and ex-

cution of such agreements is now being considered by the City and the Sanitary Authority; and

Whereas, The Company has been ordered by the Sanitary Water Board of the Commonwealth of Pennsylvania, acting pursuant to authority conferred upon it by Act of the General Assembly of Pennsylvania approved June 22, 1937, P. L. 1987, as amended, to cease discharging into the streams of the Commonwealth the untreated sewage and wastes emanating from its plants located in the Townships of Patton and Wilkins and the Boroughs of East Pittsburgh, Turtle Creek, Wilmerding and Trafford within the Turtle Creek Valley, and to provide adequate facilities for the proper treatment thereof; and

Whereas, At the request and at the expense of the Company, the Sanitary Authority made a study and submitted a report which concluded that the sewage and wastes of the Company's plants in the Turtle Creek Valley could be accepted for treatment and disposal by the projected Sewage Disposal System, subject to certain restrictions set forth in said report; and

Whereas, The Company deems it economical and otherwise advantageous to have the sewage and wastes of its plants in the Turtle Creek Valley treated and disposed of by the said Sewage Disposal System pursuant to the terms of this Agreement, rather than to build and operate suitable treatment and disposal facilities of its own.

Now, Therefore, In consideration of the premises and the undertakings of each party to the others, the parties hereto, each intending to legally bind itself, its successors and its assigns, covenant and agree as follows:

1. The standard form of long-term agreement by and among the City, the Sanitary Authority and each of the numerous other municipalities to be served by the projected Sewage Disposal System (sometimes hereinafter referred to as the "Municipal Agreement"), consisting of 27 pages and a map marked Exhibit A, of which a copy has been submitted to the Company, is incorporated herein and made a part of this

Agreement by reference thereto. Except as otherwise provided herein, all provisions of said Municipal Agreement shall be binding upon the parties hereto, the Company hereby acquiring all the rights and becoming subject to all the obligations of the party referred to therein as the "Borough" or the "Township." The terms "Sewage Disposal System," "Sewage Agency" and "State Board" shall have the same meanings herein as those given them in the said Municipal Agreement.

2. The Company hereby designates, engages and appoints the Sewage Agency as its sole and exclusive agent, during the entire life of this Agreement, to provide sewage collection, treatment and disposal service (subject to the provisions hereinafter contained) to the plant, buildings and other premises owned or occupied by the Company at the present time, or to be owned or occupied by it at any time during the life of this Agreement, which are or may be located within the Turtle Creek Valley as hereinafter defined. The Company agrees that during such period it will not itself provide such treatment and disposal service, except for the pre-treatment of such wastes as shall require pre-treatment and except for the treatment and disposal of wastes and other materials which must be excluded from the Sewage Disposal System.

The "Turtle Creek Valley," as used in this Agreement, shall mean and include the Townships of Patton and Wilkins and the following boroughs: Braddock, Braddock Hills, Chalfant, Churchill, East McKeesport, East Pittsburgh, Forest Hills, North Braddock, North Versailles, Pitcairn, Rankin, Turtle Creek, Wall and Wilmerding, or such portions thereof as are or may be within the service area of the Sewage Disposal System.

In consideration of the design and construction of a special interceptor sewer from Pitcairn to Trafford and of other facilities required to handle the sewage and acceptable industrial wastes of the Company's Trafford plant, and in further consideration of the treatment and disposal of such sewage and wastes by the Sewage Agency at the uniform sewage service charges applicable throughout the remainder of the

service area of the Sewage Disposal System, the Company agrees to pay the sum of \$100,000 as follows: Twenty Thousand Dollars (\$20,000) to the Sanitary Authority upon the execution of this Agreement, to cover the cost of preparing plans and specifications, and the balance of Eighty Thousand Dollars (\$80,000) to the Sewage Agency upon the start of construction of the Sewage Disposal System; provided, however, that if such special interceptor sewer is designed to accommodate also the municipal sewage of the Borough of Trafford, any funds paid by said Borough toward the cost of the design and construction thereof shall correspondingly reduce the said \$80,000 balance mentioned above to be paid by the Company.

This Agreement shall be binding upon all subsidiary corporations of the Company. The Company further agrees that if it shall form, or acquire all or part of the stock of, any other corporation, or shall purchase an interest in or acquire control of any unincorporated firm or association, which now owns or occupies, or shall at any time during the life of this Agreement own or occupy, any plant, building or other premises located within the Turtle Creek Valley, the Company will request such corporation, firm or association to execute a sewage treatment and disposal agreement identical, *mutatis mutandis*, with the present Agreement and will vote its corporate share or other interest in favor of the execution of such agreement.

3. In preparing the detailed plans and specifications for the Sewage Disposal System the Sanitary Authority will provide adequate capacity in the interceptor sewers and in the treatment and disposal plant to accommodate the present and foreseeable future quantities of sewage and acceptable industrial wastes of the Company's existing plants, buildings and other premises located within the Turtle Creek Valley.

Subject to the provisions of Paragraphs 4 and 5 of this Agreement the Sewage Agency will, upon completion of the Sewage Disposal System and during the remainder of the term of this Agreement, accept into its interceptor

sewers all the sewage and acceptable wastes of the Company's plants, buildings and other premises located in the Turtle Creek Valley, transport such sewage and wastes to its treatment plant, and provide such treatment and disposal thereof as may be required by law; provided, however, that the Sewage Agency shall have the right to refuse to accept for treatment and disposal by the Sewage Disposal System the sewage or wastes of any future plant, building or premises of the Company, if, in the judgment of the Sewage Agency, the quantity of such sewage or wastes would overload its interceptor sewer. In such event, the Sewage Agency will, if the Company so desires, design, construct and operate a separate treatment and disposal system for such future plant, building or premises, provided that the entire cost thereof shall be borne by the Company.

4. For the collection, treatment and disposal service provided by the Sewage Agency after the Sewage Disposal System has been completed and put in operation, the Company covenants to pay promptly to the Sewage Agency the Sewage Agency's established sewage service charges. Such charges shall be based upon

(a) either (i) the quantity of water, from whatever source, used in or on the plants, buildings and premises of the Company (less quantity credits provided for in Paragraph 12 of the Municipal Agreement)

or (ii) the quantity of sewage and industrial wastes discharged by the Company into the Sewage Agency's interceptor sewer

and

(b) the character—as to suspended solids, biochemical oxygen demand, chlorine demand, etc.—of the sewage and industrial wastes discharged into any sewer connected directly or indirectly with the Sewage Disposal System,

in accordance with a uniform schedule

of charges applicable throughout the service area of the Sewage Disposal System, and billed monthly, quarterly, semi-annually or annually, at the option of the Sewage Agency.

It shall be the obligation of the Company to install and maintain in good operating condition meters or other measuring devices approved by the Sewage Agency for measuring the quantity of such water or wastes, and the Company shall permit the Sewage Agency or its designee to read such meters or other measuring devices periodically. If, for any reason, the Sewage Agency shall not obtain such quantity data for any billing period, it shall have the right to estimate the same and to use such estimated quantity in computing its charges.

In order to determine the character of the industrial wastes discharged into the Sewage Disposal System, for the purpose of computing its charges and also for the purpose of excluding unacceptable wastes and materials, the Sewage Agency shall have the right to inspect the Company's plants, buildings and premises, and to take samples of the sewage and wastes discharged therefrom.

The Company shall not be required to pay any charges whatever during the planning and construction of the Sewage Disposal System and until the same shall have been completed and put in operation.

5. The Sewage Agency shall have the right to designate a list of unacceptable wastes (e. g., specified oils, acids, toxic wastes, etc.) which in its opinion may be harmful to its sewers, pumping stations or other structures, or may interfere with the sewage treatment processes at its plant, and to change such list from time to time. The Company shall receive due notice of such unacceptable wastes. The Company agrees to so operate its plants, buildings and premises, and to provide and properly operate such pre-treatment or other facilities to be specified and approved by the Sanitary Authority or by the Sewage Agency, subject to the approval of the State Board, as will assure the exclusion of all such unacceptable wastes

from all sewers connected directly or indirectly with the Sewage Disposal System. The Sanitary Authority and the Sewage Agency will, during the planning and construction of the Sewage Disposal System, advise and consult with the Company, to the end that the Company may take timely steps to provide the required pre-treatment or other facilities.

6. The Sewage Agency's interceptor sewers will be constructed approximately where shown on the map marked Exhibit A attached to the Municipal Agreement. In accordance with the policy set forth in Paragraph 7 of the Municipal Agreement, it shall be the obligation of the Company to bring its sewage wastes to suitable points of connection therewith. Provision will be made, in the plans and specifications to be prepared by the Sanitary Authority, for only a limited number of connections with the existing sewage systems of the Company's several plants. As soon as such points of connection are determined, the Sanitary Authority will notify the Company, and it shall be the obligation of the Company to construct the necessary collecting sewers to bring all its sewage and wastes to such points, where connections with the Sewage Agency's interceptor sewers will be made without cost to the Company. All outfall sewers of the Company constructed after the completion of the Sewage Disposal System shall be brought by the Company to points designated by the Sewage Agency, where connection will be made by the Sewage Agency at the expense of the Company.

7. This Agreement shall become effective immediately, and shall remain in full force and effect, subject to the provisions of Paragraphs 2 and 3 of the Municipal Agreement, until the date of expiration of the legal existence of the Sewage Agency or until the expiration of one calendar year following the payment in full of all bonds, notes and other obligations of the Sewage Agency, original and refunding, issued by it to finance the construction, replacement, maintenance and operation of the Sewage Disposal System and additions thereto, whichever date shall be later.

IN WITNESS WHEREOF, City of Pittsburgh has caused this Agreement to be executed by its Mayor and Director of the Department of Public Works and its official seal to be hereunto impressed, pursuant to Ordinance No. _____, duly enacted and approved on the _____ day of _____, 1950; Allegheny County Sanitary Authority has caused this Agreement to be executed by its Chairman and its official seal to be hereunto impressed and attested by its secretary, pursuant to a resolution duly adopted by its Board on the _____ day of _____, 1950; and Westinghouse Electric Corporation has caused this Agreement to be executed by its President or Vice President, attested by its Secretary or Assistant Secretary, and its corporate seal to be hereunto impressed, pursuant to a resolution duly adopted by its Board of Directors at a meeting held on the _____ day of _____, 1950.

No. 215

AN ORDINANCE—Granting unto the Keystone Plumbing Sales Company, its successors or assigns, the right and privilege to construct, maintain and use a vault in the southerly sidewalk area of 5648 Penn avenue adjoining its property in the Eighth Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Keystone Plumbing Sales Company, its successors or assigns, are hereby given the right

and authority to construct, maintain, and use, at its own cost and expense, a vault in the southerly sidewalk area of 5648 Penn avenue adjoining its property in the Eighth Ward, Pittsburgh, Pennsylvania.

The vault to be constructed by virtue of this Ordinance is to occupy a portion of the southerly sidewalk area of Penn avenue bounded and described as follows:

Beginning at a point on the southerly line of Penn avenue, distant 4.5 feet westwardly along said line from the westerly line of South St. Clair street; thence northwardly and perpendicular to the southerly line of Penn avenue a distance of 13.5 feet to a point; thence westwardly and parallel to the southerly line of Penn avenue a distance of 72.0 feet to a point; thence southwardly and perpendicular to the southerly line of Penn avenue a distance of 13.5 feet to a point on the southerly line of Penn avenue; thence eastwardly along the southerly line of Penn avenue 72 feet to the point of beginning.

The said vault shall be of reinforced concrete construction and shall be built in accordance with the Plan identified as Accession No. B-648 on file in the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the construction of said vault, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location and all details for the construction of said vault and sidewalk replacement. Said plans and construction of said vault and sidewalk shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which have

been or may be hereafter passed relating to the construction, maintenance and use of a vault on City streets and compensation for same.

Section 4. The said Grantee shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and any other surface and sub-surface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said vault. All work, including the repaving and repairing of any portion of the street damaged, shall be done in the manner and at such times as the Director of the Department of Public Works may order and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said vault upon giving to the said Grantee at least six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said Keystone Plumbing Sales Company, its successors or assigns, to that effect, and that the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said vault and replace the street to its original condition, at its own cost and expense.

Section 6. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance, use and operation of said vault, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval, the said Keystone Plumbing Sales Company, its

successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificate to be executed by Keystone Plumbing Sales Company, its successors or assigns.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 216

AN ORDINANCE — Authorizing the City of Pittsburgh to enter into an Agreement with the Arts and Crafts Center of Pittsburgh, Inc., for the use of Units Nos. 1 and 2, prescribing the form of the agreement and authorizing its execution.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of the Department of Parks and Recreation be, and they are hereby authorized, to enter into an agreement on behalf of the City of Pittsburgh with the Arts and Crafts Center of Pittsburgh, Inc., in the following form:

THIS AGREEMENT

MADE and entered into the day and year hereinafter set forth between the CITY OF PITTSBURGH, a Municipal Corporation of the Commonwealth of Pennsylvania, hereinafter called the "City,"

AND

the ARTS AND CRAFTS CENTER OF PITTSBURGH, INC., a corporation of the Commonwealth of Pennsylvania, represented by the Executive Board of the duly elected officers of said corporation, hereinafter called the "Center," WITNESSETH:

WHEREAS, The City is the owner of

the Arts and Crafts Center at the corner of Fifth and Shady avenues, of which Unit No. 1 is known as the "Marshall Residence" and Unit No. 2 is known as the "Scaife Residence"; and

WHEREAS, The Center proposes to conduct cultural education in both units, NOW, THEREFORE, IT IS HEREBY AGREED AS FOLLOWS:

1. The City agrees to:

(a) Give to the Center for a period of five (5) years from the date of the execution of this agreement, possession of Unit No. 1 except the second floor apartment and basement thereof, and Unit No. 2 except the third floor apartment thereof.

(b) Permit the Center to conduct cultural programs in both units.

(c) Permit the Center to assign work shop space to resident or affiliate groups interested in creative arts and crafts.

(d) Permit the Center to conduct or provide for adult classes for group advancement or instruction in creative arts and crafts or other classes or activities approved by the Executive Board of the Center, provided no benefit is derived therefrom, and further provided that any income derived therefrom be disbursed by the Center for its own use and purposes.

2. The City reserves the right to alter or improve said premises at its expense.

3. The City will furnish all utilities, including heat, will clean and maintain all area used as a commons, and will provide, clean and maintain public toilets, the exteriors of all buildings and the grounds surrounding them. ••

4. The Center agrees to:

(a) Operate both units for cultural purposes.

(b) Require that groups furnish and maintain quarters for their own use at their own expense.

(c) Make structural changes in the

buildings only upon the approval of the Director of the Department of Parks and Recreation and under his supervision.

(d) Submit an annual statement on the conduct and types of groups to which space has been assigned.

(e) Prohibit the reassignment or subletting of quarters by any individual group for its own benefit.

(f) Apply all revenue to its general fund, for use at Units No. 1 and No. 2.

(g) Submit each February 15th, a certified audit to the Department of Parks and Recreation covering all financial transactions arising from operations.

(h) Strive for a high standard of qualifications for membership.

(i) Set aside, with the approval of the Director, commons rooms in each unit for the purpose of exhibition space, classrooms or facilities for lectures open to the general public or for rental to organizations or individuals directly related to the creative arts and crafts. Such rooms will be maintained by the City, but after reasonable notice, may be altered by either party to this agreement. When alterations are made by the Center, prior approval must be obtained from said Director. Said rooms will be opened to the public upon a schedule of hours satisfactory to said Director. The staffing of said commons rooms will be the responsibility of the Center.

5. Violation of any of the terms of this agreement will subject the same to forfeiture at the discretion of either the Director of the Department of Parks and Recreation or the Director of the Department of Lands and Buildings, and at the option of the City, upon such violation, the Center authorizes and empowers any attorney of any court of record in Pennsylvania to appeal and confess judgment in any court against the center and all persons holding thereunder and in favor of the City in an Amicable Action of Ejectment after one or more declara-

tions filed for possession of the premises and with release of all worries and stay of executions, or exemption laws, and the City may thereupon, without further notice, enter and expel the Center and its personnel and all other persons from its premises.

6. The City shall not be liable for any injury or damage to any person or to any property at any time occurring within the premises occupied by the Center under this agreement from any cause whatever which may arise from the use or condition of said premises, and the Center shall obtain insurance to protect it and the City against any such claims.

7. This agreement is entered into on behalf of the City on authority of Ordinance No. -----, approved-----

The described column footings shall be constructed to the provisions of this Ordinance and in accordance with the Plans, identified as Accession Nos. B-649 and B-650 on file in the office of the Bureau of Highways & Sewers, Department of Public Works.

Section 2. The said Pennsylvania Railroad Company, its successors or assigns, prior to the beginning of the construction of said column footings shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the locations for the construction of said column footings, said plan and the construction of said column footings shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and sub-ordinate to the rights of the City of Pittsburgh and its power over City

streets and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the same.

Section 4. The said Grantee shall bear the full cost and expense for the repaving and repair of the streets or sidewalks above affected by this improvement, or the repair of any structure which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said column footings; all of said work, including repairs of streets or sidewalks, shall be done in a manner and at such times as said Director may order, and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh without liability, reserves the right to cause the removal of the said column footings upon giving to the said Pennsylvania Railroad Company, its successors or assigns, at least six (6) months' written notice from the proper officers of the City pursuant to a resolution or ordinance of Council; and the said Pennsylvania Railroad Company, its successors or assigns, when so notified, shall at or before the expiration of the said six (6) months, remove the said column footings and restore the streets to proper condition, at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 6. The said Pennsylvania Railroad Company, its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance and use of said column footings, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the

conditions that this Ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said Pennsylvania Railroad Company, its successors or assigns, shall file with the proper officers of the City, its certificate of acceptance to be executed by the said Pennsylvania Railroad Company, its successors or assigns.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance

No. 235

AN ORDINANCE—Accepting the dedication of certain property in the Fifteenth Ward, City of Pittsburgh, for public use for highway purposes, for the opening of Boulevard Drive.

Whereas, Charles J. Stein and Janis H. Stein, his wife, owners of the property hereinafter described, have executed and delivered to the City of Pittsburgh their certain deed of dedication bearing date of April 10, 1950, now on file in the office of the Bureau of Engineering of said City, wherein they have conveyed said ground to said City for public street or public highway purposes for the opening of Boulevard Drive, and have released said City from any liability for damages for or by reason of the physical

grading of said public highway to the grade to be established, now therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the said deed of dedication shall be and the same is hereby accepted, and the Bureau of Engineering is hereby authorized and directed to place the same on record in the Office of the Recorder of Deeds in and for the County of Allegheny.

Section 2. The ground so as aforesaid conveyed to said City for public highway purposes shall be and the same is hereby appropriated and opened as a public highway, in accordance with the terms of said deed of dedication for the opening of Boulevard Drive, the same being bounded and described as follows, to-wit:

Beginning at a point on the southerly line of Beechwood boulevard distant N. 76° 23' 40" E. 4.00 feet from the dividing line between lots numbered 255 and 256 in the John E. Born's "Beechwood" plan of Lots as recorded in the Recorder's Office of Allegheny County, Pennsylvania, in Plan Book Volume 32, Pages 58 to 62 inclusive; thence along the said southerly line of Beechwood boulevard N. 76° 23' 40" E. a distance of 65.47 feet to a point of curve; thence eastwardly by the arc of a circle curving to the right and having a radius of 20.10 feet and a central angle of 6° 44' 40", a distance of 2.37 feet to a point; thence southwestwardly by the arc of a circle curving to the left and having a radius of 20.00 feet and a central angle of 83° 44' 40", a distance of 29.24 feet to a point of tangent; thence S. 13° 36' 20" E. a distance of 48.71 feet to a point on the northerly line of Boulevard drive as originally laid out in the said plan; thence by said line southwestwardly by the arc of a circle curving to the right and having a radius of 200.00 feet and a central angle of 17° 12' 45", a distance of 60.08 feet to a point on the line dividing the property of Charles J. Stein, et ux. from that of Leo S. Schaer, et ux.; thence along said line N. 13° 36' 20" W., a distance of 101.64

feet to the place of beginning, for opening a public street or highway to be known as Boulevard drive.

Section 3. The Department of Public Works of the City of Pittsburgh is hereby authorized and directed to enter upon, take possession of and appropriate the said described ground for a public highway, in conformity with the provisions of this Ordinance.

Section 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 236

AN ORDINANCE—Granting unto the Citizens Traction Company, its successors, lessees and assigns, the right to enter upon, use and occupy certain streets and highways in the City of Pittsburgh, subject to the terms and conditions herein provided.

Whereas, the City of Pittsburgh, by Ordinance No. 264—Series 1923, approved June 7, 1923, and recorded in Ordinance Book, Vol. 34, Page 415, 9th day of June, 1923, granted unto the Transverse Passenger Railway Company, its successors, lessees and assigns, the right to enter upon, use and occupy for the purpose of its street railway, the streets and highways included in the following route:

"Beginning at a point on the tracks of the Company on Liberty avenue about fifty (50) feet east of the Center line of Fifteenth street; thence by a curve to the right in a northwesterly and northerly direction to a point on Fifteenth street; thence in a northerly direction along Fifteenth street to a point about fifty (50) feet south of the south line of Penn avenue; thence by a curve to the right in a northeasterly and easterly direction to a point

of connection with the northerly track of the Citizens Passenger Railway Company on Penn avenue about fifty (50) feet east of the center line of Fifteenth street."; and

Whereas, by agreement entered into between The Pennsylvania Railroad Company and the City of Pittsburgh, dated March 22, 1949, the City of Pittsburgh agreed, inter alia, to vacate by appropriate ordinance "That portion of Fifteenth street between the southerly line of Penn avenue and the existing northerly line of Liberty avenue;" and also agreed to grant to the Pittsburgh Railways Company, or its nominee, a substitute franchise for the construction, use and operation of a single street car track in Fourteenth street; and

Whereas, the aforementioned vacation of Fifteenth street between Penn and Liberty avenues by the City of Pittsburgh will require the removal of the existing street railway track and facilities therefrom and the relocation of such track and facilities on Fourteenth street between the same points; and

Whereas, under date of November 10, 1933, the Transverse Passenger Railway Company sold all of its property and franchises to The Citizens Traction Company. Now, therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That The Citizens Traction Company, its successors, lessees and assigns, shall have the right and it is hereby authorized to enter upon, use and occupy for the purpose of its street railway, the streets and highways included in the following route:

Beginning at a point in the eastbound track of the Citizens Traction Company on Liberty avenue, as relocated, situated eighty-one (81) feet, more or less, east of the center line of Fourteenth street; thence by spiral and circular curve northwestwardly to and onto Fourteenth street; thence by tangent northwestwardly along Fourteenth street to a point of curve; thence by spiral and circular curve

northeastwardly to a point of connection with the existing westbound track on Penn avenue, said point of connection being situated forty-nine (49) feet, more or less, east of the center line of Fourteenth street.

And to construct, maintain, operate and use a single street railway track on the route hereinbefore mentioned, and to operate its cars thereon, and to use electricity as a motive power, and to erect, maintain, and use in the streets and highways hereinbefore mentioned, such posts, poles and other supports as said Company may deem convenient for the support and maintenance of its overhead system and for the operation of its railway, subject, however, to the provisions of an Ordinance approved February 25th, 1890, entitled, "A General Ordinance relating to the entry upon, over or under, or the use or occupation of any street, lane or alley or any part thereof for any purpose by passenger or street railway companies or by companies operating passenger or street railways, and providing reasonable regulations pertaining thereto for the public convenience and safety."

Section 2. The term of this grant shall be five (5) years from the date of its acceptance, provided that the term shall be extended for an additional five years unless notice of intention to terminate at the end of the original five year term is given by the City to the Company before the expiration of four years from date of acceptance hereof, subject to the following qualifications and conditions:

First: It may be terminated at any time within the original or extended term as above provided by one year's notice in writing from the Mayor of the City to the Company, said notice being given in pursuance of a resolution of Council, in which case the City shall pay to the Company the actual cost of the construction work done by the Company under the terms of this grant as set forth in Section 1 hereof less four per centum thereof for each year between the date of the acceptance of this Ordinance and the time therein fixed for its termination, and the City

shall remove said track and restore said streets in good condition at its own expense.

Second: In case the Company shall fail to comply with the provisions of this Ordinance, or the General Ordinance of February 25, 1890, or any of them, and shall not within thirty days after notice thereof remedy and correct the same, then the City may revoke and terminate this grant and Ordinance, immediately by notice in writing from the Mayor of the City, pursuant to a resolution of Council without the payment of any compensation whatever, and thereupon the Company shall remove said track and place the pavement of said streets in good condition and repair.

Third: This grant (unless one year's notice shall have been given by the City to the Company of the termination of this grant at the expiration of the original or extended term) shall continue from and after the said term, subject to revocation and termination at any time by the City upon one year's notice in writing from the Mayor pursuant to a resolution of Council in which case no compensation shall be paid to the Company and the Company shall, at its own expense, remove said track and place the pavement of said streets in good condition and repair.

Section 3. This Ordinance shall be accepted by The Citizens Traction Company within sixty (60) days after its passage or approval by a Certificate of Acceptance of all the conditions and provisions thereof, the said certificate to be executed under the corporate seal of the Company, duly attested by the President or Vice President, and the Secretary or an Assistant Secretary thereof, and filed with the Controller of the City.

Section 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 266

AN ORDINANCE — Authorizing the Mayor and Director of the Department of Public Works to enter into an agreement with H. J. Heinz Company, a Pennsylvania Corporation, relating to the vacation of portions of Saw Mill way, Carpenter way, Progress street and United way in the 23rd Ward of the City of Pittsburgh, and also relating to a water line in Heinz street, the maintenance of an existing sewer across the property of H. J. Heinz Company and an existing sewer on Progress street, and the installation of water meters and meter vaults on Saw Mill way, Carpenter way, Progress street and River avenue.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and Director of the Department of Public Works are hereby authorized and directed, on behalf of the City of Pittsburgh, to enter into an agreement with H. J. Heinz Company in substantially the following form:

THIS AGREEMENT

Made and entered into this..... day of, 1950, by and between H. J. Heinz Company, a Pennsylvania corporation (hereinafter called "Heinz"), party of the first part, and the City of Pittsburgh, a municipal corporation existing in Allegheny County, Pennsylvania, (hereinafter called "the City"), party of the second part;

W I T N E S S E T H :

Whereas, Heinz is the owner of all the real estate abutting on both sides of portions of Saw Mill way, Carpenter way, Progress street and United way, more fully described in Article (1) of

this Agreement; and

Whereas, Heinz has requested the vacation of certain portions of said streets and ways;

Now, Therefore, it is mutually agreed between the parties hereto as follows:

1. The City will by appropriate ordinance or ordinances vacate all of the following streets between the points hereinafter designated:

Saw Mill way—from the westerly side of Pindam street to a point 621.25 feet from the easterly side of Heinz street;

Carpenter way—from the westerly side of Pindam street to a point 406 feet from the easterly line of Heinz street;

Progress street—from the westerly side of Pindam street to the easterly side of Heinz street; and

United way—from the south line of Pennsylvania Railroad right of way to the northerly line of River avenue.

2. In consideration of the vacation by the City of the street, alley and ways set forth in Article 1 of this Agreement, and upon acceptance by Heinz of the ordinance effecting such vacations, Heinz agrees:

(a) To pay to the City the sum of Forty-two Thousand Sixty-seven and 35/100 (\$42,067.35) Dollars.

(b) To furnish and install at its own expense, at a location on Heinz street approved by the Department of Public Works a 12" C. I. water pipe and appurtenances, from the 16" water pipe on Heinz street to the 10" water pipe on River avenue and to furnish and install at its own expense meters and meter vaults on various water lines, as follows:

Carpenter way at Pindam street;

Progress street at Heinz street;

Progress street at Pindam street;

Saw Mill way at Pindam street;

and a meter and vault to be installed

on River avenue at the new private 10" line.

All of said work to be done at locations approved by the Department of Public Works in accordance with standards and specifications of the City of Pittsburgh and under the supervision and control of the Department of Public Works of the City of Pittsburgh.

(c) That the City shall have the right of access on Progress street for the maintenance, repair and replacement of the 18" T. C. pipe sewer from Heinz street to the existing 102" trunk sewer crossing Progress street east of Heinz street.

(d) That the City's rights pertaining to the existing 102" trunk sewer crossing through the Heinz property and streets already vacated or to be vacated shall be and hereby are reaffirmed.

(e) To pay or cause to be paid to the Treasurer of the City of Pittsburgh all costs, damages and expenses incurred by the City in any viewers' proceedings or Court proceedings for or by reason of the passage of the said Vacation Ordinances. The costs, damages and expenses incurred in any Viewers' or Court proceedings shall be forthwith paid upon the City Solicitor certifying to the City Treasurer and to Heinz the amount thereof.

3. Upon the acceptance of the ordinances by Heinz, the City agrees:

(a) That all existing sewers within the streets to be vacated as herein provided, with the exception of those defined as being retained by the City of Pittsburgh, shall become the property of Heinz and the City shall have no further responsibility for their maintenance.

(b) That all water lines within the streets to be vacated herein provided shall become the private property of Heinz.

4. Heinz shall assume and bear the entire cost of carrying out the provisions of this Agreement, including all cost, damages and expenses arising

from the vacations above mentioned, and Heinz agrees to indemnify and save harmless the City from any and all costs, damages and expense to it in carrying out this Agreement; it being the intent and meaning of this Agreement that no part of the cost thereof shall be paid by the City and that all of said cost shall be paid by Heinz. During the installation of the water line and meters Heinz will require its contractor or contractors to carry public liability and property damage insurance for the protection of the City in an amount satisfactory to the City.

Witness the corporate seal of the City of Pittsburgh, and the signatures of the Mayor and the Director of the Department of Public Works, and also the corporate seal of H. J. Heinz Company, duly attested by the signatures of its proper officers, the day and year first above written; this Agreement being executed by and in behalf of the City of Pittsburgh pursuant to Ordinance No. _____, approved the _____ day of _____, 1950, and recorded in Ordinance Book Volume _____, Page _____, and by and in behalf of the H. J. Heinz Company in pursuance of a Resolution of its Board of Directors at a meeting held on the _____ day of _____, 1950, which was duly adopted.

Section 2. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 278

AN ORDINANCE—Granting unto the General Motors Corporation, a Del-

aware Corporation, the privilege to construct, use and maintain two water mains, a sewer, and a power transmission conduit across a City water line right-of-way in Sharpsburg Borough.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the General Motors Corporation, a Delaware Corporation, its successors or assigns, is hereby given the privilege to construct, use and maintain two water mains, a sewer, and a power transmission conduit across a City water line right-of-way in Sharpsburg Borough, subject to the following conditions:

1. The City's right to maintain, use, improve or repair its pipe line shall not be affected by reason of the construction, use or maintenance of the new water mains, sewer or conduit.

2. The City shall not be liable at any time for damage to the new water mains, sewer or conduit which may arise out of breaks or leaks on the City pipe line, or because of its maintenance, repair, use, improvement or reconstruction.

3. The General Motors Corporation shall assume all liability for damage to the City pipe line and its right-of-way which arise out of or result in any way from the construction, use, maintenance or repair of its new water mains, sewer or conduit. Said company shall construct and maintain its new facilities in good condition, all at its own sole expense. In case conditions arise which are due in any way to the new water mains, sewer or conduit and which the Director of the Department of Public Works of the City believes to be a threat to the safety of the City pipe line, said Director may order immediate repairs to be done by City forces or otherwise and the General Motors Corporation shall defray all costs of such work.

4. Blue prints in quintuplicate showing the intended work across and adjacent to the City's right-of-

way shall be submitted to and approved by the Director of the Department of Public Works before construction is started and all changes desired to be made during construction shall be similarly approved before such changes may be made.

5. The approval by the Director of any plan, procedure, material, workmanship or other element of the work to be done shall not operate to relieve the General Motors Corporation of its sole responsibility for all claims, costs and damages arising out of the construction of its new water mains, sewer or conduit, or the subsequent use and maintenance thereof.

6. The foregoing privileges are granted by this ordinance subject to the stipulation that they shall continue only if such continuation shall not be unduly burdensome upon the City of Pittsburgh, of which condition the City shall be the sole judge and in which case they shall terminate at the expiration of six (6) months' written notice to the General Motors Corporation.

Section 2. That this ordinance shall become null and void and of no effect unless within sixty (60) days after its enactment by Council and approval by the Mayor, the said General Motors Corporation shall file its duly executed certificate of acceptance thereof with the proper officers of the City of Pittsburgh.

Section 3. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Pittsburgh Business Properties, Inc., its successors or assigns, is hereby given the right, privilege and authority to construct, maintain and use, at its own cost and expense, a manufactured stone facing, known as "granux," projecting into the southerly sidewalk area of Oliver avenue, adjoining its property between Hillsboro and King alleys (private alleys) and known as No. 212 Oliver avenue in the Second Ward, Pittsburgh, Pennsylvania.

The manufactured stone facing to be constructed by virtue of this Ordinance is to project into the southerly sidewalk area of Oliver avenue between Hillsboro and King alleys (private alleys) a distance of not more than 0.39 feet, and is to extend from the sidewalk eleva-

tion to the underside of a steel cornice, a distance varying approximately from 25.5 feet to 26.5 feet above the sidewalk.

The described manufactured stone facing shall be constructed to the provisions of this Ordinance and in accordance with the Plan, identified as Accession No. B-653, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Pittsburgh Business Properties, Inc., its successors or assigns, prior to the beginning of the construction of said manufactured stone facing, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the locations for the construction of said manufactured stone facing, said plan and the construction of said manufactured stone facing shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the same.

Section 4. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said manufactured stone facing upon giving to the said Pittsburgh Business Properties, Inc., its successors or assigns, at least six (6) months' written notice from the proper officers of the City pursuant to a resolution or ordinance of Council; and the said Pittsburgh Business Properties, Inc., its successors or assigns, when so notified, shall at or before the expiration of the said six (6) months, remove the said manufactured stone facing, at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 5. The said Pittsburgh Busi-

ness Properties, Inc., its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the construction, maintenance and use of said manufactured stone facing, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 6. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said Pittsburgh Business Properties, Inc., its successors or assigns, shall file with the proper officers of the City, its certificate of acceptance to be executed by the said Pittsburgh Business Properties, Inc., its successors or assigns.

Section 7. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 312

AN ORDINANCE—Authorizing the acceptance of certain payments in lieu of taxes from the Housing Authority of the City of Pittsburgh with respect to Broadhead Manor, Project PA-1-6; authorizing cooperation with the Housing Authority of the City of Pittsburgh; prescribing a form of contract with the Housing Authority of the City of Pittsburgh; and authorizing execution of said contract.

Whereas, The Housing Authority of the City of Pittsburgh (herein called the "Local Authority") as lessee of the Public Housing Administration, (herein called the "PHA"), is operating a certain low rent housing project (herein called the "Project") located within the corporate limits of the City of Pittsburgh and known as Broadhead Manor, PA-1-6; and

Whereas, The said Project is owned by the Public Housing Administration under authority of the United States Housing Act of 1937, as amended, and is exempt from all taxes imposed by the City of Pittsburgh, the County of Allegheny, municipality or local taxing body thereof; and

Whereas, Under the constitution and statutes of the Commonwealth of Pennsylvania, the Project, if owned by the Local Authority, would be exempt from all real and personal property taxes and special assessments levied or imposed by any taxing body; and

Whereas, The Local Authority, pursuant to the terms of the lease of said Project from the PHA, may, with the approval of the PHA, enter into Cooperation Agreements which provide for the payment of annual sums in lieu of taxes (herein called "payments in lieu of taxes"); and

Whereas, It is necessary to the public health, safety and welfare of the City that the present low-income occupants of unsafe or insanitary dwellings in the City of Pittsburgh be provided with safe and sanitary dwellings at rentals they can afford to pay; and

Whereas, The City will directly benefit from the operation of safe and sanitary dwellings for families of low income and from the elimination of unsafe or insanitary dwellings within the City; and

Whereas, The Local Authority is desirous of making certain payments in lieu of taxes to the City and the City desires to cooperate with the Local Authority and the PHA by furnishing or causing to be furnished to the Project and tenants thereof certain public services; Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the City hereby determines that for the purpose of aiding said Local Authority in the operation of low rent housing projects and to eliminate unsafe and insanitary dwellings in the City, the City shall cooperate with the Authority by furnishing municipal services and facilities for the

project in consideration of the payment of certain sums by the Authority to the City in lieu of taxes, all as more fully provided in the form of agreement set forth in Section 2 hereof.

Section 2. That the City shall enter into a contract with the Authority in substantially the following form:

COOPERATION AGREEMENT
between
THE CITY OF PITTSBURGH
and
HOUSING AUTHORITY OF THE
CITY OF PITTSBURGH

This Agreement entered into this.... day of....., A. D. 195..., by and between Housing Authority of the City of Pittsburgh (herein called the "Local Authority") and the City of Pittsburgh (herein called the "City");

WITNESSETH:

In consideration of the mutual covenants hereinafter set forth, the Local Authority and the City do agree:

1. The Local Authority, as lessee of the Public Housing Administration (herein called the "PHA"), is operating a certain low rent housing project (herein called the "Project") located within the corporate limits of the City and known as Broadhead Manor, PA-1-6.

2. Said Project, being now owned by the PHA under authority of the United States Housing Act of 1937, as amended, is exempt from all taxes imposed by the City of Pittsburgh, or any County, municipality or local taxing body thereof.

3. Under the constitution and statutes of the Commonwealth of Pennsylvania, the Project, if owned by the Local Authority, would be exempt from all real and personal property taxes and special assessments levied or imposed by any taxing body.

4. The Local Authority, pursuant to the terms of the lease of said Project from the PHA, may, with the approval of the PHA, enter into Cooperation Agreements which provide for the payment of annual sums in lieu of taxes (herein called "payments in lieu of taxes").

5. The Local Authority is desirous of making certain payments in lieu of taxes to the City; and the City is desirous of cooperating with the Local Authority and the PHA by furnishing or causing to be furnished to the Project and the tenants thereof certain public services.

6. Whenever used in this Agreement—

(a) The term "Taxing Body" shall mean the State or any political subdivision or taxing unit thereof (including the City) in which the Project is situated and which would have authority to assess or levy real or personal property taxes or to certify such taxes to a taxing body or public officer to be levied for its use and benefit with respect to the Project if it were not exempt from taxation.

(b) The term "Shelter Rent" shall mean the total of all charges to all tenants of the Project for dwelling rents and non-dwelling rents (excluding all other income of such Project), less the cost to the Local Authority of all dwelling and non-dwelling utilities.

7. So long as the Project is leased or owned by the Local Authority and either (a) such Project is used for low-rent housing purposes, or (b) any contract between the Local Authority and the PHA for loans or annual contributions, or both, in connection with such Project shall remain in force and effect, or (c) any bonds issued in connection with such Project shall remain outstanding, whichever period is the longest (said period being hereafter referred to as the "Agreement Period"), the City agrees that it will not levy or impose any real or personal property taxes or special assessments upon such Project or upon the Local Authority with respect thereto.

8. During such portion of the Agreement Period as the Project is leased by the Local Authority, payments in lieu of taxes shall be made by the Local Authority at times, in amounts, and subject to the conditions and limitations as follows:

(a) Promptly after the end of the Federal Fiscal year 1950, there shall

be paid for and on account of such fiscal year an amount equal to that proportion of ten per cent (10%) of the aggregate shelter rent charged by the Local Authority in respect to such project during such fiscal year, which the real property taxes which would have been paid to the City for such year if the project were not exempt from taxation, bears to the total real property taxes which would have been paid to all the taxing bodies for such year if the project were not exempt from taxation.

(b) Promptly after the end of the Federal Fiscal Year 1951, there shall be paid for and on account of such fiscal year an amount equal to that proportion of ten per cent (10%) of the aggregate shelter rent charged by the Local Authority in respect to such project during such fiscal year, which the real property taxes which would have been paid to the City for such year if the project were not exempt from taxation bears to the total real property taxes which would have been paid if the Project were not exempt from taxation.

(c) Promptly after the end of the Federal Fiscal Year 1952 and each Federal fiscal year thereafter, there shall be paid for and on account of each such fiscal year an amount equal to that proportion of ten per cent (10%) of the aggregate shelter rent charged by the Local Authority in respect to such project during such fiscal year which the real property taxes, which would have been paid to the City for such year if the project were not exempt from taxation, bears to the total real property taxes which would have been paid if the project were not exempt from taxation.

(d) Upon failure of the Local Authority to make any such payments in lieu of taxes, no lien against the Project or any assets of the Local Authority shall attach, nor shall any interest or penalties accrue or attach on account thereof.

(e) No payments for or on account of any fiscal year shall be made to the City which in the aggregate ex-

ceed the amount of the real property taxes which would have been paid to the City for such year if the Project were not exempt from taxation.

(f) No payments for or on account of any fiscal year shall be made which exceed the amounts permitted to be paid by applicable state law in effect on the date of this Cooperation Agreement.

9. During such portion of the Agreement Period as the project is owned by the Local Authority, payments in lieu of taxes shall be made by the Local Authority in the amounts and subject to the conditions and limitations contained in the preceding paragraph 8, except that such payments shall be made after the end of the fiscal year established for such project and the shelter rent forming the basis for determining the amount of payments in lieu of taxes due hereunder shall be the aggregate shelter rent charged by the Local Authority in respect to the project during such fiscal year.

10. During the agreement period the City, without cost or charge to the Local Authority, to the PHA, or to the tenants of the Project (other than the payments in lieu of taxes), shall:

(a) furnish or cause to be furnished to the Local Authority and the tenants of the Project (i) the public services and facilities which are furnished without cost or charge to other dwellings and inhabitants in the City, including but not limited to fire, police, health protection, recreational facilities and services; water supply and distribution facilities, fire hydrant service, sewer service, maintenance and repair of public streets, roads, alleys, sidewalks, sewer and water systems within the project boundaries, as well as those on the boundaries of the project or leading to the project; snow removal, garbage collection and disposal; street lighting on public streets and roads within such project and on the boundaries thereof; and adequate sewer services for such project; and (ii) also such additional public services and facilities as may from time to time hereafter be furnished without cost

or charge to other dwellings and inhabitants in the City;

(b) accept the dedication of all adjacent streets, roads, alleys and adjacent sidewalks which are within the area of the Project and which comply with the applicable regulations of the City; and

(c) accept necessary dedications of land for and will, without cost to the Authority, on or before September 1, 1951, widen, grade, improve, pave and curb the following boundary streets:

(1) Broadhead Fording Road;

(2) Mazette Road; and

(3) a road at the northerly side of the project, which last mentioned road leads from Mazette Road and proceeds in a northeasterly direction to the circle at the end of Fairwood Street; and

(d) cooperate with the Local Authority by such other lawful action or ways as the City and the Local Authority may find necessary in connection with the administration of the project.

11. In consideration of the agreements of the City hereinabove contained, the Local Authority agrees:

(a) that it will, without cost to the City, dedicate to the City land presently owned by the Authority located on the Authority's side of Broadhead Fording Road, Mazette Road, and a road at the northerly side of the development referred to in 10 (c) hereinabove, necessary for the widening, grading, improving, paving and provision of sidewalks. More specifically, the Authority will dedicate, without cost to the City:

(1) its property abutting on Broadhead Fording Road to a depth of approximately 14.05 feet;

(2) its property abutting on Mazette Road to a depth of approximately 6 feet; and

(3) its property abutting on the proposed road at the northerly side of the development leading from

Mazette Road northeastwardly to the circle at the end of Fairwood Street to a depth of approximately 20 feet;

(b) that it will, without cost to the City, widen, pave, grade and curb Fairwood Street, as shown on the Authority's plan, and it will widen, grade, pave and curb Old Orchard Circle at its connection with Broadhead Fording Road;

(c) that it will, without cost to the City, replace temporary covers on manholes, storm inlets, catch basins, curb drops and street monument boxes with cast iron covers; and

(d) that it will, without cost to the City, replace 4 inch water lines with 6 inch water lines.

12. If the City shall, within a reasonable time after written notice from the Authority, fail or refuse to furnish or cause to be furnished any of the services or facilities which it is obligated hereunder to furnish or cause to be furnished to the Local Authority or to the Project, or shall make any charges therefor, then the Local Authority may either pay such charges or proceed to obtain such services or facilities elsewhere, and deduct the cost thereof from any payments in lieu of taxes due or to become due to the City from the Local Authority in respect to the Project or any other low-rent housing projects.

13. This agreement constitutes the sole agreement between the Local Authority and the City with respect to payments in lieu of taxes on the project and the furnishing of public services therefor, all other such agreements, if any, being hereby cancelled and abrogated.

14. This agreement shall be and become binding upon the parties hereto when, and only when, duly approved by the PHA.

IN WITNESS WHEREOF, the City and the Local Authority have respectively caused this Agreement to be duly executed as of the day and year first above written.

AN ORDINANCE — Authorizing the Mayor and the Director of the Department of Public Works to enter into an agreement for and on behalf of the City of Pittsburgh with the Borough of Greentree, permitting the Borough of Greentree to discharge the sewage from thirty-eight acres southeast of Noblestown road near the intersection of School street opposite Baldwick road into the City Bells Run Trunk Sanitary Sewer at or near the intersection of School street and Noblestown road opposite Baldwick road, providing for the payment by the Borough of Greentree and other provisions pertaining to the maintenance, replacement and/or extension of the trunk sewer and of any future costs for sewage disposal.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and the Director of the Department of Public Works are hereby authorized and directed to enter into an agreement for and on behalf of the City of Pittsburgh with the Borough of Greentree in the manner and form as follows:

THIS AGREEMENT

Made and entered into this..... day of, by and between the Borough of Greentree and the City of Pittsburgh, both being municipal corporations of the Com-

monwealth of Pennsylvania;

WITNESSETH

Whereas, The City of Pittsburgh has constructed a trunk sewer known as the Bells Run Trunk Sanitary Sewer, and;

Whereas, The Borough of Greentree is desirous of draining a parcel of land having an area of thirty-eight acres located southeast of Nobletown road near the intersection of School street opposite Baldwick road into the Bells Run Trunk Sanitary Sewer.

Now, Therefore, The parties hereto, for and in consideration of the mutual covenants and conditions hereinafter specified, do hereby agree as follows:

I.

The City agrees to permit the Borough to discharge the sewage from a parcel of land having an area of thirty-eight acres located southeast of Nobletown road near the intersection of School street opposite Baldwick road into Bells Run Trunk Sanitary Sewer.

II.

The Borough agrees to pay to the City the sum of \$3,600.00, to be payable within sixty (60) days after the completion of the connection to the City Sewer.

III.

The City agrees to maintain and keep in repair the Bells Run Trunk Sanitary Sewer within City limits, to reconstruct or extend as may be necessary in the future, and the Borough agrees to pay 1% of such costs. Such amounts are due and payable within thirty (30) days after presentation of a certified statement by the City to the Borough. The necessity for any of the above work and the cost of the same will be determined by the Director of the Department of Public Works.

IV.

When sewage disposal is an accomplished fact, or prior to that time if necessity should arise, the Borough will pay any and all costs as may be determined in the general or overall

plan for sewage disposal as the same pertains to a parcel of land having an area of thirty-eight acres located southeast of Nobletown road near the intersection of School street opposite Baldwick road.

V.

This agreement shall become effective from the date of its execution.

In Witness Whereof, The parties hereto have caused this agreement to be duly executed the day and year first above written.

AN ORDINANCE—Consenting to the vacation of South 30th street,

from the southwesterly line of Sarah street to the northeasterly line of Jane street, by the Pennsylvania Public Utility Commission, and subject to certain conditions relative thereto.

Whereas, The Pennsylvania Railroad Company has made application to the Pennsylvania Public Utility Commission for the vacation of South 30th street, from the southwesterly line of Sarah street to the northeasterly line of Jane street, and the laying out of a marginal highway extending westwardly from the intersection of Jane street and South 30th street to a point in Mary street, in substitution for the vacated portion of South 30th street; and

Whereas, By authority of Ordinance No. 552, approved November 22, 1949, the City of Pittsburgh excluded South 30th street, between the above limits, in the agreement to vacate certain streets within Redevelopment Area No. 2; Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That consent is hereby given to the Pennsylvania Public Utility Commission to vacate South 30th street, between the southwesterly line of Sarah street and the northeasterly line of Jane street, subject to the following conditions:

That as a substitute for the vacation of South 30th street, there shall be provided without cost to the City of Pittsburgh, a marginal highway extending from the intersection of South 30th street and Jane street westwardly to Mary street.

That all the rights and privileges enjoyed by the City of Pittsburgh, relative to the operation, repair, reconstruction and maintenance of City-owned underground facilities within the lines of South 30th street to be vacated, shall be continued and preserved, and the City of Pittsburgh shall have the right to enter upon said land for such purposes at any time.

That when and where additional loads may be superimposed on the City-owned underground facilities, within

the lines of South 30th street to be vacated, the Pennsylvania Railroad Company shall reinforce, or cause to be reinforced, the said facilities, to the satisfaction of the Director of the Department of Public Works.

No. 346

AN ORDINANCE—Granting unto the Pittsburgh Railways Company, its successors, lessees and assigns the right to enter upon, use and occupy certain streets and highways in the City of Pittsburgh, subject to the terms and conditions herein provided.

Whereas, The Trustees for the Pittsburgh Railways Company, have been operating street railway facilities on Penn avenue in the City of Pittsburgh between Stanwix and Fancourt streets pursuant to an appropriate ordinance of the City of Pittsburgh; and

Whereas, By the Cooperation Agreement entered into by and between the City of Pittsburgh and the Urban Redevelopment Authority of Pittsburgh dated March 15, 1950, the City of Pittsburgh has agreed, inter alia, to vacate Penn avenue between Stanwix and Fancourt streets; and

Whereas, The aforementioned vacation of Penn avenue by the City of Pittsburgh will require the removal of existing street railway facilities therefrom and make it impossible for street cars to be operated around the existing loop via Stanwix street, Liberty avenue and Fancourt streets; and

Whereas, In order to maintain adequate street railway service, it will be necessary to provide an alternate loop for street cars beginning at Penn avenue; thence via Barbeau street to Duquesne way; thence via Duquesne way to Stanwix street; thence via Stanwix street to Liberty avenue; thence via Liberty avenue to Barbeau street and thence via Barbeau street to Penn avenue; and

Whereas, In order to complete said loop, it is necessary that the Pittsburgh Railways Company be given the right to construct and use the following new track; two connecting curves at the intersection of Penn avenue and Barbeau street, a connecting curve at the intersection of Barbeau street and Duquesne way, a connecting curve at the intersection of Duquesne way and Stanwix street, an additional or second track on Stanwix street from Duquesne way to Penn avenue, a single track on Liberty avenue from Fancourt street to Barbeau street and a single track on Barbeau street from Liberty avenue to Penn avenue with a connecting curve to the said track on Liberty avenue as more specifically described herein; now therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Pittsburgh Railways Company, its successors, lessees and assigns shall have the right, and it is hereby authorized to, enter upon, use and occupy for street railway purposes the following streets and highways:

"Beginning at a point in the east-bound track on Penn avenue situated thirteen (13) feet, more or less, west of the west property line of Barbeau street; thence by spiral and circular curve northeasterly, a distance of ninety (90) feet, more or less, to a point of connection with the single track on Barbeau street, situated twenty-five (25) feet, more or less, north of the north property line of Penn avenue.

"Beginning at a point in the north-bound track on Barbeau street situated twenty-eight (28) feet, more or less, south of the south property line of Duquesne way; thence by spiral and circular curve northeasterly, a distance of eighty-seven (87) feet, more or less, to a point of connection with the single track on Duquesne way, situated twenty-six (26) feet, more or less, east of the east property line of Barbeau street.

"Beginning at a point in the east-bound track on Duquesne way (tem-

porarily abandoned under agreement between the Second avenue Passenger Railway Company, etc. and the City of Pittsburgh dated April 9, 1941,) situated twelve (12) feet, more or less, west of the west property line of Stanwix street as widened; thence by spiral and circular curve south-eastwardly, to and onto Stanwix street, a distance of one hundred twelve (112) feet, more or less; thence by tangent southwardly along Stanwix street and across Penn avenue a distance of four hundred fifty-seven (457) feet, more or less, to a point of connection with the single track on Stanwix street at or near the intersection of Stanwix street and Penn avenue, said point of connection being situated twenty-seven (27) feet, more or less, south of the south property line of Penn avenue.

"Beginning at a point in the west-bound track on Liberty avenue, situated thirty-two (32) feet, more or less, east of the east property line of Fancourt street; thence by tangent westwardly along Liberty avenue a distance of three hundred sixty-five (365) feet, more or less, to a point of curve; thence by spiral and circular curve northwestwardly a distance of one hundred (100) feet, more or less, to and onto Barbeau street; thence by tangent northwardly along Barbeau street; a distance of one hundred ninety-three (193) feet, more or less, to a point of curve; thence by spiral and circular curve northwestwardly, a distance of one hundred five (105) feet, more or less, to a point of connection with the westbound track on Penn avenue, said point of connection being situated twenty-four (24) feet, more or less, west of the west property line of Barbeau street."

And to construct, maintain, operate and use a single street railway track on the streets hereinbefore mentioned, and to operate its cars thereon, and to use electricity as a motive power, and to erect, maintain and use in the streets and highways hereinbefore mentioned, such posts, poles and other supports as said Company may deem convenient for the support and main-

tenance of its overhead system and for the operation of its railway subject, however, to the provisions of an Ordinance approved February 25, 1890, entitled, "A General Ordinance relating to the entry upon, over, or under, or the use or occupation of any street, lane or alley or any part thereof for any purpose by passenger or street railway companies or by companies operating passenger or street railways, and providing reasonable regulations pertaining thereto for the public convenience and safety; provided, however, that nothing herein contained shall be prejudicial to or affect in any degree existing street railway franchises on the streets hereinabove described or any of them.

Section 2. This Ordinance shall be accepted by the Pittsburgh Railways Company within sixty (60) days after its passage or approval by a certificate of acceptance of all the conditions and provisions hereof, the said certificate to be executed by the Trustees of the Company, viz: Elmer E. Bauer and Thomas Fitzgerald.

AN ORDINANCE—Granting to Alco, Inc., as owner, and Astor Theatre Corporation, as lessee, both Pennsylvania Corporations, the right to construct, maintain and use an overhead marquee

over and across Ogle way, at Liberty avenue, from Alco Building to the Zimmerman Building.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That Alco, Inc., as owner, and Astor Theatre Corporation, as lessee, their successors and assigns, be and they are hereby given the right and privilege to construct, maintain and use, at their own cost and expense, a marquee over and across Ogle way from the Alco, Inc., Building on the westerly side of Ogle way, known as 956 Liberty avenue, to the Zimmerman Building on the easterly side of Ogle way, known as 960 Liberty avenue, 2nd Ward, Pittsburgh, Pa. The said marquee shall be constructed and maintained in accordance with the provisions of this Ordinance and in accordance with the Plan identified as Accession No. B-657, on file in the Bureau of Engineering, Department of Public Works, and entitled, Marquee, Nixon Theatre.

LOCATION OF MARQUEE ON OGLE WAY

Said marquee shall begin at the intersection of the Westerly line of Ogle way and the Southerly line of Liberty avenue, and shall extend Southwardly along the Westerly line of Ogle way a distance of fifty-five (55) feet. The said marquee shall extend from the aforesaid point of beginning Eastwardly across Ogle way to the intersection of the Easterly line of Ogle way and the Southerly line of Liberty avenue, and shall extend from thence in a Southerly direction along the Easterly line of Ogle way, a distance of thirty-six (36) feet.

Said marquee shall have a minimum clearance of fourteen (14) feet above the travelled roadway of Ogle way.

Section 2. The said Alco, Inc., and the Astor Theatre Corporation, prior to the beginning of construction of said marquee, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set

of plans showing location and all details of the construction of said marquee, and no work shall be commenced thereon until said plans have been approved by the Director of the Department of Public Works, who shall have the right at all times to inspect and supervise the said construction, operation and maintenance.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh, and its powers over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the construction, maintenance and use of a marquee across or over City streets and which may provide for compensation for the use thereof.

Section 4. The said Grantees shall bear the full cost and expense for the repaving and repair of the streets and sidewalks affected by this improvement, or the repair of any structure or property which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said marquee; all of said work, including repairs of street or sidewalk, shall be done in a manner and at such times as the Director may order, and shall be subject to his approval and supervision.

Section 5. The said Grantees shall be responsible for and shall assume any liability whatsoever, either of the said Grantees or of the City of Pittsburgh, for damages to persons or property by reason of the construction, maintenance and use of said marquee, and it is a condition of this grant that the City of Pittsburgh assume no liability to either persons or property on account of this grant.

Section 6. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh without liability reserves the right to cause the removal of said marquee upon giving six (6) months' notice thereof through the proper officers of the City pursuant

to resolution or ordinance of Council, and that the said Grantees, when so notified, shall at the expiration of said six (6) months, forthwith remove the said marquee and restore the said street and sidewalks to a safe and proper condition.

Section 7. The foregoing rights and privileges are granted subject to all the foregoing conditions and to the further condition that this Ordinance shall become null and void unless within sixty (60) days after the passage and approval of this Ordinance the said grantees shall file with the City Controller their duly executed acceptance of the condition of this Ordinance, together with the duly executed acceptance of the L & K Realty Company, Inc., owner of the Zimmerman Building, and shall pay to the City Treasurer a permit fee of \$50.00.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Beginning at a point on the southerly line of Walnut street, distant 128.1 feet westwardly from the westerly line of Bellefonte street; thence northwardly at an angle of 90° a distance of 5.17 feet to a point; thence westwardly at an angle of 90° a distance of 6.33 feet to a point; thence southwardly at an angle of 90°, a distance of 5.17 feet to a point on the southerly line of Walnut street; thence eastwardly along the southerly line of Walnut street 6.33 feet to the point of beginning.

The said vault and cellar door entrance shall be constructed to the provisions of this Ordinance and in accordance with the plan identified as Accession No. B-654, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the construction of the said vault and cellar door entrance, shall submit to the Director of the Department of Public Works, a complete set of plans, in triplicate, showing the location and all details for the construction of said vault and cellar door entrance, said plans and the construction of the vault and cellar door entrance shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The right and privilege herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions

of any general ordinances which have been or may be hereafter passed relating to the construction, maintenance and use of a vault and cellar door entrance on City streets and compensation for same.

Section 4. The said Grantee shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and any other surface and sub-surface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said vault and cellar door entrance. All work, including the repaving and repairing of any portion of the street damaged, shall be done in the manner and at such times as the said Director may order and shall be subject to his approval and supervision.

Section 5. The right and privilege granted by this Ordinance is granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said vault and cellar door entrance upon giving to the said Grantee at least six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said G. F. Crisanti, his successors or assigns, to that effect, and that the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said vault and cellar door entrance and replace the street to its original condition, at his own cost and expense.

Section 6. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance, use and operation of said vault and cellar door entrance, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to wit: This Ordinance shall become null and void unless within thirty (30) days after its

passage and approval, the said G. F. Crisanti, his successors or assigns, shall file with the City Controller, his certificate of acceptance of the provisions thereof, said certificate to be executed by said G. F. Crisanti, his successors or assigns.

AN ORDINANCE—Granting unto The Dollar Savings Bank, Pittsburgh, Pennsylvania, the right and privilege to construct, maintain, and use a granite and limestone facing, projecting into the northwesterly sidewalk area of Smithfield street and adjoining its property at No. 303-305-307-309 Smithfield street in the First Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That The Dollar Savings Bank, Pittsburgh, Pennsylvania, its successors or assigns, is hereby given the right, privilege, and authority to construct, maintain, and use, at its own cost and expense a granite and limestone facing, projecting into the northwesterly sidewalk area of Smithfield street adjoining its property at No. 303-305-307-309 Smithfield street in the First Ward, Pittsburgh, Pennsylvania.

The stone facing to be constructed by virtue of this Ordinance is to project into the northwesterly sidewalk area of Smithfield street, a distance of not more than 0.5 feet, and is to extend from the sidewalk elevation vertically to the top of the existing six-story building, and for its full width of 87.32 feet along Smithfield street, commencing 59.16 feet southwestwardly from the southwest line of Fourth avenue.

The said stone facing shall be constructed to the provisions of this Ordinance and in accordance with the Plan, identified as Accession No. B-656, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said The Dollar Savings Bank, its successors or assigns, prior to the beginning of the construction of said stone facing shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the locations for the construction of said stone facing, said plan and the construction of said stone facing, shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinance which may hereafter be passed relating to the same.

Section 4. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh without liability, reserves the right to cause the removal of the said stone facing upon giving to the said The Dollar Savings Bank, its successors or assigns, at least six (6) months' written notice from the proper officers of the City pursuant to a resolution or ordinance of Council; and the said The Dollar Savings Bank, its successors or assigns, when so notified, shall at or before the expiration of the said six (6) months, remove the said stone facing, at its own cost and expense, and to the satisfaction of the Director of the Department of Public Works.

Section 5. The said The Dollar Savings Bank, its successors or assigns, shall assume any and all liability and shall save the City of Pittsburgh harmless from and against all damages to persons or property, including the street and sub-surface structures therein, caused by or arising out of the con-

struction, maintenance and use of said stone facing, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 6. The foregoing rights and privileges are granted subject to the conditions that this Ordinance shall become null and void unless within thirty (30) days after its enactment by Council and approval by the Mayor, the said The Dollar Savings Bank, its successors or assigns, shall file with the proper officers of the City, its certificate of acceptance to be executed by the said The Dollar Savings Bank, its successors or assigns.

No. 417

AN ORDINANCE—Authorizing and directing the Grading, Paving and Curbing of Hampton street from Sheridan avenue to Farragut street, including the relaying of water lines and other work incidental thereto, and including, as may be necessary, the grading of approaches on streets affected thereby and sinking of exploratory test holes; letting a contract or contracts therefor, and providing that the costs, damages and expenses of the same be assessed against and collected from property specially benefited thereby.

Whereas, It appears by the petition and affidavit on file in the office of the City Clerk that a majority of property owners in interest and number abutting upon the line of Hampton street from Sheridan avenue to Farra-

gut street have petitioned the Council of the City of Pittsburgh to enact an ordinance for the Grading, Paving and Curbing of the same; Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That Hampton street from Sheridan avenue to Farragut street be graded, paved and curbed, including the relaying of water lines and other work incidental thereto, and that, as may be necessary, approaches be graded on streets affected thereby and exploratory test holes be sunk.

Section 2. The Mayor and the Director of the Department of Public Works are hereby authorized and directed to advertise, in accordance with the acts of Assembly of the Commonwealth of Pennsylvania, and the Ordinances of the said City of Pittsburgh relating thereto and regulating the same, for proposals for the Grading, Paving and Curbing of Hampton street from Sheridan avenue to Farragut street, including the relaying of water lines and other work incidental thereto, including, as may be necessary, the grading of said approaches and sinking of exploratory test holes; the contract or contracts therefor to be let in the manner directed by the said Acts of Assembly and Ordinances; and the contract price or contract prices, if let in separate contracts, not to exceed the total sum of Twenty-One Thousand (\$21,000.00) Dollars which is the estimate of the whole cost as furnished by the Department of Public Works.

Section 3. The costs, damages and expenses of the same shall be assessed against and collected from properties specially benefited thereby, in accordance with the provisions of the Acts of Assembly of the Commonwealth of Pennsylvania relating thereto and regulating the same.

Section 4. That any Ordinance, or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 418

AN ORDINANCE—Authorizing and directing the Mayor and the Director of the Department of Public Safety to execute an agreement with the Public Parking Authority of Pittsburgh for the transfer and assignment to it of the gross receipts derived from the operation of parking meters in the City of Pittsburgh for use by the Authority as collateral security for or in payment of certain loans made by it.

Whereas, The Public Parking Authority of Pittsburgh, in order to secure funds with which to defray the cost of acquiring and improving properties in the City of Pittsburgh and of constructing thereon parking garages, will be required to borrow moneys; and

Whereas, Said Public Parking Authority of Pittsburgh contemplates initial borrowings by means of bank loans to finance the acquisition of such properties and for related purposes, and intends thereafter to issue bonds of the Authority to finance the cost of construction and the repayment of such indebtedness as it may then have in respect of such bank loans and in respect of loans heretofore made to it by the City of Pittsburgh; and

Whereas, Said bank loans and said bonds will be secured in part by the revenues received from the operation of the parking facilities; and

Whereas, It is believed that the Public Parking Authority of Pittsburgh will be unable to procure the necessary loans unless it is enabled to use the gross receipts derived from the operation of parking meters in the City of Pittsburgh as collateral security for or in payment of such loans; Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor and Director of Department of Public Safety are hereby authorized and directed to enter into an agreement, in form approved by the City Solicitor, with the Public Parking Authority of Pittsburgh (hereafter called the "Authority") for the transfer and assignment to it of

the gross receipts derived from the operation of parking meters in the City of Pittsburgh for the year 1950 and succeeding years (said gross receipts hereinafter called "Parking Meter Funds"), for use by said Authority as additional collateral security to or as a source of payment for any such loan or loans made by it in order to finance the acquisition and improvement of properties for the construction of parking garages in the City of Pittsburgh (hereinafter collectively called the "loan").

Section 2. Such agreement shall provide that the transfer and assignment of the Parking Meter Funds shall be irrevocable until the Authority shall have paid and satisfied in full its indebtedness and obligations in respect of the loan and that upon the loan being so paid and satisfied, the Authority shall repay to the City of Pittsburgh the balance remaining in the "Meter Fund" unless the Parking Authority determines that it needs the funds in connection with the issuance of construction bonds. Should the Authority determine that the parking meter funds are necessary for the issuance of construction bonds, the assignments to the Authority of all such parking meter funds shall continue. Upon the maturity of such construction bonds or at such earlier time as such funds are not necessary for the security of construction bond holders, the balance of the "Meter Fund" shall be repaid to the City of Pittsburgh and future parking meter funds shall not be allocated for the benefit of the Public Parking Authority of Pittsburgh. At such time as the revenues of the Parking Authority are adequate for this purpose, there shall be returned to the City of Pittsburgh not only the amount of the parking meter funds advanced but also interest on such funds at the prevailing rate paid by the City during the entire time in which these funds were so utilized.

Section 3. Upon execution and approval of the agreement between the City of Pittsburgh and the Authority, the Mayor and the Controller of the City of Pittsburgh are hereby authorized and directed to issue the necessary warrant or warrants payable to the

order of the Authority, for the funds now on hand in the "Parking Meter Special and Trust Fund" created by Section 13 of Ordinance No. 424, approved September 20, 1938, as amended, and representing the gross receipts and revenues derived from parking meters in the City during the year 1950 to the date of the execution of this agreement. Thereafter, the Mayor and the Controller of the City of Pittsburgh are hereby authorized and directed to issue, at regular monthly intervals, warrants payable to the order of the Authority which will represent the gross receipts and revenues derived during the preceding calendar month from the parking meters in the City whether now in place or hereafter installed.

Section 4. The Parking Meter Funds, when and as received from time to time by the Authority, shall be deposited by it in a special account to be opened and maintained by it at the Mellon National Bank and Trust Company, Pittsburgh, designated as the "Meter Fund," which fund shall be subject to such restrictions and used only for such purposes as may be provided by this agreement, the loan agreements and agreement in connection with issuance of construction bonds.

Section 5. Any ordinances or parts of ordinances conflicting with the provisions of this Ordinance, including Ordinance No. 424 approved September 20, 1938, Ordinance No. 518 approved November 9, 1938, and Ordinance No. 289 approved June 13, 1949, shall be and the same are hereby repealed insofar as the same conflict with this Ordinance.

No. 435

AN ORDINANCE—Granting unto the J. Barker & Son Company of Pittsburgh, Pennsylvania, the right and privilege to construct, maintain and use an I-beam and suspended monorail hoist, projecting into Mulberry way, adjoining its property at No. 1233 Penn avenue in the Second Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the J. Barker & Son Company of Pittsburgh, Pennsylvania, its successors or assigns, is hereby given the right, privilege and authority to construct, maintain and use, at its own cost and expense, an I-beam and suspended monorail hoist, projecting into Mulberry way, adjoining its property at No. 1233 Penn avenue in the Second Ward, Pittsburgh, Pennsylvania.

The I-beam and suspended monorail hoist to be constructed by virtue of this Ordinance is described as follows:

The I-beam and suspended monorail hoist, at the rear of No. 1233 Penn avenue, shall project 40 inches into Mul-

berry way, with the I-beam having a clearance of 35 feet and the monorail hoist having a clearance of 33 feet above the existing surface on Mulberry way, said I-beam located approximately 131 feet southwestwardly from the southwesterly line of 13th street.

The said I-beam and suspended monorail hoist shall be constructed in accordance with the provisions of this ordinance and in accordance with the Plan, identified as Accession No. B-660, on file in the office of the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the construction of said I-beam and suspended monorail hoist, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the location and all details for the construction of said I-beam and suspended monorail hoist; said plans and the construction of said I-beam and suspended monorail hoist shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general Ordinances which have been or may hereafter be passed relating to the construction, maintenance, use and operation of I-beam and suspended monorails on City streets and compensation for same.

Section 4. The right and privilege granted by this Ordinance is granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said I-beam and suspended monorail hoist upon giving to the said Grantee at least six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said J. Barker & Son Company, its successors or assigns, to that effect, and that the said Grantee

shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said I-beam and suspended monorail hoist, at its own cost and expense.

Section 5. The said Grantee shall assume any liability to the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance, use and operation of said I-beam and suspended monorail hoist, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 6. The foregoing rights and privileges are granted subject to the following conditions, to-wit: This ordinance shall become null and void unless within thirty (30) days after its passage and approval, the said J. Barker & Son Company, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificate to be executed by the J. Barker & Son Company, its successors or assigns.

Section 7. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 437

AN ORDINANCE—Authorizing and Directing the Mayor and the Director of the Department of Lands and Buildings to Execute and Deliver a Quit Claim Deed to the Urban Redevelopment Authority of Pittsburgh for property in certain vacated streets and alleys in the Second Ward.

Whereas, Pursuant to Ordinance No. 5 of 1950, approved January 27, 1950, and recorded in Ordinance Book Volume 56, page 369, the City of Pittsburgh and the Urban Redevelopment Authority on March 15, 1950, entered into a certain written agreement relating to the redevelopment of Project Area 1-B in the Second Ward of the City of Pittsburgh, under the terms of which, among other things, the City of Pittsburgh agreed to vacate without cost to the said Authority certain streets and alleys or parts of streets and alleys in said Area and to convey to the said Authority without cost to the said Authority all right, title and interest which the City of Pittsburgh has in said streets and alleys so vacated; and

Whereas, By Ordinance No. 347 of 1950, approved July 24, 1950, and recorded in Ordinance Book Volume 56, page 643, the City of Pittsburgh vacated a certain unnamed alley, 20 feet in width, the southerly line of which is 180 feet north of and parallel to Penn avenue, extending from a point 90.91 feet west of Evans way to the westerly line of Evans way; and

Whereas, By Ordinance No. 348 of 1950, approved July 24, 1950, and recorded in Ordinance Book Volume 56, page 643, the City of Pittsburgh vacated that portion of Exchange way between Fancourt street and Stanwix street; and

Whereas, By Ordinance No. 349 of 1950, approved July 24, 1950, and recorded in Ordinance Book Volume 56, page 644, the City of Pittsburgh vacated Evans way between Duquesne way and Liberty avenue; and

Whereas, By Ordinance No. 350 of 1950, approved July 24, 1950, and recorded in Ordinance Book Volume 56,

page 644, the City of Pittsburgh vacated Penn avenue between Stanwix street and Fancourt street; and

Whereas, by Ordinance No. _____ of 1950, approved September _____, 1950, and to be recorded, the City of Pittsburgh vacated a certain unnamed alley, parallel to Penn avenue, the southerly line of said alley beginning at a point approximately 160 feet north of the northeast corner of Penn avenue and Evans way, and running from the easterly line of Evans way to the westerly line of Stanwix street, being twenty feet wide from the easterly line of Evans way to a point approximately 120 feet east of Evans way and being twelve feet wide from that point to the westerly line of Stanwix street; and

Whereas, The land upon which the streets and alleys were located is no longer needed or required for public use or purpose; and

Whereas, The City of Pittsburgh is empowered by the terms of the Redevelopment Cooperation Law, Act of May 24, 1945, P. L. 982, to vacate streets, sell and convey its property to a redevelopment authority and to aid and cooperate in a redevelopment undertaken by a redevelopment authority.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That it is hereby determined that the land upon which were located the streets and alleys vacated by Ordinances Nos. 347, 348, 349, 350, and _____ of 1950, recorded in Ordinance Book Volume 56, page 643, 644 and _____, respectively, before referred to, is no longer needed or required for public use or purpose.

Section 2. The Mayor and the Director of the Department of Lands and Buildings are hereby authorized and directed, on behalf of the City of Pittsburgh, to execute and deliver to the Urban Redevelopment Authority of Pittsburgh a Quit Claim Deed in substantially the following form:

THIS INDENTURE

Made this _____ day of September, 1950, by and between the City of Pittsburgh, a municipal corporation in

Allegheny County, Pennsylvania, party of the first part, and the Urban Redevelopment Authority of Pittsburgh, a redevelopment authority for said City of Pittsburgh established and existing under the Urban Redevelopment Law of the Commonwealth of Pennsylvania, Act of May 24, 1945, P. L. 991, party of the second part;

WITNESSETH:

That the said party of the first part, for and in consideration of the sum of \$1.00, lawful money of the United States of America, unto it in hand paid by the said party of the second part, at or before the sealing and delivery of these presents, the receipt whereof is hereby acknowledged, has remised, released and quit-claimed and by these presents does remise, release and quit-claim unto the said party of the second part, its successors and assigns, forever.

All those certain five (5) parcels of land situate in the Second Ward of the City of Pittsburgh, County of Allegheny and Commonwealth of Pennsylvania, being land heretofore used for the following streets and alleys or parts of streets and alleys;

First: A certain unnamed alley, 20 feet in width, the southerly line of which is 180 feet north of and parallel to Penn avenue, extending from a point 90.91 feet west of Evans way to the westerly line of Evans way.

Second: That portion of Exchange way between Fancourt street and Stanwix street.

Third: Evans way between Duquesne way and Liberty avenue.

Fourth: Penn avenue between Stanwix street and Fancourt street.

Fifth: A certain unnamed alley, parallel to Penn avenue, the southerly line of said alley beginning at a point approximately 160 feet north of the northeast corner of Penn avenue and Evans way, and running from the easterly line of Evans way to the Westerly line of Stanwix street, being 20 feet wide from the easterly line of Evans way to a point approximately 120 feet east of Evans way and being 12 feet wide

from that point to the westerly line of Stanwix street.

Being the same streets or alleys vacated by Ordinances Nos. 347, 348, 349, 350 and _____ of 1950, recorded in Ordinance Book Volume 56, page 643, 644 and _____, respectively.

Together with all and singular the tenements, hereditaments and appurtenances thereunto belonging, or in anywise appertaining, and the reversions, remainders, rents, issues and profits thereof, and also all the estate, right, title, interest, property, claim and demand whatsoever, as well in law, as in equity, of the said party of the first part, of, in and to the above described premises, and every part and parcel thereof, with the appurtenances.

To have and to hold all and singular the above mentioned and described premises, together with the appurtenances, unto the said party of the second part, its successors and assigns, forever.

The said party of the first part does hereby constitute and appoint David L. Lawrence, Mayor of the City of Pittsburgh, to be its attorney, for it and its name, and as and for its corporate act and deed, to acknowledge this deed before any person having authority by the laws of the Commonwealth of Pennsylvania to take such acknowledgement, to the intent that the same may be duly recorded.

This deed is made and executed by and in behalf of the City of Pittsburgh pursuant to Ordinance No. _____, approved September _____, 1950, and recorded in Ordinance Book Volume _____ page _____.

In Witness Whereof, The City of Pittsburgh has caused this Indenture to be executed on its behalf by its Mayor and the Director of its Department of Lands and Buildings, and its corporate seal to be hereto affixed and said seal and this Indenture to be attested by the Mayor's Ass't Secretary, the day and year aforesaid.

AN ORDINANCE — Regulating sick leaves and leaves of absence for employees of the City of Pittsburgh.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That any regular employee of the City of Pittsburgh employed on the basis of two hundred forty or more days per year shall be entitled, in each calendar year, to sick leave with pay for the period or periods of his illness not, however, exceeding fourteen (14) days, provided that the head of his department shall be satisfied that the absence of the employee is caused by actual illness and does not result from misconduct. Illness resulting from pregnancy shall be deemed sickness under the terms of this ordinance.

Section 2. Each employee requiring sick leave with pay must report his illness as promptly as is possible in the circumstances, and upon his return to work must certify in writing that he was sick or disabled to a degree requiring his absence. The head of the department may accept this certificate or he may require further proof, including the submission of a doctor's certificate, as he may deem necessary.

Section 3. The heads of the various departments of the City of Pittsburgh shall transmit to the Office of the Mayor monthly reports of all sick-leave allowances in their departments during the preceding month, together with the sick-leave record of each employee involved, and shall keep such permanent records as are necessary for this purpose.

Section 4. Employees of the City of Pittsburgh may accumulate unused sick leave for a period not exceeding three (3) years.

Section 5. In special cases and for adequate reasons, City Council may extend the sick leave with pay of any employee of the City of Pittsburgh upon the request and upon the recommendation of the head of the department in which such employee is employed.

Section 6. The falsification of the certificate or of any sick-leave affidavit by any employee of the City of Pittsburgh shall constitute grounds for suspension or dismissal of such employee.

Section 7. The heads of the various departments of the City of Pittsburgh may grant leaves of absence without pay, but such leaves of absence shall in no event extend for a period of more than six months and shall be in conformity with the regulations of the Civil Service Commission.

The said vault and cellar door entrance shall be constructed to the provisions of this Ordinance and in accordance with the plan identified as Accession No. B-660, on file in the office of the Bureau of Highways & Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the construction of the said vault and cellar door entrance, shall submit to the Director of the Department of Public Works, a complete set of plans, in triplicate, showing the location and all details for the construction of said vault and cellar door entrance, said plans and the construction of the vault and cellar door entrance shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The right and privilege herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers and supervision over City streets, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general Ordinances which have been or may be hereafter passed relating to the construction, maintenance and use of a vault and cellar door entrance on City street and compensation for same.

Section 4. The said Grantee shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and any other surface and sub-surface structures, which may be in any way damaged or disturbed by reason of the

construction, maintenance, use and operation of said vault and cellar door entrance. All work, including the repaving and repairing of any portion of the street damaged, shall be done in the manner and at such times as the said Director may order and shall be subject to his approval and supervision.

Section 5. The right and privilege granted by this Ordinance is granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said vault and cellar door entrance upon giving to the said Grantee at least six (6) months' written notice through the proper officers, pursuant to a resolution or Ordinance of Council, to the said R. Malorana Leather Company, its successors or assigns, to that effect, and that the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said vault and cellar door entrance and replace the street to its original condition, at its own cost and expense.

Section 6. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance, use and operation of said vault and cellar door entrance, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval, the said R. Malorana Leather Company, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificate to be executed by said R. Malorana Leather Company, its successors or assigns.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 541

AN ORDINANCE—Providing for the Housing Authority of the City of Pittsburgh to act as Agent for the management of temporary housing accommodations and prescribing the form of agreement with the Housing Authority of the City of Pittsburgh with respect thereto.

Whereas, An emergency exists in the City of Pittsburgh in that there is a critical shortage of housing accommodations; and

Whereas, The City, in cooperation with the Public Housing Administration provided temporary housing accommodations and incidental facilities for servicemen of World II, their families, and the families of deceased servicemen of that War; and

Whereas, The United States, acting by the Commissioner of the Public Housing Administration, relinquished all its right, title and interest in the said Veterans Housing Project, known as PA-V-36464, to the City of Pittsburgh as of January 31, 1950; and

Whereas, The City of Pittsburgh entered into a management agreement with the Housing Authority of the City of Pittsburgh dated April 24, 1946, with respect to the said Veterans Housing Project; and

Whereas, It is the desire of Council to enter into a new agreement with the Housing Authority of the City of Pittsburgh for the employment of the Authority as its agent in the operation of the Project, which new agreement will supersede the agreement of April 24, 1946;

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the City hereby determines to employ the Housing Authority of the City of Pittsburgh as its agent for the operation of temporary housing accommodations and incidental facilities for servicemen of World War II, their families, and families of deceased servicemen of that War.

Section 2. That the City shall enter into an agreement with the Housing Authority of the City of Pittsburgh in substantially the following form:

AGREEMENT

Between

CITY OF PITTSBURGH and HOUSING
AUTHORITY OF THE CITY
OF PITTSBURGH

Whereas, The United States, acting by

the Commissioner of the Federal Public Housing Authority, now known as the Public Housing Administration, entered into a contract dated March 9, 1946, with the City of Pittsburgh to provide temporary housing, pursuant to Title V of the Lanham Act (Public Law 849, 76th Congress, as amended, particularly by the amendment embodied in Public Law 292, 79th Congress); and

Whereas, Pursuant to said agreement 675 family dwelling units were constructed and the said dwelling units are occupied by service men of World War II, their families, and families of deceased service men of that War; and

Whereas, The United States, acting by the Commissioner of the Public Housing Administration relinquished all its right, title and interest in the said Veterans Housing Project known as PA-V-36464, as of January 31, 1950; and

Whereas, The City of Pittsburgh, hereinafter referred to as "City" and the Housing Authority of the City of Pittsburgh, hereinafter referred to as "Authority," entered into a management agreement dated April 24, 1946, with respect to the said Veterans Housing Project; and

Whereas, The City and the Authority desire to enter into a new agreement covering the said Veterans Housing Project, which new agreement will supersede the agreement of April 24, 1946;

Now, Therefore, In consideration of the mutual promises of the City and the Authority, hereinafter set forth, the City and the Authority agree as follows:

1. The City hereby appoints the Authority and the Authority hereby agrees to act as Agent for the City in the operation of Veterans Housing Project No. PA-V-36464, for the temporary housing of service men of World War II, their families, and the families of deceased service men of that War.

2. No portion of the cost of maintenance or operation of the Project or of the cost of final disposition of the Project, nor of the administration costs incurred in connection with the Project, shall be borne by the Authority.

3. The City shall indemnify and hold harmless the Authority against any and all liability, claims, judgments, costs, expenses and loss incurred or suffered by the Authority in connection with this Agreement or arising out of the operation or management of the Project, and shall reimburse and make whole the Authority to the fullest extent thereof.

4. If the income and reserves of the Project are insufficient to meet the expenses and liabilities of the Project, the City agrees to advance to the Authority, on demand, an amount or amounts of money sufficient to cover any deficiencies and to provide necessary working capital.

5. The City may terminate the Authority's agency at any time. Upon such termination, the City shall assume all commitments, indebtedness, obligations, liabilities and any other duties of whatsoever nature assumed, undertaken or incurred by the Authority in connection with the operation and management of the Project, and paragraphs 2 and 3 of this Agreement shall continue in full force and effect after such termination.

6. The Authority shall manage and operate the Project in accordance with the provisions of this contract and in accordance with such rules, regulations and standards as it may make, which are appropriate, it being understood that (except as specifically provided in this contract and as between the parties hereto) all functions of managing, maintaining and operating the Project, including the establishment of appropriate standards for such management, maintenance and operation, are the responsibility of the Authority.

7. The Authority shall not, without the consent of the City, admit to occupancy in any dwelling accommodation provided under this contract, any person other than an "eligible tenant," as hereinafter defined, except such management employers whose continued presence at the project site is necessary for the proper management or operation thereof.

The term "eligible tenant" means distressed families of service men and veterans and their families and single

veterans attending educational institutions. The term "families of service men" shall include the family of any person who is serving in the military or naval forces of the United States, and the term "veterans" shall include any person who has served in the military or naval forces of the United States during World War II and who has been discharged or released therefrom under conditions other than dishonorable. Families of servicemen and veterans and their families and single veterans attending educational institutions shall be considered to be "distressed" if they are without housing because of eviction or low income or for other reasons, or are affected by unusual hardships, and are unable to find in the area adequate housing within their financial reach. This includes the family of a returning veteran who is unable to find a dwelling in the area within his financial reach in which he can reestablish his family. Service men seeking accommodations so they can bring their families into the locality and families of service men stationed outside the locality are included.

8. The schedule of rents to be prescribed in the Project Management Plan shall establish a fair rent based on value for each dwelling in the project. Such rent shall be reduced in individual cases, if fair rent based on value is not within the financial reach of the eligible tenant; provided, however, that in no event shall the rent (plus the cost of utilities but exclusive of any charge for furniture) be reduced to an amount less than one-fifth of the tenant's net family income (or one-sixth of such net family income in case of tenants with three or more minor dependents); nor shall the rent be reduced to an amount less than the total operating expense (excluding furniture allowance) per month for the dwelling as set forth in the Project Management Plan.

The schedule of rents shall be registered with, and subject to the Office of the Housing Expediter. No rents in excess of the rents prescribed herein shall be charged or collected by the Authority.

9. The Authority shall have the right to make such repairs and to do such

maintenance work with respect to the Project as it in its discretion believes necessary and desirable.

10. The Authority may charge to and pay from the rents and revenues derived from the Project (hereinafter referred to as the "project income") and from the "operating Reserve," hereinafter referred to, all necessary expense for the management and operation of the Project allowable in accordance with the provisions of this Agreement. Such charges with respect to any site shall continue until sixty days subsequent to the termination of the Project (or any portion thereof in connection with which the charge was incurred). Such expenses may include:

- (a) Payments in lieu of taxes to the City, the School District of the City of Pittsburgh, the County of Allegheny, and the Institution District of the County of Allegheny.
- (b) Ground rents.
- (c) Salaries of employees of the Authority devoting full time to Management and operation and maintenance of the Project.
- (d) A pro rata part of the regular overhead of the Authority including (but without limitation of the generality of the foregoing) salaries of any of its regular employees, materials, supplies, commodities, equipment, utilities or services.
- (e) Charges by way of premium, or otherwise, for fire and extended coverage, public liability, workmen's compensation insurance, and such other insurance as the Authority may deem necessary or desirable.
- (f) Payments made by the Authority into retirement and insurance plans for its employees.
- (g) An "Operating Reserve" which shall include the following:
 - 1. An amount equal to the difference between the average annual estimate for repairs, maintenance and replacements (which shall be the estimated average

expenses over a period of five years, as set forth in the Project Management Plan) and the actual expenses for such items incurred during such fiscal year.

2. An amount to provide sufficient working capital.

3. An amount to cover any other expenses and losses lawfully incurred by the Authority in the operation of the Project.

The amounts necessary for the said "Operating Reserve" shall be set aside on the last day of each fiscal year. The fiscal year shall end on the 31st day of December of each calendar year. The "Operating Reserve" thus accumulated shall remain in the custody of the Authority and be available to meet the expenses of repairs, maintenance and replacements, to provide sufficient working capital and for any other expenses or losses lawfully incurred by the Authority in the operation of the Project. The said "Operating Reserve" shall be drawn upon to meet expenses and losses and to provide necessary working capital.

11. Within thirty days after the end of each fiscal year and within ninety days subsequent to the termination of the Project, the Authority shall pay to the City all net revenue derived from the operation and management of the Project for said year or period. For the purposes of this provision, fiscal years shall end on December 31st and the term "net revenue" shall mean the amount by which project income exceeds allowable project operating expense computed in accordance with the provisions of this contract.

Within ninety days subsequent to the termination of the Project, as aforesaid the Authority shall pay to the City all unexpended or uncommitted balances in the "Operating Reserve."

Payments to the City shall be made by check or money-order payable to the order of the City Treasurer of the City of Pittsburgh.

12. The Authority shall deposit all

rents and revenue derived from the management and operation of the Project. The Authority shall report the name of its depository to the City and shall furnish such information regarding such depository as may be required by the City. The Authority shall provide a safe place for the keeping of all cash and currency prior to deposit. All deposits of cash or currency shall be made either by means of armored car service or by bonded employees, unless other arrangements are approved by the City. All persons responsible for the handling or disbursements of funds shall be appropriately covered by fidelity bonds.

13. The Project, or any part thereof, for the purposes of this contract, shall be terminated as of the date of the determination by the Administrator of the Housing and Home Finance Agency, or any successor to his powers, functions and duties, (herein called the Administrator) that the Project, or any part thereof, is no longer needed to provide temporary housing for eligible tenants in the orderly demobilization of the war effort; provided, that the Project shall be terminated in any event at the end of two years after the termination of the emergency declared by the President to exist on September 8, 1939; unless such period may be extended for successive periods of one year each upon a determination by the Administrator (after consultation with the Authority and the City) that such housing is still needed for the purposes of this contract.

14. The City expressly covenants that all temporary dwellings provided hereunder shall be removed and disposed of upon termination of the Project or upon total destruction thereof. Such disposition and removal shall be at the sole cost and expense of the City and any salvage or proceeds therefrom may be retained by the City. Upon such disposal and removal and upon final payment to the City of all net revenue derived from the management and operation of the Project and any balances remaining in the "Operating Reserve," and the submission and approval of a final statement of account with respect thereto, all obligations of the parties under this contract shall be discharged.

15. This Agreement shall supersede the Agreement heretofore entered into between the parties dated April 24, 1946.

In Witness Whereof, The City of Pittsburgh, Pennsylvania, and the Housing Authority of the City of Pittsburgh have respectively caused this Agreement to be duly executed, in sextuplicate, as of the ----- day of -----, in the year of Our Lord, one thousand nine hundred fifty.

No. 548

AN ORDINANCE—Granting unto the Blaw Knox Company, its successors or assigns, the right to construct, maintain, and use, at its own cost and expense, a side track in Fortieth street in the Sixth and Ninth Wards, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Blaw Knox Company, its successors or assigns, is hereby given the right and authority to construct, maintain and use, at its own cost and expense, a side track in Fortieth street, in the Sixth and Ninth Wards, Pittsburgh, Pennsylvania, for the purpose of conveying materials to and from its properties situated on the northeasterly side of Fortieth street. The center line of the proposed track shall be located as follows:

Beginning at a point 238 feet northwest of the northwesterly line of Willow street extended and on the southwesterly line of Fortieth street; thence deflecting to the right, an angle of approximately 68° into Fortieth street, which has a width of 60 feet, a distance of 4 feet to a point of curve; thence northeastwardly across Fortieth street by the arc of a curve deflecting to the right, having a central angle of 5° 39' 37" and a radius of 454.34 feet, 44.8 feet to a point of tangent distant 15 feet southwest of the northeasterly line of Fortieth street; thence northeasterly a distance of 15 feet to the northeasterly line of Fortieth street.

The said track shall be constructed in accordance with the plan identified as Accession No. B-661, on file in the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of construction of said side track, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing location, paving, sewerage, and all details for the construction of said side track and the said plan and construction of the side track shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which may hereafter be passed relating to the construction, maintenance and use of side tracks on City streets and compensation for same.

Section 4. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said side track upon giving a six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the Blaw Knox Company, its successors or assigns, to that effect, and the said

Grantee shall, when so notified, at the expiration of the said six (6) months forthwith remove, at its own cost and expense, the said side track and replace the street to a condition as required by the said Director or as herein further stipulated.

The foregoing rights and privileges are granted subject to the following conditions, to-wit:

This Ordinance shall become null and void unless within sixty (60) days after its passage and approval, the Blaw Knox Company, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions hereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

Section 5. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons, or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance and use of said side track, and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 6. The said Grantee shall bear the full cost and expense of the repair of sewers, water lines and other surface and sub-surface structures which may be in any way damaged or disturbed on account of the construction, maintenance and use of said side track.

After the said side track has been constructed and paved, the said Grantee shall maintain the same and the area extending five (5) feet in each direction from the center lines thereof within the limits of the said street for courses and distances described above. Such maintenance shall be appropriate to the adjoining street pavement and as required by said Director.

Should the said track be abandoned or its use discontinued, the Grantee shall bear the full cost and expense of the repair and repaving of the same area of Fortieth street that was required to be paved by the Grantee, and of the repair of any sub-structures thereunder as directed by said Director.

Section 7. The said Grantee, at its own cost and expense, shall furnish, install and maintain all warning signals ordered by the Pennsylvania Utility Commission.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 549

AN ORDINANCE—Granting unto the Alcoa Aluminum Building, its successors or assigns, the right to construct, maintain, and use a concrete vault and hatchway projecting into the easterly sidewalk area of Montour way in the Second Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Alcoa Aluminum Building, its successors or assigns, is hereby given the right to construct, maintain and use a concrete vault and hatchway projecting into the easterly sidewalk area of Montour way in the Second Ward, Pittsburgh, Pennsylvania.

The concrete vault and hatchway to be constructed by virtue of this Ordinance are to be supported by steel H-beam piles and are to occupy portions of the easterly sidewalk area of Montour way described as follows:

Beginning at a point on the easterly line of Montour way distant 31.07 feet northwardly along said line from the northerly line of Sixth avenue; thence westwardly and perpendicular to the easterly line of Montour way a distance of 1.78 feet; thence deflecting to the right an angle of 90° a distance of 10.75 feet to a point at the end of the hatchway; thence continuing in a straight line along the vault a distance of 81.5 feet to a point; thence deflecting

to the right an angle of 90° a distance of 1.14 feet to a point on the easterly line of Montour way; thence southwardly along the easterly line of Montour way 81.5 feet to a point at the end of the vault; thence continuing southwardly along the easterly line of Montour way 10.75 feet to the point of beginning. The base of the hatchway shall be at an elevation of 715.5 feet and the top at an elevation of 744.92 feet. The base of the vault shall be at an elevation of 733.0 feet and the top at an elevation of 744.92 feet.

The said vault and hatchway shall be of reinforced concrete construction and shall be built in accordance with the plan identified as Accession No. B-662 on file in the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of the construction of said vault and hatchway, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing the locations and all details for the construction of said vault and hatchway and sidewalk replacement. Said plans and construction of said vault and hatchway and sidewalk shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power and supervision over city street, and also to Ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which have been or may be hereafter passed relating to the construction, maintenance and use of a vault and hatchway on City streets and compensation for same.

Section 4. The said Grantee shall bear the full cost and expense of the repair of any street pavement damaged, repair of sewers, water lines and any other surface and subsurface structures, which may be in any way damaged or disturbed by reason of the construction, maintenance, use and operation of said vault and hatchway.

All work, including the repaving and repairing of any portion of the street damaged, shall be done in the manner and at such times as the Director of the Department of Public Works may order and shall be subject to his approval and supervision.

Section 5. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of the said vault and hatchway upon giving to the said Grantee at least six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the said Alcoa Aluminum Building, its successors or assigns, to that effect, and the said Grantee shall, when so notified, at the expiration of the said six (6) months, forthwith remove the said vault and hatchway and replace the street to its original condition, at its own cost and expense.

Section 6. The said Grantee shall assume any liability of the City of Pittsburgh for damages to persons or property, including the streets and sub-surface structures therein, by reason of the construction, maintenance, use and operation of said vault and hatchway and it is a condition of this grant that the City of Pittsburgh assumes no liability to either persons or property on account of this grant.

Section 7. The foregoing rights and privileges are granted subject to the following conditions, to wit: This Ordinance shall become null and void unless within thirty (30) days after its passage and approval, the said Alcoa Aluminum Building, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificate to be executed by the Alcoa Aluminum Building, its successors or assigns.

AN ORDINANCE—Granting unto the Keps Electric Company, its successors or assigns, the right to construct, maintain and use, at its own cost and expense, a side track in Lighthill street, in the Twenty-first Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Keps Electric Company, its successors or assigns, is hereby given the right and authority to construct, maintain and use, at its own cost and expense, a side track in Lighthill street in the Twenty-first Ward, Pittsburgh, Pennsylvania, for the purpose of conveying materials to and from its properties situated on the easterly side of Lighthill street. The center line of the proposed track shall be located as follows:

Beginning at a point on the center line of the existing side track, bearing north 12° 44' west, in Lighthill street, said point being 443 feet south of the southerly line of Ridge avenue and 35 feet west of the easterly street line of said Lighthill street; thence in a northerly direction by a twelve degree curve to the right with a radius of 478.34 feet a distance of 74 feet to a point; thence continuing by a tangent north 8° 17' 36" west a distance of 44 feet to a point; thence continuing in a

northerly direction by a twelve degree curve to the left with a radius of 478.34 feet a distance of 74 feet to a point; thence continuing by a tangent 9.5 feet, distant measured at right angles west of and parallel to the easterly street line of said Lighthill street, north 12° 44' west a distance of 138 feet to the end, said end being a distance of 113 feet south of the southerly street line of said Ridge avenue.

The said track shall be constructed in accordance with the plan identified as Accession No. B-663 on file in the Bureau of Highways and Sewers, Department of Public Works.

Section 2. The said Grantee, prior to the beginning of construction of said side track, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans, in triplicate, showing location, paving, sewerage, and all details for the construction of said side track, and the said plan and construction of the side track shall be subject to the approval and supervision of the Director of the Department of Public Works.

Section 3. The rights and privileges granted shall be subject and subordinate to the rights of the City of Pittsburgh and its power over City streets, and to the ordinances of the City of Pittsburgh relating thereto, and to the provisions of any general ordinances which may hereafter be passed relating to the construction, maintenance and use of side tracks on City streets and compensation for same.

Section 4. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh, without liability, reserves the right to cause the removal of said side track upon giving a six (6) months' written notice through the proper officers, pursuant to a resolution or ordinance of Council, to the Keps Electric Company, its successors or assigns, to that effect, and the said Grantee shall, when so notified, at the expiration of the said six (6) months forthwith remove, at its own cost and expense, the said side track and replace the street to a condition as required

by the said Director or as herein further stipulated.

The foregoing rights and privileges are granted subject to the following conditions, to-wit:

This Ordinance shall become null and void unless within sixty (60) days after its passage and approval, the Keps Electric Company, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions hereof, said certificate to be executed by the President and Secretary of the Company, with its corporate seal attached.

AN ORDINANCE—Accepting the dedication of a portion of Cox avenue from Elwell street to an angle point 194.75 feet northwardly therefrom as shown on "Addition No. 2 Erwindale Plan of Sub-Division" in the Thirty-first Ward of the City of Pittsburgh, laid out by Hahn and Skyrmes, Inc., for public highway purposes and establishing the grade thereof.

Whereas: Hahn and Skyrmes, Inc.,

the owners of certain property in the Thirty-first Ward of the City of Pittsburgh, laid out in "Addition No. 2 Erwindale Plan of Sub-Division," of record in the Recorder's Office of Allegheny County, in plan book Vol. 45, pages 189 to 192 inclusive, have located certain streets thereon and executed a deed of dedication upon the said plan for all the ground covered by the said streets to the City of Pittsburgh for public use for highway purposes and have released said City from any liability for damages for or by reason of the physical grading of the said streets to the grade to be established. Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the dedication of that portion of Cox avenue as shown on "Addition No. 2 Erwindale Plan of Sub-Division," from Elwell street to an angle point 194.75 feet northwardly therefrom, shall be and the same is hereby accepted, the northerly terminus of that portion of the street herein accepted being a straight line between the northerly line of Lot No. 172 in the said plan and the angle point in the easterly line of the street at a point 194.75 feet north of the northerly line of Elwell street.

Section 2. The grade of the center line and westerly 25-foot line of Cox avenue from Elwell street to the northerly terminus as above described shall be and the same is hereby established as follows, to-wit:

Beginning on the northerly 8-foot line of Elwell street at an elevation of 1154.47 feet; thence rising by a concave parabolic curve for a distance of 40 feet to a point of tangent to an elevation of 1157.12 feet; thence rising at the rate of 12% for a distance of 90.09 feet to a point of curve to an elevation of 1167.93 feet; thence by a portion of a convex parabolic curve which would have a total length of 100 feet and an apex elevation of 1173.93 feet for a distance of 57.18 feet to the northerly terminus as above described to an elevation of 1172.99 feet.

Section 3. The street as aforesaid dedicated to said City for a public highway shall be and the same is

hereby opened as a public highway and Cox avenue between the above mentioned terminals is hereby named "Cox avenue."

Section 4. The Department of Public Works of the City of Pittsburgh is hereby authorized and directed to enter upon, take possession of and appropriate Cox avenue between the above mentioned terminals.

Section 5. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That Hayson avenue from Allender avenue to a southerly line of Silver Oak Plan of Lots No. 2, shall be and the same is hereby widened by taking for public use for highway purposes the property hereinafter described as Portions "A" and "B" respectively, to-wit:

PORTION "A"

Beginning at the intersection of a southerly line of Silver Oak Plan of Lots No. 2, of record in the Recorder's office of Allegheny County in Plan Book Volume 46, pages 84 and 85, and the westerly line of Allender avenue as shown on the said Plan; thence extending north 71° 50 east 26.90 feet to the westerly line of Allender avenue as originally laid out to a width

of 35 feet; thence along the said westerly line of Allender avenue south 15° 37' east 80.44 feet to a point; thence south 74° 23' west 8.50 feet to a point of curve; thence northwestwardly by the arc of a circle deflecting to the left with a radius of 20 feet, a central angle of 76° 09' and a chord bearing North 53° 41' 30' west for an arc distance of 26.58 feet to a point of tangent; thence by the tangent south 88° 14' west 43.21 feet to a point of curve; thence northwestwardly by the arc of a circle deflecting to the right with a radius of 101.88 feet and a central angle of 39° 39' for an arc distance of 73.27 feet to a point of tangent; thence by the tangent north 52° 07' west 6.35 feet to a southerly line of the above mentioned Silver Oak Plan of Lots No. 2, thence along the southerly line of the said Plan north 71° 50' east 102.45 feet to the place of beginning.

PORTION "B"

Beginning at the intersection of a southerly line of Silver Oak Plan of Lots No. 2 and the westerly line of Hayson avenue as laid out in the said Plan; thence extending along the southerly line of the said Plan north 86° 09' east 66.78 feet to the easterly line of Hayson avenue as laid out in the said Plan; thence along the westerly line of the said Plan south 14° 22' east 81.57 feet to a point; thence north 52° 07' west 65.38 feet, parallel to and 50 feet west of the easterly line of Hayson avenue as laid out in the said Plan, to a point of tangent; thence northwestwardly by the arc of a circle deflecting to the right with a radius of 220 feet and a central angle of 12° 52' 50" for an arc distance of 49.46 feet to the place of beginning.

Section 2. The Department of Public Works of the City of Pittsburgh is hereby authorized and directed to cause the said Hayson avenue in the Twentieth Ward of the City of Pittsburgh, from Allender avenue to a southerly line of the Silver Oak Plan of Lots No. 2 to be widened in conformity with the provisions of Section 1 of this Ordinance.

Section 3. The costs, damages and expenses occasioned thereby, and the benefits to pay the same shall be assessed against and collected from prop-

crties benefited thereby, in accordance with the provisions of the Acts of Assembly of the Commonwealth of Pennsylvania, relating thereto and regulating the same.

Section 4. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 569

AN ORDINANCE—Granting unto the United States Steel Corporation of Delaware, the right to construct, maintain, and use a temporary bridge over and diagonally across Fifth avenue from the 12th floor of the Carnegie Building on the southerly side of Fifth avenue to the 14th floor of the 525 William Place Building on the northerly side of Fifth avenue in the Second Ward, Pittsburgh, Pennsylvania.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That The United States Steel Corporation of Delaware, its successors or assigns, is hereby given the right and privilege to construct, maintain, and use at its own cost and expense, a temporary bridge to be used in conjunction with the moving of office supplies and furniture, over and diagonally across Fifth avenue from the 12th floor of the Carnegie Building on the southerly side of Fifth avenue to the 14th floor of the 525 William Penn Place Building on the northerly side of Fifth avenue, in the Second Ward, Pittsburgh, Pennsylvania.

The said bridge shall be constructed in accordance with the provisions of this Ordinance and in accordance with the plan identified as Accession No. B-663, on file in the Bureau of Highways and Sewers, Department of Public Works.

The said bridge shall be constructed

on two timber bents located respectively in the sidewalk areas of Fifth avenue on the northerly and southerly diagonally opposite corners of the intersections of Fifth avenue with William Penn way and Cherry way; the bottom of the bridge to be at least 24 feet above the street surface. After the said bridge has been completed, raised and secured in its final location, the said timber bents shall be removed and the streets and sidewalks restored to safe and proper conditions to the satisfaction of the Director of the Department of Public Works.

Section 2. The said United States Steel Corporation of Delaware, prior to the beginning of the construction of said temporary bridge, shall submit to the Director of the Department of Public Works of the City of Pittsburgh, a complete set of plans showing location and all details of the construction of said temporary bridge, and no work shall be commenced thereon until said plans have been approved by the said Director, who shall have the right at all times to inspect and supervise the said construction, operation and maintenance.

Section 3. The rights and privileges herein granted shall be subject and subordinate to the rights of the City of Pittsburgh and its powers over City streets and to ordinances of the City of Pittsburgh relating thereto and to the provisions of any ordinances which may hereafter be passed relating to the same.

Section 4. The said Grantee shall bear the full cost and expense for the repaving and repair of the streets and sidewalks affected by this improvement, or the repair of any structure or property which may be in any way damaged or disturbed by reason of the construction, maintenance and use of said temporary bridge; all of said work, including repairs of street or sidewalk, shall be done in a manner and at such times as the said Director may order, and shall be subject to his approval and supervision.

Section 5. United States Steel Corporation of Delaware assumes all liability for damages to persons or property, including but not limited to City street or sub-surface facilities, caused

by or arising out of the construction, maintenance and use of said temporary bridge and undertakes to save the City harmless, and to indemnify the City against any and all such damages.

Section 6. The rights and privileges granted by this Ordinance are granted upon the express condition that the City of Pittsburgh without liability requires that the said temporary bridge be removed on or before December 31, 1951, and that the method and time of removal of said bridge and the restoration of surface and sub-surface facilities shall be subject to the approval and supervision of the Director of the Department of Public Works, and further that no sign or display shall be maintained on said temporary bridge during its use.

Section 7. The foregoing rights and privileges are granted subject to the following condition, to wit: This Ordinance shall become null and void unless within sixty (60) days after its passage and approval, the said United States Steel Corporation of Delaware, its successors or assigns, shall file with the City Controller, its certificate of acceptance of the provisions thereof, said certificate to be executed by the United States Steel Corporation of Delaware, its successors or assigns.

Section 8. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

(12) months after the termination of said year, and no exonerations shall be granted after said period has expired.

FOR CHANGES IN WATER USES

Where fixtures are removed and water uses discontinued, exonerations will be issued covering the discontinued use from the date of approval of contract covering the revised water uses. In case any owner of any premises shall cause or allow water to be used for any purposes or in any fixtures for which there is no approved water contract on file in the office of the Bureau of Water, the rate for such usage or fixtures shall be at the rate specified in the foregoing schedule and shall date from the preceding January 1st, and the water for the entire premises shall be shut off until an approved contract for such additional water uses or fixtures has been signed and placed on file in the office of the Bureau of Water.

All fixtures on any premises, whether used or not, will be assessed as long as they remain in position.

WATER FOR FIRE PURPOSES

No charge shall be made for water used during fires. All water used through fire systems except during fires, shall be charged for at metered rates. All fire systems shall be metered, excepting sprinkler head systems, and the minimum charge for each quarter year shall be as follows:

2" and 3" meters-----	\$3.40 per quarter
4" meters -----	5.10 per quarter
6" meters and over-----	7.65 per quarter

EXPLANATION OF THE FOREGOING SCHEDULE

In the foregoing schedule of rates, in cases where both flat and metered rates are specified, such flat rates shall govern until a meter or meters, controlling the entire supply of water, shall have been installed, when the metered water rates, rules and regulations shall govern. In the foregoing schedule of rates, in cases where metered rates, only, are specified, and the meter or meters are not in service or approved service during any portion of the water rent period, the registration for the portion of the water rent period during which the meter or meters are in approved service, or the registration during the preceding water rent period, shall be applied pro rata to the period during which the meter or meters are not in approved service. All water supplied at metered rates shall be at the following rates per quarter year:

METERED WATER RATES

First 250,000 gallons or less-----	34c per 1000 gallons
Second 250,000 gallons or less-----	31c per 1000 gallons
Third 250,000 gallons or less-----	28c per 1000 gallons
Fourth 250,000 gallons or more-----	25c per 1000 gallons

Hospitals, dispensaries and such other charities as are supported by public and private contributions, shall be charged at the rate of twelve (12) cents per thousand gallons; provided, however, that hospitals supported by public charity shall receive free of all charge two hundred fifty (250) gallons of water per person per day, and schools supported by private charity shall receive free of all charge twenty-five hundred (2500) gallons of water per pupil per annum.

All hospitals and charitable institutions operating and maintaining laundries for commercial purposes, or maintaining and operating hydraulic power producing machinery, shall pay the usual and fixed rate for all water used for such purposes.

All hospitals and charitable institutions within the City of Pittsburgh which operate and maintain laundries for commercial purposes, or operate hydraulic power

producing machinery, shall maintain separate water lines for such laundries or hydraulic power producing machinery. All water used for such purposes shall be separately and specially metered.

For all water taken, the rate for which is not specifically provided and which is not measured by meter, the quantities shall be estimated and charged for at the above metered rates; and provided, further, that in no case where metered water rates are in force shall the charge for such premise for each quarter be less than the amount specified in the following schedule:

42c	per quarter for 1 and 2 roomed dwelling house premises
85c	per quarter for 3 and 4 roomed dwelling house premises
\$1.70	per quarter for 5 and 6 roomed dwelling house premises
\$2.12	per quarter for 7 and 8 roomed dwelling house premises
\$3.40	per quarter for 9 and 10 roomed dwelling house premises
\$4.25	per quarter for 11 and 12 roomed dwelling house premises
\$5.10	per quarter for 13 and 14 roomed dwelling house premises
\$6.80	per quarter for 15 and 16 roomed dwelling house premises
\$8.50	per quarter for dwelling house premises of more than 16 rooms

For all premises not included in the above schedule the minimum charge shall be $2\frac{1}{2}$ per cent of the yearly flat assessment per quarter, excepting in each case where a premise is equippd with an auxilliary water supply consisting of a pumping engine of not less than 50,000 gallons per day capacity and a reserve tank of not less than 3,000 gallons capacity, the minimum charge for each quarter shall be as follows:

For each $\frac{5}{8}$ inch meter	\$ 3.40
For each $\frac{3}{4}$ inch meter	5.10
For each 1 inch meter	8.50
For each $1\frac{1}{4}$ inch meter	12.75
For each $1\frac{1}{2}$ inch meter	17.00
For each 2 inch meter	21.25
For each 3 inch meter	34.00
For each 4 inch meter	51.00
For each meter larger than 4 inch	85.00

The meter or meters to be used must be approved by the Bureau of Water, must be installed under the direction of and in a manner satisfactory to the Bureau of Water and shall at all times be accessible to the Board of Water Assessors and the Managing Engineer of the Bureau of Water, their agents or assistants. Metered rates charged to any premise cannot be changed to flat rates. All meters must be furnished by and at the expense of the property owner. Meters will be tested, repaired and replaced by the Department of Public Works. For this service there will be levied on each metered service the following quarterly charge:

$\frac{5}{8} \times \frac{5}{8} \times \frac{3}{4}$ inch meter	\$.85 per quarter
$\frac{3}{4}$ inch meter	1.30 per quarter
1 inch meter	1.70 per quarter
$1\frac{1}{4}$ inch meter	2.14 per quarter
$1\frac{1}{2}$ inch meter	3.40 per quarter
2 inch meter	5.10 per quarter
3 inch meter	10.20 per quarter
4 inch meter	18.70 per quarter
6 inch meter	34.00 per quarter
8 inch meter	51.00 per quarter
10 inch meter	85.00 per quarter

That all meters shall be read quarterly and as promptly thereafter as possible, a statement of water used by consumer in the preceding quarter, together with the amount then due the City of Pittsburgh, shall be promptly mailed to said consumer. All charges to metered water consumers shall be subject to a discount of two (2%) per centum on the face thereof if paid within ten days; shall be payable at face if

paid within the next succeeding ten days, and if not paid within twenty days after date of said notice shall be subject to penalty for non payment of two (2%) per centum additional plus one-half of one per centum for each month or any part thereof that the same shall not be paid.

In case the said accounts are not paid within twenty days as provided in above paragraph hereof, they shall become delinquent and the said accounts shall thereafter be collected by the Collector of Delinquent Taxes, who shall, in default of payments, proceed with the collection thereof and the filing of liens in the same manner and at the same time as is provided under the Acts of Assembly for the year.

No. 599

AN ORDINANCE — Appropriating the additional sum of \$350,000.00 to Code Account 1630, Emergency Snow Removal.

Whereas, The Mayor and the City Controller have certified the existence of an emergency requiring an additional appropriation to pay the cost of emergency snow removal; and

Whereas, Ordinance No. 557, approved November 28, 1950, appropriated the sum of \$250,000.00 to Emergency Snow Removal for the payment of wages to additional personnel and overtime for regular employees, and for the procurement of such equipment, tools, supplies, incidentals and additional services as may be required; and

Whereas, Estimates furnished by the Heads of the various departments indicate that the total cost of the snow removal will amount to approximately \$600,000.00; Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the additional sum of \$350,000.00 is hereby appropriated to Code Account 1630, Emergency Snow Removal, chargeable to the General Fund.

Section 2. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

No. 600

AN ORDINANCE — Authorizing warrants in the total sum of \$600,000.00 to pay for services rendered and equipment, etc., furnished for Emergency Snow Removal, without previous authority of law.

Whereas, A great snow storm of unprecedented severity descended upon this City on Saturday, November 25, 1950, blocking streets and highways, and interrupting the normal business of the Pittsburgh District, and requiring emergency measures to permit the resumption of normal traffic; and

Whereas, Upon a Declaration of a State of Emergency by the Mayor and the City Controller, concurred in by this Council, Ordinance No. 557 was enacted on November 28, 1950, providing for the employment of additional personnel, overtime for regular employees, and the procurement of equipment, tools, supplies, incidentals and additional services as might be required in the emergency, and appropriating the sum of \$250,000.00 therefor; and

Whereas, The Heads of the various Departments of the City Government have furnished estimates of the cost of services, equipment and supplies used and necessary in the "Emergency Snow Removal," which estimates total approximately \$600,000.00; and

Whereas, Of necessity a portion of these services and equipment were rendered and supplied before the enactment of Ordinance No. 557;

Now, Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the Mayor be authorized and directed to issue and the City Controller to countersign warrants to the total sum of \$600,000.00, or so much thereof as may be necessary to pay for services rendered by additional personnel and overtime by regular employees and equipment, tools, incidentals and additional services supplied by contractors used and necessary in the Snow Removal Emergency, part of which was rendered and supplied before the enactment of Ordinance No. 557, and hence without previous authority of law; chargeable and payable from Code Account No. 1630, Emergency Snow Removal.

Section 2. That any Ordinance or part of Ordinance, conflicting with the

provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance,

Passed December 22, 1950.

Approved December 27, 1950.

No. 601

AN ORDINANCE—Authorizing and directing the issuance and sale of general obligation refunding bonds of the City of Pittsburgh in the aggregate principal amount of One Million Dollars (\$1,000,000.00) for the purpose of refunding a certain part of the bonded indebtedness of the City of Pittsburgh which will mature during the year 1951, evidenced by outstanding bonds of the City and commonly known as "Councilmanic Bonds," and levying taxes to provide funds for the redemption of said refunding bonds and the payment of interest and State tax on said bonds.

Whereas, Various bonds of the City of Pittsburgh in the aggregate principal amount of One Million Dollars (\$1,000,000.00), originally authorized by ordinances of the Council of the City of Pittsburgh, and evidenced by outstanding bonds of the City commonly known as "Councilmanic Bonds," will mature during the year 1951; and

Whereas, There are now and will be insufficient assets in the respective

sinking funds applicable to the payment of the principal of the aforesaid bonds at the time said bonds mature and are subject to redemption and payment by the City of Pittsburgh; and

Whereas, In the opinion of Council, there will be a default in the payment of the principal of the bonds maturing as aforesaid within one year, unless refunding bonds of the City of Pittsburgh are issued for the purpose of redeeming the aforesaid bonds maturing during the year 1951; and

Whereas, Under an Act of Assembly of the Commonwealth of Pennsylvania, approved the 25th day of June, 1941, P. L. 159, known as the "Municipal Borrowing Law," as supplemented and amended, the City of Pittsburgh is authorized to issue and sell general obligation refunding bonds;

Now, Therefore,

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That general obligation refunding bonds of the City of Pittsburgh be issued in the aggregate principal amount of One Million Dollars (\$1,000,000.00), for the purpose of refunding that certain part of the bonded indebtedness of the City of Pittsburgh evidenced by outstanding bonds of the City, originally authorized by Ordinance of the Council of the City and commonly known as "Councilmanic Bonds," which will mature during the year 1951 as follows:

TOTAL -----			\$1,000,000.00

Section 2. All assets in the sinking fund applicable to the payment of the principal of the bonds refunded shall first be so applied to the payment thereof, and thereafter the proceeds arising from the sale of One Million Dollars (\$1,000,000.00) general obligation refunding bonds shall be applied to the redemption of said existing councilmanic bonds maturing during the year 1951, and for no other purpose whatsoever. Said proceeds shall be placed in the several sinking funds provided for the payment of the principal and retirement of said bonds authorized by the council and maturing during the year 1951.

Section 3. Said bonds shall be in denominations of One Thousand Dollars (\$1,000.00) each, except that the registered bonds hereinafter referred to may be in denominations of One Thousand Dollars (\$1,000.00) each, or in any multiple thereof, and shall be dated as of the first day of May, 1951, and shall be payable in twenty (20) equal installments of Fifty Thousand Dollars (\$50,000.00) each; one of which installments shall mature on the first day of May in each of the years 1952 to 1971, inclusive. Said bonds shall bear interest at a rate not exceeding four per centum

(4%) per annum, to be determined by the acceptance of bids submitted in accordance with published advertisements as provided by law, payable semi-annually on the first day of May and November in each year during the term thereof, without deduction for any tax which may be levied on said bonds, or on the debts secured thereby, by the Commonwealth of Pennsylvania pursuant to any present or future law (except succession, estate, inheritance and gift taxes), the payment of which is hereby assumed by the City of Pittsburgh. The principal of and interest on said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder for registered bonds of the same maturity by surrendering such coupon bond or bonds with all coupons not yet due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be printed or engraved and to issue the same in the name of the City of Pittsburgh, the expense thereof to be charged to Code Account No. 42, Contingent Fund.

Registered bonds shall be registered with the City Treasurer, and shall be transferable only on the books of the City Treasurer. Both registered and coupon bonds shall be signed by the Mayor, countersigned by the City Controller, and sealed with the corporate seal of the City of Pittsburgh. In case of the absence or disability of any such officials, the bonds shall be signed by the City official authorized by law or by resolution of Council to act in his place.

Each of said bonds shall be known and designated as

REFUNDING BOND OF 1951,
SERIES B

Section 4. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, to the highest responsible bidder therefor after public notice by advertisement as required by law.

Section 5. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now by law liable, or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax, commencing the first year after said bonded debt shall have been increased or incurred, namely, the year 1952, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax thereon which by the terms of said bonds is assumed by the City, and also an annual tax commencing in said year equal to five per centum (5%) of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and retirement of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenues of said City for the payment and redemption aforesaid. There is also hereby appropriated out of the general funds of the City a sum sufficient for the payment of the first installment of interest due under the terms of said bonds.

The aforesaid tax levy shall be expressed as an amount of money to be

raised by taxation in each succeeding year, during the term of said bonds, for principal, interest and taxes thereon, by a subsequent ordinance supplementing or amending this Ordinance after the determination of the interest rate which shall be applicable thereto. Said Ordinance or amendment to this Ordinance shall also fix the interest rate on said bonds.

Section 6. That all bonds issued by the authority of this Ordinance, and the Acts of Assembly authorizing the same, shall be general obligation bonds; shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof; shall be free from taxation, as aforesaid, and for the payment of the principal of the said bonds and interest thereon semi-annually as the same shall become payable, the full faith, honor, credit and property of the City are hereby irrevocably pledged.

Section 7. The coupon bonds and registered bonds to be issued in pursuance of this Ordinance shall be in form approved by the City Solicitor, and shall follow the provisions of this Ordinance.

Section 8. Pending the execution and delivery of the definitive bonds to be issued under this Ordinance, the Mayor and the City Controller are authorized to have prepared, and to execute and deliver to the purchaser of the bonds hereby authorized one or more temporary typewritten or printed bonds for the aggregate principal amount of the bonds authorized by this Ordinance, which temporary bonds shall be in such denomination and amount as the Mayor and the Controller may determine, and shall be substantially of the tenor of the registered bonds to be issued hereunder, with the appropriate omissions, insertions and variations as may be required. Each of said temporary bonds shall bear on its face the words

TEMPORARY REFUNDING BOND
OF 1951, SERIES B

and such temporary bonds shall be exchangeable at the office of the City Controller for a like principal amount

of definitive bonds, when such definitive bonds are ready for delivery.

Section 9. The Mayor and the City Controller are hereby authorized and directed to prepare and file with the Clerk of the Court of Quarter Sessions of Allegheny County, Pennsylvania, under oath, a statement showing, (a) the amount of the existing gross liability of the City, the various allowable deductions which are claimed, and the net debt of the City; (b) the amount of the assessed valuation of all taxable property as last determined; (c) the amount of the bonds to be issued hereunder; and (d) the form, number and date of maturity of said bonds in accordance with the provisions of the Act of Assembly of the Commonwealth of Pennsylvania, approved June 25, 1941, P. L. 159, known as the "Municipal Borrowing Law," and any amendments thereof or supplements thereto, and to do and perform all other acts required by said Act or by this Ordinance, or any amendments or supplements thereto in connection with the sale and issuance of said bonds.

Section 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and the same is hereby repealed so far as the same affects this Ordinance.

Passed December 22, 1950.

Approved December 27, 1950.

Section 2. All assets in the sinking fund applicable to the payment of the principal of the bonds refunded shall first be so applied to the payment thereof, and thereafter the proceeds arising from the sale of the Two Million Dollars (\$2,000,000.00) general obligation refunding bonds shall be applied to the redemption of said existing electoral bonds maturing during the year 1951, and for no other purpose whatsoever. Said proceeds shall be placed in the several sinking funds provided for the payment of the principal and retirement of said bonds authorized by the electorate and maturing during the year 1951.

Section 3. Said bonds shall be in denominations of One Thousand Dollars (\$1,000.00) each, except that the registered bonds hereinafter referred to may be in denominations of One Thousand Dollars (\$1,000.00) each, or in any multiple thereof, and shall be dated as of the first day of March, 1951, and shall be payable in twenty (20) equal installments of One Hundred Thousand Dollars (\$100,000.00) each; one of which installments shall mature on the first day of March in each of the years 1952 to 1971, inclusive. Said bonds shall bear interest at a rate not exceeding four per centum (4%) per annum, to be determined by the acceptance of bids submitted in accordance with published advertisements as provided by law, payable semi-annually on the first day of March and September in each year during the term thereof, without deduction for any tax which may be levied

on said bonds, or on the debts secured thereby, by the Commonwealth of Pennsylvania, pursuant to any present or future law (except succession, estate, inheritance and gift taxes), the payment of which is hereby assumed by the City of Pittsburgh. The principal of and interest of said bonds shall be payable in lawful money of the United States of America at the office of the City Treasurer of said City. Said bonds shall be coupon bonds, exchangeable at the option of the holder for registered bonds of the same maturity by surrendering such coupon bond or bonds, with all coupons not yet due, at the office of the City Controller; and the City Controller is hereby authorized and directed to cause such coupon and registered bonds to be printed or engraved and to issue the same in the name of the City of Pittsburgh, the expense thereof to be charged to Code Account No. 42, Contingent Fund.

Registered bonds shall be registered with the City Treasurer, and shall be transferable only on the books of the City Treasurer. Both registered and coupon bonds shall be signed by the Mayor, countersigned by the City Controller, and sealed with the corporate seal of the City of Pittsburgh. In case of the absence or disability of any such officials, the bonds shall be signed by the City official authorized by law or by resolution of Council to act in his place.

Each of said bonds shall be known and designated as

REFUNDING BOND OF 1951,
SERIES A

Section 4. That said bonds shall be sold by the Mayor and the City Controller, at not less than par and accrued interest, to the highest responsible bidder therefor after public notice by advertisement as required by law.

Section 5. That until said bonds, issued as herein provided, shall be fully paid, there is hereby levied and assessed annually upon all subjects now liable or hereafter to be made liable, to assessment for taxation for City purposes, an annual tax, commencing the first year after said bonded debt shall have been increased or incurred, namely, the year 1952, sufficient to pay the interest on said bonds as the same shall accrue and become payable, and any tax thereon which by the terms of said bonds is assumed by the City, and also an annual tax commencing in said year equal to five per centum (5%) of the total amount of said bonds hereby authorized, to be set apart as a sinking fund for the payment of the principal and retirement of said bonds as they become due and payable according to their terms, and the same is hereby appropriated out of the revenues of said City for the payment and redemption aforesaid. There is also hereby appropriated out of the general funds of the City a sum sufficient for the payment of the first installment of interest due under the terms of said bonds.

The aforesaid tax levy shall be expressed as an amount of money to be raised by taxation in each succeeding year, during the term of said bonds, for principal, interest and taxes thereon, by a subsequent ordinance supplementing or amending this Ordinance after the determination of the interest rate which shall be applicable thereto. Said Ordinance or amendment to this Ordinance shall also fix the interest rate on said bonds.

Section 6. That all bonds issued by the authority of this Ordinance, and the Acts of Assembly authorizing the same, shall be general obligation bonds; shall be and become part of the funded debt of the City of Pittsburgh, and shall be entitled to all the rights, privileges and immunities thereof; shall be

free from taxation, as aforesaid, and for the payment of the principal of the said bonds and the interest thereon semi-annually as the same shall become payable, the full faith, honor, credit and property of the City are hereby irrevocably pledged.

Section 7. That the coupon and registered bonds issued pursuant to this ordinance shall be in form approved by the City Solicitor and shall follow the provisions of this ordinance.

Section 8. Pending the execution and delivery of the definitive bonds to be issued under this Ordinance, the Mayor and the City Controller are authorized to have prepared, and to execute and deliver to the purchaser of the bonds hereby authorized, one or more temporary typewritten or printed bonds for the aggregate principal amount of the bonds authorized by this Ordinance, which temporary bonds shall be in such denomination and amount as the Mayor and Controller may determine, and shall be substantially of the tenor of the registered bonds to be issued hereunder, with appropriate omissions, insertions and variations as may be required. Each of said temporary bonds shall bear on its face the words

TEMPORARY REFUNDING BOND
OF 1951, SERIES A

and such temporary bonds shall be exchangeable at the office of the City Controller for a like principal amount of definitive bonds, when such definitive bonds are ready for delivery.

Section 9. The Mayor and the City Controller are hereby authorized and directed to prepare and file with the Clerk of the Court of Quarter Sessions of Allegheny County, Pennsylvania, under oath, a statement showing, (a) the amount of the existing gross liability of the City, the various allowable deductions which are claimed, and the net debt of the City; (b) the amount of the assessed valuation of all taxable property as last determined; (c) the amount of the bonds to be issued hereunder; and (d) the form, number and date of maturity of said bonds in accordance with the provisions of the Act of Assembly of the Commonwealth of Pennsylvania, approved June 24, 1941, P. L. 159, known as the "Municipal

Borrowing Law," and any amendments thereof or supplements thereto, and to do and perform all other acts required by said Act or by this Ordinance or any amendments or supplements thereto in connection with the sale and issuance of said bonds.

Section 10. That any Ordinance or part of Ordinance, conflicting with the provisions of this Ordinance, be and same is hereby repealed so far as the same affects this Ordinance.

Passed December 22, 1950.

Approved December 27, 1950.

No. 604

AN ORDINANCE—Making appropriations to pay the expenses of conducting the public business of the City of Pittsburgh and for meeting the debt charges thereof for the fiscal year, beginning January 1, 1951.

The Council of the City of Pittsburgh hereby enacts as follows:

Section 1. That the revenues of said City derived from taxes and other sources for the fiscal year beginning January 1, 1951, and ending December 31, 1951, including therein cash surplus on hand at the close of business on December 31, 1950, are hereby appropriated in the sum of \$35,304,025.00 to pay the expenses of conducting the public business of the City of Pittsburgh and meeting the debt charges thereof during the said period beginning January 1, 1951, and ending December 31, 1951, as well as all encumbrances incurred prior to January 1, 1951, for which services have not actually been rendered, or supplies, materials or equipment actually delivered prior to December 31, 1950, and so reported to the City Controller. Said encumbrances shall be charged to the proper appropriation accounts for the fiscal year 1951 and cancelled in the 1950 appropriation accounts against which encumbrances had been originally charged, and all unexpended balances of appropriations remaining open upon the books of the City Controller at the close of the fiscal year 1950, shall be and the same are hereby ordered to be cancelled, except such amounts as shall be required for payment for services actually rendered or

supplies, materials or equipment actually delivered prior to December 31, 1950, and so reported to the City Controller, or such amounts as shall be directed to be carried over to the fiscal year 1951, by resolution or ordinance of Council.

Section 2. No liability shall be incurred against any appropriation item in excess of the unencumbered balance thereof, and said appropriation items shall be administered subject to and in conformity with the following terms and conditions:

- (a) Data required for preparation of payrolls shall be submitted to the City Treasurer in such form, and at such times, as he may prescribe, this data to include records of employment, time worked, whether compensation is based upon hours or days worked, quantity of work performed, or upon a monthly or annual salary basis, and such other records or reports with reference to personal service as may be required.
- (b) Payrolls shall be prepared by the City Treasurer upon the basis of such records or reports, and submitted by him to the respective directors or heads of departments or offices for approval and certification in such form as he may prescribe.
- (c) No transfer shall be made from one appropriation item to another except by resolution or ordinance of Council, and such resolution or ordinance shall in each case set forth the reasons for such request, and be accompanied by a certification from the Controller stating that there is a sufficient balance unencumbered and available in the appropriation item from which the transfer is to be made.

Section 3. No obligation shall be incurred by any department of the

City Government other than for salaries or wages, or for necessary expenses of employees when engaged upon City business, except through the issue of an order, stating the service to be rendered, work performed, or supplies, materials or equipment to be furnished together with the estimated cost of the same. The Director of the Department of Supplies is hereby authorized and directed to provide upon requisition by the head of any department all necessary supplies, materials, equipment and machinery for such department; provided, however, that no requisition of any department shall be filled by the Director of the Department of Supplies in excess of the unencumbered balance of the appropriation properly chargeable, and that no order shall be issued by the Director of the Department of Supplies, or by the head of any other department of the City government, until it has been approved by the City Controller. Payments on account of direct purchase shall be made from the amounts hereinafter appropriated therefor respectively. Purchases made by the Director of the Department of Supplies to go into stores shall be paid from the fund provided for such purposes, and when as directed by the City Controller; said fund shall be reimbursed from other appropriations to the extent of deliveries made from stores.

Section 4. Council may, by resolution of the Finance Committee from time to time, restrict expenditures from the appropriations made hereby, both as to amounts of expenditure and the periods within which such expenditures may be made, and may also, by resolution of the Finance Committee at any time cancel in whole or in part any unencumbered balance of any of said appropriations.

Section 5. For purposes of administration and accounting control, the code symbols indicated herein shall be considered as part of the appropriation titles.

Whereas, The Duquesne Light Company on February 6, 1950, issued "Electric-Pa. P. U. C. No. 10, superseding Electric-Pa. P. U. C. No. 9 and Supplements Thereto," to become effective April 10, 1950, under the terms of which there are extensive changes and increases to existing tariffs affecting the City of Pittsburgh and all the residents of the City of Pittsburgh; and

Whereas, The Mayor of the City of Pittsburgh directed the City Solicitor to file with the Pennsylvania Public Utility Commission a Complaint against the said proposed tariffs and a Petition for the suspension thereof until an investigation and hearing be had thereon; and

Whereas, The said proposed rates affect not only the City of Pittsburgh and the residents and business establishments thereof, but also the residents and business establishments of 65 other boroughs and cities and 45 townships in Allegheny County and 23 boroughs and cities and 19 townships in Beaver County and all public and parochial schools and local, state and Federal government agencies in the said areas; and

Whereas, The extensive character of the proposed increases and changes in tariffs, in addition to the extensive area embraced, will require the services of engineers, accountants, analysts, rate specialists and other public utility experts in the preparation and presentation of engineering and other technical evidence; and

Whereas, The Pennsylvania Public Utility Commission retains a permanent staff of engineers, accountants, analysts, rate specialists and other public utility experts which it uses only in complaints and investigations instituted by the said Pennsylvania Public Utility Commission;

Now, therefore, be it

Resolved, That the direction of the Mayor to the City Solicitor to file a complaint and petition for suspension of rates with the Pennsylvania Public Utility Commission against the proposed tariffs issued by the Duquesne Light Company on February 6, 1950, to become effective April 10, 1950, designated as "Electric-Pa. P.U.C. No. 10, superseding Electric-Pa. P.U.C. No. 9 and Supplements Thereto," and the execution of the said complaint and petition for suspension of rates and the filing thereof by the City Solicitor with the Pennsylvania Public Utility Commission be and are hereby ratified; and be it further

Resolved, That the City of Pittsburgh request the Pennsylvania Public Utility Commission to file its own complaint and investigation against the proposed rates of the Duquesne Light Company issued February 6, 1950, to become effective April 10, 1950, designated as

"Electric-Pa. P.U.C. No. 10, superseding Electric-Pa. P.U.C. No. 9 and Supplements Thereto;" and be it further

Resolved, That the said Pennsylvania Public Utility Commission be requested to consolidate its complaint and investigation against said proposed tariffs of the Duquesne Light Company with the Complaint of the City of Pittsburgh previously filed; and be it further

Resolved, That a copy of this Resolution be forwarded to the Chairman and members of the Pennsylvania Public Utility Commission with the request that the Commission advise the Mayor and Council whether it will comply with the request herein contained.

No. 103

Whereas, The City of Pittsburgh, County of Allegheny and School District of Pittsburgh are the record title holders of certain lands located in the 12th Ward acquired for non-payment of taxes and now in process of being taken by the Veterans' Administration of the United States as a site for a Veterans' Hospital and referred to in the Viewers' proceedings as Parcel AG, and,

Whereas, It has tentatively been agreed that the compensation to be paid for the taking of said lands shall be approximately \$250.00 per acre to be paid to the City, County and School District in proportion to their interest in four separate parcels comprising the whole parcel "AG," and,

Whereas, It has been determined that the most practical manner of distributing said compensation shall be to treat the same as the selling price to be distributed in the same manner as the City, County and School District are now doing in selling tax acquired properties to purchasers, Therefore, Be It

Resolved, That the compensation to be paid the City of Pittsburgh for its interest in the parcels of land comprising Parcel "AG" shall be based upon its proportional interest as represented by its claims filed with the Sheriff in its tax sale proceedings in parts Nos. 1, 2 and 3, and in proportion to its taxes of record against part No. 4, which compensation has been determined as follows:

No. 129

Whereas, Under Title I of the Housing Act of 1949 the Housing and Home Finance Administrator is authorized to assist local communities in eliminating their slums and blighted areas and in providing maximum opportunity, consistent with the sound needs of the locality as a whole, for the redevelopment of such areas by private enterprise, and to that end is authorized to make local public agencies advances for surveys and plans in preparation of projects, capital grants, and temporary and definitive loans; and

Whereas, The Housing and Home Finance Administrator will consider requests for the reservation or earmarking of the first \$200,000,000 that will be made available under Title I for capital grants;

Now, therefore, be it resolved by the City Council of the City of Pittsburgh, Allegheny County, Pennsylvania:

1. That upon the basis of preliminary studies it is considered to be in the public interest and it is the desire and purpose of the City of Pittsburgh that there be undertaken and carried out, with the aid of capital grants out of said \$200,000,000, certain slum clearance and redevelopment work in the City of Pittsburgh, and that such work, or at least the surveying or planning in the connection therewith, can be started prior to July 1, 1951.

2. That the Administrator be and he is hereby requested to reserve or earmark for such work out of said \$200,000,000 an amount not exceeding \$5,000,000.

3. That it is hereby recognized that under Title I of the Housing Act of 1949 certain requirements are imposed in order to obtain Federal aid thereunder for slum clearance and redevelopment projects including requirements for the provision of local grants-in-aid, the approval of redevelopment plans by the governing body of the locality, the making of certain findings by such governing body, and other requirements, and it is further recognized that the cooperation of the City of Pittsburgh is necessary to carry out the slum clearance and redevelopment program which is proposed to be undertaken and for which the reservation of funds is hereby requested.

4. That John P. Robin, the duly authorized Executive Director of the Urban Redevelopment Authority, be and he is hereby directed to forward to said Administrator three certified copies of this resolution and such supporting data and information as may be required, and that this resolution shall constitute the City of Pittsburgh's formal request to the Administrator for the reservation of capital grant monies.

No. 165

Whereas, Pittsburgh is the birthplace of Radio Broadcasting and has always been a pioneer and leader in Radio Broadcasting and manufacturing and the many allied industries; and

Whereas, Many residents of Pittsburgh are gainfully employed in said vocation and rely thereon for their livelihood, including technicians, actors, musicians, scientists, management, advertising and research personnel; and

Whereas, Television is a new and recent development in the general field of broadcasting that is now essential public service; and

Whereas, The current progress of Pittsburgh as an Industrial and Commercial center is widely recognized as being outstanding among the metropolitan centers in the nation; and her accomplishments as a scientific and cultural center are acknowledged; and

Whereas, Adequate television broadcast facilities are a basic essential to the growth and progress of all industries relating to and dependent upon broadcasting; and

Whereas, The Federal Communications Commission has unfairly discriminated against the City of Pittsburgh by proposing to allocate only four television stations to the Pittsburgh Metropolitan District; and

Whereas, The Metropolitan District of San Francisco, St. Louis, Cleveland, Baltimore, Washington and Cincinnati, all considerably smaller in population than Pittsburgh, have been allocated five or more television stations, such allocation of television channels is an unfair discrimination against the City of Pittsburgh and contrary to the provisions of the Communications Act of 1934; and

Whereas, Although a sufficient number of applications are on file with the Federal Communications Commission to provide for assignment of all the allocated television facilities, only one station has been authorized and is in operation, leaving the Pittsburgh area the largest in the United States

with only one operating television station; and

Whereas, The failure of the Federal Communications Commission to issue authorization for additional television stations in Pittsburgh is attributed to a suspension of the processing of applications by said Commission pending a review of the Commission's regulation concerning television; and

Whereas, When the Federal Communications Commission suspended its processing of applications 18 months ago (September 1948) there had been pending for many months applications for all the facilities allocated to Pittsburgh; and

Whereas, The Federal Communications Commission's review of its regulations, with the added problem of color television, has developed into a complex and time-consuming procedure which will further delay the commencement of additional television operations in Pittsburgh for at least a year and perhaps for another two or three years; and

Whereas, Since studies and measurements in the Pittsburgh area made available to the Federal Communications Commission have definitely shown that because of the hilly and mountainous terrain of the Pittsburgh area, the television channels in the ultra-high frequency band will not provide satisfactory coverage in the Pittsburgh area, therefore television channels assigned to Pittsburgh should all be in the very high frequency band; and

Whereas, Since the Federal Communications Commission, in its desire to protect the public has indicated that color television should operate in the normal six megacycle band and that a color television system should be compatible with the present black and white system, there seems to be no reason why the Commission should not proceed immediately with the assignment of additional television channels on a black and white basis; and

Whereas, A delay of a year to three years or more in the establishing of such additional facilities will grievously injure Pittsburgh industries and residents, and will seriously, if not perma-

nently, impair the ability of Pittsburgh to compete with its other rivals in this field; now, therefore, be it

Resolved, That the Mayor and the Members of Council of the City of Pittsburgh request the delegation of the State of Pennsylvania to the 81st Congress to take all necessary and appropriate steps to secure the authorization for the operation of additional television facilities in the City of Pittsburgh; and be it further

Resolved, That the Federal Communications Commission be urged to allocate such additional television facilities to the City of Pittsburgh; and be it further

Resolved, That the City Clerk be and he is hereby directed to send a copy of this Resolution to Senator Francis J. Myers and Senator Edward Martin, to each Representative from the Commonwealth of Pennsylvania in the 81st Congress, and the members of the Federal Communications Commission in Washington.

Whereas, Charles Poulos is the owner of property situate in the Sixth Ward of the City of Pittsburgh, Allegheny County, Pennsylvania, having erected thereon a three-story, brick dwelling known as 408 Twenty-eighth street, having a frontage of 39.935 feet on the westerly side of Twenty-eighth Street and a depth of 26.03 feet; and

Whereas, A survey made by J. Fred Triggs, Professional Engineer, dated November 30, 1949, shows the present building on this property encroaches on Spring Alley, twenty feet in width, twenty-three hundredths (.23) of a foot at the intersection of Spring alley and Twenty-eighth street and thirty-three hundredths (.33) of a foot at the southeasterly corner of said premises; Now, therefore, be it

Resolved, That the Mayor and the Director of the Department of Public Works be authorized and directed, on behalf of the City of Pittsburgh, to grant to Charles Poulos, his heirs, executors, administrators and assigns, the right to use and occupy the land area of such encroachment while the present building shall continue to stand and to waive all damages by reason of such encroachment in consideration of the promise of Charles Poulos, his heirs, executors, administrators and assigns, to relinquish and give up the said encroachment area upon the demolition or destruction of the present building.

Whereas, The City of Pittsburgh has given to James K. McCausland, lessee of a lot owned by the City of Pittsburgh, at 2235 Fifth avenue, Fourth Ward, Pittsburgh, Pennsylvania, notice that the City does not intend to renew his lease but does intend to sell the same at a Private Sale upon the expiration of his present lease on February 1, 1951; and

Whereas, The City of Pittsburgh has repeatedly refused to sell the same to the said James K. McCausland, who operates a small automobile repair shop on the premises, for the reason that the said lot was necessary to be held by the City for future widening of Fifth avenue and a possible construction of a bridge approach to eliminate a traffic bottleneck at Fifth avenue and Brady street; and

Whereas, The sale of the said lot by Private Sale to parties other than the present occupant would result in a cruel hardship to James K. McCausland, who has been in business at the site for many years, first as a blacksmith and later as an automobile repair mechanic;

Therefore, Be It

RESOLVED, That the appropriate City officials be notified that it is the will of the City Council that this said lot shall not be sold at Private Sale or leased to parties other than the present lessee without a hearing in City Council to determine the rightness and justice of such sale or lease in view of the situation.

Whereas, In the Court of Common Pleas of Allegheny County at Lev. Fa. No. 216, January Term, 1949, the County of Allegheny, Plaintiff, issued execution on the property of Annie Mitchell, located in the 7th Ward, Pittsburgh, at No. 724 Filbert street, and in due course the Sheriff executed a deed to the City of Pittsburgh, County of Allegheny and School District of Pittsburgh, and

Whereas, After the period for redemption, said property was advertised for sealed bids, the minimum bid to be received amounting to Four Thousand Five Hundred (\$4,500.00) Dollars, and

Whereas, At the above Number and Term, John D. Meyer, Esquire, representing Annie Mitchell, now intermarried with Howard Haston, petitioned the Court of Common Pleas and a rule was granted directing that the property be withdrawn from sale and to show cause why the Defendants should not be permitted to pay all the delinquent taxes against the property and redeem the same, and

Whereas, The matter was argued before the Court en blanc on April 17th, 1950, and the Court reserved judgment pending an appearance of the aforesaid John D. Meyer, together with his client, before the General Tax Committee in

the offices of the County Commissioners, and

Whereas, The matter being considered by the General Tax Committee at a meeting on June 2nd, 1950, the Committee recommended that the property be sold to the said Annie Mitchell, now known as Annie Mitchell Haston, for the sum of Five Thousand (\$5,000.00) Dollars, and

Whereas, The said sum of Five Thousand (\$5,000.00) Dollars has been deposited with the Department of Lands and Buildings of the City of Pittsburgh, Agent for the City, County and School District; therefore,

Be It Resolved, That the proper officers of the City of Pittsburgh are hereby ordered and directed to join in executing a deed for the aforesaid property to Howard Haston and Annie Mitchell Haston, free and clear of all City, County and School Claims, and upon distribution of the proceeds in proportion to the Ownership of the City, County and School District, the proper officers of the City are ordered and directed to satisfy all claims of record.

Whereas, The United States of America, acting through the Housing and Home Finance Agency, Public Housing Administration, owns permanent war housing, known as Glen-Hazel Heights, Project PA-36, 101, a war housing project consisting of 999 units located in the City of Pittsburgh, Allegheny County, Pennsylvania; and

Whereas, There exists in said City a need for such housing to be operated as low-rent public housing at rents within the means of low-income families, especially families of living or deceased veterans and servicemen, which

need is not being met by private enterprise; and

Whereas, Such a condition constitutes a menace to the health, safety, morals and welfare of the inhabitants of the City; and

Whereas, The Congress of the United States has authorized by Public Law 475, approved by the President on April 20, 1950, the conveyance to a public housing agency of such housing to provide housing for families of low income, and the Housing Authority of the City of Pittsburgh proposes to acquire such housing and to operate it as low-rent housing;

Now, Therefore, be it resolved by the Council of the City of Pittsburgh:

That it is the determination, finding and declaration of the Council of the City of Pittsburgh that it will be in the best interests of the community to make such housing available as low-rent housing for families of low income;

That the Council of the City of Pittsburgh does hereby request the conveyance of such housing to the Housing Authority of the City of Pittsburgh to be administered as low-rent housing for families of low income.

Provided that after the national defense emergency has ceased and the project is no longer needed or useful for housing the families of workers in industries essential to national defense and provided that the tenants are unable or unwilling to take over the project as a cooperative project paying full taxes.
